1. Subject is a superior senior CIA official whose maturity and experience are constantly reflected in his work.

Mr. Broe started in the FBI in 1941 as a Special Agent, dealing particularly with German and Russian matters. In 1944 he was promoted to Resident Agent at Youngstown, Ohio, where he handled all categories of Bureau work. Two years later he was selected to be a supervisor. He continued in this capacity, dealing chiefly with security matters, until he came to CIA in 1948. During his term as resident agent he was outstanding in the important and difficult task of winning local police cooperation.

Since he has been with CIA, Mr. Broe has shown exceptional operational understanding and ability. He has a very keen sense of responsibility and a fine devotion to detail as well as to the broad phases of his duties. As a Branch Chief he has been completely reliable and effective. It is planned that he will go to Manila in the spring of 1951, or perhaps earlier, to take over the important and delicate work of the Manila Research Unit.

MEMORANDUM FOR THE RECORD

SUBJECT: William V. Broe

1. After discussion with the Chief, FBZ, the undersigned talked with subject today and informed him of the following:

a. The position which we had to offer was at P-5. Promotion above that classification would come only after experience in the field, and no guarantee could be made of higher rating even after such experience had been gained by subject.

b. The assignment which we offered him would be in Washington for eighteen months, or perhaps for as long as two years; then probably assignment to a field station.

c. Due to his past employment with the FBI, we would attempt to obtain approval for his entrance on duty on or about June 14.

2. Subject stated that the above was acceptable to him and that he accepted our offer of P-5 position. The undersigned informed Chief, FBZ, of this fact. Processing is being initiated immediately.

Subject has family and does not particularly desire to go to an area where family cannot have adequate living quarters, etc.

Would prefer remain in D.C. for one or two years.

Has no area background or experience — however I feel his investigative experience would adequately compensate for this.

Sex:	Male

SD:	D
Official Position Title:	Ops Officer Division Chief
Current station:	Headquarters
Type of appointment:	Career
Type of report:	Annual
Reporting period:	1 April 1970 - 31 March 1971

During the reporting period, Mr. Broe has continued to serve as Chief of the WH Division. In this period, he has had to cope with the many crises and confrontations that typify his area, the Allende victory in Chile to successive coups in Bolivia, and growing urban terrorism in many countries. It is difficult to fault his performance in the handling of these complex challenges. He has earned the complete respect of his subordinates and, as an acute and humane judge of character, he knows the strengths and weaknesses of his station chiefs and how to extract the best from them.

Under his leadership, high-level penetrations of Communist parties throughout the hemisphere have been maintained and increased, and he has planned ahead effectively to cope with the increasing Soviet diplomatic presence.

Under his supervision, the budget, program and project submissions of his Division have been effectively presented and defended before reviewing authorities.

Innumerable crash requests for memoranda on a wide range of topics from the White House have been met promptly and satisfactorily.

On the substantive side, he has kept himself abreast of the rapidly changing Latin American scene and on policy matters, his judgment and advice are relied upon at the Assistant Secretary level in the Department of State and the White House.

The high morale of his Division is a tribute to his ability and, on the whole, his performance remains "Outstanding."

During the reporting period, Mr. Broe has continued to serve as Chief of the WH Division. Under his leadership and due to his excellent judgment in the selection of key personnel, the Division has improved its performance both in the collection of significant intelligence and in its conduct of complex covert action operations. Due to high level penetration of the Communist parties throughout the hemisphere, he has kept the Division well ahead of the game in dealing with the diverse subversive movements in the area. This result is due in considerable measure to Mr. Broe's managerial skills. Mr. Broe's judgment has been relied upon by both the White House and the Assistant Secretary level in the State Department in dealing with the policy aspects of successive crises. He has been consistently cost conscious, and his performance on the whole has been outstanding.

Reporting period:	1 April 1969 to 31 March 1970

During the reporting period, Mr. Broe has continued to serve as Chief of the WH Division. It is a tribute to the quality of his management that the Division has continued to perform extremely well in the production of intelligence derived from within the Communist Party throughout the hemisphere. This has resulted not only from the use of long standing assets but also from initiative shown by the Stations in the recruitment of

new and well placed agent assets. He has supervised effectively Divisional planning designed to exploit to the maximum the opportunities presented by the increasing Soviet diplomatic presence in the area.

During the year, political shifts in Peru and Bolivia have served to dramatize the danger of too extensive a reliance on liaison and Mr. Broe has moved to reduce the profile of our declared presence.

The high morale in his Division comes from the widespread knowledge that good performance is recognized and that career advancement is based on ability rather than any form of favoritism.

On policy matters, his judgment and advice is sought and relied upon at the Assistant Secretary level in the Department of State and the White House. He is a careful and frugal manager in the allocation of increasingly scarce resources and on the whole his performance has been "Outstanding."

1. This is a letter fitness report on Mr. Broe as Chief of the WH Division from 18 May 1966 to date.

2. In the last fitness report on Mr. Broe I commented that "he is easy to work with, exercises the soundest of judgements, maintains excellent relations in the community and will without question turn in a really fine performance as Chief, WH Division." Nothing has happened in the course of the past year to require any change in that comment and prediction. Although the Dominican crisis has subsided since the last report, we are not entirely out of the woods there, and there are several other situations in the Western Hemisphere which have been simmering smartly and which have

required deft handling. Mr. Broe has handled these excellently, while at the same time he has looked after the normal command and administrative requirements of the Division effectively. He stays in close touch with his key personnel, and keeps himself fully informed of their operations. His community relationships are good and he is held in high esteem by his collaborators in the Clandestine Services. All in all, one must rate Mr. Broe's performance during the last year as outstanding.

1. This is a letter fitness report on Mr. Broe as Chief of the WH Division from July 1965 to date.

2. Mr. Broe's file is replete with the highest estimates of his capabilities and performance in the several positions of responsibility he has held in the Clandestine Services. Until coming to the WH Division, his entire career with the Clandestine Services, dating back to 1948, had been in the Far East area. He served as Chief of our Manila Station and later of our Tokyo Station in which latter position he distinguished himself. He was brought in to take over the WH Division when the Chief of that Division became the DD/P. That in itself was an eloquent admission of the esteem in which his capabilities are held. His performance in the WH Division has fully lived up to this evaluation. He took over the Division just after the Agency had become immersed in the Dominican Republic crisis. At the same time, a dozen other problems of one kind or another required the most serious attention. He has made several field trips to his area of responsibility and has shown his usual skill in getting the most

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT : BROE, William V. (1 April 1964 - 31 March 1965)

1. Mr. Broe's performance as Chief of Station, Tokyo during the reporting period is best described as outstanding.

2. For over two years, Mr. Broe has struggled with the problems in Japan of reducing the size of the Agency's mission and of developing appropriate areas of clandestine concentration. During the past year, he has effectively gotten the whole mechanism to work, with a marked increase in foreign intelligence and an unprecedented emergence of the Station, through contacts he and his associates have developed, as a channel for political action. Through his skillful assistance to and cultivation of the Ambassador, Mr. Broe has placed CIA in a position in Japan where the Station Chief and the Agency are accepted by the top levels of the Japanese Government as a useful channel and as a dependable organization for collaboration. This high level connection is of tremendous value in advancing political intelligence objectives as well as an essential tool for indirect and unofficial manipulation of situations of key interest to both the Japanese and the U.S. governments.

3. In the management of the Station, Mr. Broe continues to be his old effective self. He is able to get a good deal of mileage out of the personnel assigned to him and to increase their effectiveness through his own personal leadership. In all this, he has displayed an excellent sense of cost consciousness in the management of the Station.

4. In sum, Mr. Broe has brought Tokyo Station under his tenure to a new role appropriate to the changing times. CIA along with the U.S. Government is now in a better position to deal with an independent Japan which is now looking at Asia through its own eyes.

The nature of the action could range from counseling, to further training, to placing on probation, to reassignment or to separation. Describe action taken or proposed in Section C.

A - Adequate Performance meets all requirements. It is entirely satisfactory and is characterized neither by deficiency nor excellence.

P - Proficient Performance is more than satisfactory. Desired results are being produced in a proficient manner.

S - Strong Performance is characterized by exceptional proficiency.

O - Outstanding Performance is so exceptional in relation to requirements of the work and in comparison to the performance of others doing similar work as to warrant special recognition.

SPECIFIC DUTIES

List up to six of the most important specific duties performed during the rating period. Insert rating letter which best describes the manner in which employee performs EACH specific duty. Consider ONLY effectiveness in performance of that duty. All employees with supervisory responsibilities MUST be rated on their ability to supervise (indicate number of employees supervised).

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: BROE, William V. (12 February 1963 - 31 March 1964)

1. Mr. Broe's performance as Chief of Station, Tokyo for the period 12 February 1963 to 31 March 1964 can be characterized as strong.

2. Mr. Broe has effectively directed the operations of a station with many targets. He has concentrated the potential represented by the personnel under his authority on the most important targets and firmly discarded marginal activities. In his supervision of the work of the sub-units of his station, such as the China section, Soviet section and Korean section, he has been effective in encouraging them to vigorous activity but has also asserted the necessary control and guidance from his level. Mr. Broe has maintained excellent relationships with other American services and his coordination process is a model. He has at the same time maintained personal contacts with leading Japanese, both official and unofficial, and has used these both for intelligence and for action purposes. He has wisely targetted the covert action potential of the station toward critical targets and deliberately eliminated marginal efforts. Mr. Broe has on his own initiative made certain recommendations for the reduction of the personnel and expenditures of his station to help meet crises in other areas. In all of this activity, Mr. Broe has reaffirmed his qualities of leadership and supervisory capacity and has demonstrated a full consciousness of the importance of cost.

William E. Colby
Chief, Far East Division

SUBJECT: Fitness Report - Mr. William V. Broe

1. This memorandum in lieu of Fitness Report is submitted on Mr. William V. Broe, Chief of Station, Tokyo to cover the period 1 June 1961 to 11 February 1963.

2. Mr. Broe has directed one of the most complicated and important stations in the Far East area with his accustomed skill, intelligence and delicacy. He has conducted a major reorganization of the Agency's activities in Japan and substantially reduced its total commitment there. At the same time he has kept a firm eye on the need for coverage of important targets and has been particularly severe with non-essential or marginal activities. In the Station itself he has directed a complicated structure, with perhaps the largest number of outside cover cases (with all the difficulties they bring) in the area. He has maintained the Station's relationship and contacts with the Ambassador and the Embassy in an excellent manner, and it is now considered a full partner in Japanese affairs by the Ambassador. He has maintained extensive and important liaison contacts with Japanese agencies and at the same time kept a high degree of effort on the unilateral targets in the area. He has been particularly effective in managing our relationships with the U.S. military intelligence Headquarters covering the Far East which are concentrated in Japan. In all of these he has been firm and intelligent in his approach.

3. In sum, Mr. Broe continues the highly efficient performance of his duties, which could be characterized between strong and outstanding.

SUBJECT: Memorandum in lieu of Fitness Report of Mr. William V. Broe, GS-16, covering period from March 1959 through 25 July 1960.

Subject is Deputy Chief of the Far East Division and has served in that capacity during the entire 23 months of my tenure as Chief of the Division as well as for some months under my predecessor. He also served as my deputy in 1954-1955 at the China Base at Yokosuka, Japan. I have, therefore, had ample opportunity to appraise subject's performance under a great variety of circumstances, both in the field and at Headquarters.

Subject is an outstanding manager in the Clandestine Services field. His operational judgment is wholly reliable, he grasps and retains complex details and produces sound and intelligent solutions to operational problems. He is very strong in administration and is particularly adept at personnel management. He has a deep and encyclopedic knowledge of the people in the Far East Division; his approach is personal and sympathetic but his hand is firm when firmness is required. He has been particularly successful in solving personnel assignment problems by matching capabilities to requirements.

In his present job as Deputy Chief of an area division, I do not believe that subject has an equal. This would entitle him, in my opinion, to a rating of "7" in Section B of the Fitness Report form.

SECRET

As I have indicated in previous fitness reports, subject, after long service as a division and field station deputy, deserves, and is fully qualified, to become chief of a major field station. I am in the near future commencing to process such a proposal. My opinion is that his performance in such an assignment should not fall short of "6" on a scale of seven.

SECTION E — NARRATIVE DESCRIPTION OF MANNER OF JOB PERFORMANCE

Stress strengths and weaknesses demonstrated in current position. Indicate suggestions to employee for improvement of his work. Give recommendations for his training. Describe, if appropriate, his potential for development and for assuming greater responsibilities. Amplify or explain, if appropriate, ratings given in SECTIONS B, C, and D to provide the basis for determining future personnel actions.

Subject is so well qualified to meet the requirements of deputy chief of a large area division that there may well be a tendency to lose sight of his ability to run an organization of his own. This capability was amply demonstrated when he was chief of the China Branch of FE Division.

Subject is unusually strong as a supervisor. His flair for warm but impartial relationships with subordinates has enabled him to develop a first-hand understanding of the capabilities, shortcomings and problems of a very large proportion of all FE personnel. His direction of personnel does not lack firmness but is expressed in such a way that feelings are considered and best results are achieved.

Subject's operational judgment is entirely reliable. He has an encyclopedic knowledge and understanding of the Division's operations and a full grasp of political implications throughout the area.

I have noted no weaknesses in Subject which would inhibit his successful assumption of increasing responsibilities.

This report has been prepared in accordance with FE Division standards which [illegible] rating the individual against the group. [illegible] rating reflects an entirely satisfactory performance.

SECTION IV

This section is provided as an aid in describing the individual. Your description of personnel as favorable or unfavorable in itself but acquires its meaning in relation to a particular job or assignment. The descriptive words are to be interpreted literally.

On the left hand side of the page below are a series of statements that apply in some degree to most people. On the right hand side of the page are four major categories of descriptions. The scale in each category is divided into three small blocks; this is to allow you to make finer distinctions among the people you are rating. Look at the statement on the left - then check the category on the right which best tells how much the statement applies to the person you are rating. Placing an "X" in the "Not Observed" column means you have no opinion on whether a phrase applies to an individual. Placing an "X" in the "Does Not Apply" column means that you have the definite opinion that the description is not at all suited to the individual.

A. THE REPORTING OFFICER IS DEFINED AS THE EMPLOYEE'S IMMEDIATE SUPERVISOR, IN OTHER WORDS THE PERSON WHO IS PRESUMABLY BEST ACQUAINTED WITH THE EMPLOYEE'S WORKING EFFICIENCY. HOWEVER, DEPENDING UPON CIRCUMSTANCES, THE CHIEF OF STATION MAY NOT WISH TO ENTRUST THE IMMEDIATE SUPERVISOR WITH THIS RESPONSIBILITY. IN ANY CASE, THE CHIEF OF STATION WILL CHANGE OR MODIFY THE RATING OF THE REPORTING OFFICER WHEN SUCH CHANGES OR MODIFICATIONS ARE CALLED FOR. THE CHIEF OF STATION IS ULTIMATELY RESPONSIBLE FOR THE ACCURACY OF FACTS AND STATEMENTS WHICH APPEAR ON THE STATUS AND EFFICIENCY REPORT. IN MANY CASES, ESPECIALLY IN A SMALL UNIT, THE CHIEF OF STATION MAY WISH TO FILL OUT ALL THE REPORTS HIMSELF.

2. IN ADDITION TO THE ANNUAL REPORT, THE FOLLOWING SPECIAL REPORTS, UTILIZING THE SAME FORM, WILL BE RENDERED:

A. UPON COMPLETION OF FIRST NINETY (90) DAYS OF SERVICE AT A STATION.

B. UPON RELIEF OR REASSIGNMENT OF REPORTING SENIOR.

C. UPON DETERMINATION OR RECOMMENDATION THAT AN EMPLOYEE IN A FIELD STATION SHOULD BE REASSIGNED TO ANOTHER STATION OR RETURNED TO U.S. FOR REASSIGNMENT OR OTHER DISPOSITION. SUCH REPORT WILL BE FORWARDED SO AS TO REACH THE WASHINGTON HEADQUARTERS AT THE EARLIEST POSSIBLE DATE AFTER SUCH REASSIGNMENT DETERMINATION IS MADE. IF POSSIBLE, THE REPORT SHOULD BE SENT IN AT LEAST THREE MONTHS PRIOR TO PROPOSED REASSIGNMENT IN ORDER THAT ALL TIME POSSIBLE MAY BE DEVOTED TO APPRAISAL AND EVALUATION. IF CONSIDERATION OF REASSIGNMENT IS BEING GIVEN WITHOUT EMPLOYEE'S KNOWLEDGE, ITEMS 1 TO 6 WILL BE FILLED IN AS FAR AS POSSIBLE BY THE RATING OFFICER WITHOUT REFERRAL TO EMPLOYEE.

3. IN FAIRNESS TO THE INDIVIDUAL BEING RATED AND IN THE INTEREST OF THE GOVERNMENT, THE IMPORTANCE OF CAREFULLY PREPARED AND ACCURATE EFFICIENCY REPORTS CANNOT BE OVERSTRESSED. THE FOLLOWING BASIC PRINCIPLES OF RATING SHOULD ALWAYS BE KEPT IN MIND:

A. ALWAYS BASE YOUR JUDGMENT ON:

(1) WHAT YOU HAVE OBSERVED THE INDIVIDUAL DO OR FAIL TO DO.

(2) TYPICAL PERFORMANCE, NOT ON AN ISOLATED STRIKING INCIDENT.

(3) EXAMPLES RELEVANT TO THE CHARACTERISTIC UNDER CONSIDERATION.

(a) THE EFFICIENCY REPORT IS TO BE USED TO RATE ALL CIVILIAN EMPLOYEES, BUT REPORTING OFFICERS SHOULD BEAR IN MIND THAT DIFFERENT STANDARDS PREVAIL IN DIFFERENT ASSIGNMENTS WHEREAS IT IS NECESSARY, FOR EXAMPLE, THAT AN INTELLIGENCE OFFICER POSSESS INITIATIVE, THIS SAME TRAIT IS NOT ALWAYS DESIRABLE, EXCEPT IN A MINOR WAY, FOR A TYPIST. THE RATINGS AND EVALUATIONS SHOULD BE IN REFERENCE TO THE JOB - THE ACTUAL WORK ASSIGNMENT FOR WHICH THE PARTICULAR EMPLOYEE IS BEING PAID. EVERY EFFORT SHOULD BE MADE TO ARRIVE AT A JUST ESTIMATE OF THE QUALITIES OF THE PERSON REPORTED ON FOR THE PERIOD COVERED BY THE REPORT. AVOID EXAGGERATIONS AND SUPERLATIVES. THEY DETRACT FROM THE VALUE OF A REPORT AND ARE UNFAIR TO OTHERS.

B. BIASED OPINIONS BASED ON PERSONAL LIKES AND DISLIKES MUST BE SCRUPULOUSLY AVOIDED. IT SHOULD BE BORNE IN MIND THAT THE PREPARATION OF EFFICIENCY REPORTS IS AN IMPORTANT FUNCTION OF ALL SUPERVISORS OF EMPLOYEES, AND THE ACCURATE AND TRUE EVALUATIONS EXPRESSED THEREIN ARE A DIRECT REFLECTION UPON HIS OWN ABILITY AND QUALIFICATION FOR THE POSITION HE HOLDS.

C. NO REPORTS WILL BE RENDERED COVERING PERIODS OF LESS THAN 60 DAYS OBSERVED SERVICE.

4. REPORTS WILL NORMALLY BE CLASSIFIED CONFIDENTIAL; HOWEVER, THE CLASSIFICATION MAY BE RAISED IF DEEMED ADVISABLE BY RATING OFFICER.

5. REPORTS WILL NEVER BE SHOWN TO THE EMPLOYEE REPORTED ON.

DISPOSITION OF REPORTS

1. REPORTS WILL BE FORWARDED TO THE APPROPRIATE BRANCH CHIEF IN WASHINGTON HEADQUARTERS WITHIN TEN (10) DAYS AFTER THE CLOSE OF THE REPORTING PERIOD.

2. IF THE REPORTING OFFICER IS THE CHIEF OF STATION, REPORTS WILL BE FORWARDED BY HIM TO THE APPROPRIATE BRANCH CHIEF IN WASHINGTON HEADQUARTERS.

3. IF THE REPORTING OFFICER IS NOT THE CHIEF OF STATION, THE REPORT WILL BE REFERRED TO THE NEXT IN COMMAND FOR REVIEW AND FINALLY TO THE CHIEF OF STATION FOR FORWARDING TO WASHINGTON HEADQUARTERS.

4. UPON RECEIPT OF REPORT IN WASHINGTON HEADQUARTERS, THEY WILL BE REVIEWED BY THE BRANCH CHIEFS PROMPTLY AND THEN REFERRED TO THE ASSISTANT EXECUTIVE FOR PERSONNEL FOR RETENSION IN THE PERSONNEL FILE OF THE EMPLOYEE.

A. IF A CHANGE OF PERSONAL STATUS IS REPORTED UNDER SECTION 6, ONE COPY OF SUCH REPORT WILL BE DETACHED AND SENT TO THE SECURITY OFFICE.

NOTICE OF OFFICIAL EFFICIENCY RATING

REGULAR (X) SPECIAL ( )
PROBATIONAL ( )

As of 3 October 1949 based on performance during period from 3 April '49 to 3 October '49

BHOE, William V. (Name of employee) Operations Officer (Intelligence Officer) GS-12 (Title of position, service, and grade)

OSO, COPS, FDC, SEA, Division 4 (Organization—Indicate bureau, division, section, unit, and branch)

Efficiency rating: "EXCELLENT"

(Signature)

Chief, Employees Division (Title)

Interpretation of Efficiency Rating

Your efficiency rating is an official record of the way you are doing the work of your job.

Excellent (E) means that performance in every important phase of the work was outstanding and there was no weakness in performance in any respect.

Very Good (VG) means that performance in at least half of the important phases of the work was outstanding and there was no weakness in performance in any respect.

Good (G) means that performance met requirements from an over-all point of view.

Fair (F) means that performance did not quite measure up to requirements from an over-all point of view.

Unsatisfactory (U) means that performance in a majority of important phases of the work did not meet job requirements.

Inspection

You are entitled to inspect your efficiency rating sheet (Standard Form 51), or a copy of it, upon request to your supervisor or personnel officer. You are also entitled to inspect the final ratings (not the rating forms) of all employees in your office or station.

Significance of Efficiency Ratings

An efficiency rating of "Good," "Very Good," or "Excellent" is necessary in order to receive a periodic within-grade salary advancement.

An efficiency rating of "Fair" requires a one-step salary reduction if an employee's pay rate is above the middle rate for his grade (the fourth step in six-rate grades).

An efficiency rating of "Unsatisfactory" requires that the employee be dismissed or reassigned to other work in which he could be reasonably expected to render satisfactory service.

Efficiency ratings are a factor in determining the order in which employees are affected by reduction in force.

Appeals

If you believe your rating is wrong, you should first discuss it with your supervisor or personnel officer. You have the right, if your position is subject to the Classification Act, to appeal your rating within certain time limits to a board of review established for your agency. Appeals or requests for additional information concerning appeals should be addressed to the Chairman, Board of Review, care of Civil Service Commission, Washington 25, D. C.

Recommendation for Honor or Merit Award
William V. Broe, Distinguished Intelligence Medal

After an active and successful career as a Special Agent in the FBI, Mr. Broe entered the Agency in June 1948 and was assigned as the Southeast Asia Branch Chief in the Far East Division. His ability to make decisions, work effectively with both supervisors and subordinates, plus his dependability, initiative and attention to the broader aspects of his work were soon noted and have continued to characterize his long and productive career in the CIA.

In recognition of his long range potential, Mr. Broe was assigned to Manila in 1951 as the Chief of Station. In 1953 he was transferred to the important post of Deputy Chief of the China Mission in Japan. Here his leadership qualities were fully demonstrated. His skill in directing an imaginative, aggressive, operational program, while at the same time tempering his actions with mature judgment and smooth management talent, marked him as an officer who could assume even greater responsibilities. At this time his outstanding strength of dealing with people became clearly evident. Mr. Broe was assigned to the Chief of the China Branch in FE Headquarters in 1955. He successfully managed the large, complex branch with a high degree of skill. His enthusiasm for his work was an example for his subordinates.

His superior performance of duty was recognized with his being named the Deputy Chief of the FE Division in 1958. The late Desmond FitzGerald in evaluating Mr. Broe's performance of duty in this position, made the following comments which subsequent supervisors continued to agree with:

> "Mr. Broe is an unusually strong supervisor. His flair for warm but impartial relationships with subordinates has enabled him to develop a first hand understanding of the capabilities, shortcomings and problems of a very large proportion of all FE Division personnel. His direction does not lack firmness but is expressed in such a way that feelings are considered and best results are achieved."

Mr. Broe then was assigned in successive and successful tours of duty as Chief of Station, Tokyo, Chief of the Western Hemisphere Division and finally as the Inspector General of CIA.

In those diverse assignments, Mr. Broe proved to be a valuable advisor and consultant to top policy makers of the United States Government as well as colleague of foreign governments, including Japanese, British and important Latin American government leaders. His handling of one crisis situation after another whether it was in the Far East, Latin America or in Washington, won Mr. Broe the fullest respect for his wise judgment and effective solutions which resulted for the overall benefit of the US Government. During this time, Mr. Broe continued to display his superior understanding of human relations for those working for him, resulting in a high morale for those associated with him and his missions.

In January 1972, Mr. Broe was promoted to the position of Inspector General, a post which recognized and made the fullest use of his wise and enlightened knowledge of the human side of this organization's affairs.

Based on his 26 years of a professional life which has made singular contributions to the national security and on his unique leadership, it is only fitting that upon his retirement Mr. Broe be recognized with the award of the Distinguished Intelligence Medal.

1. I wish to commend and make a matter of record the outstanding support and guidance rendered to this organization by Mr. William V. Broe, Special Assistant to the Ambassador, Tokyo, Japan, from the period of July 1963 to date.

2. Mr. Broe's efforts in support of this organization were exemplary. He gave freely of himself and of the resources at his disposal. In those instances where we were contemplating a new approach to obtaining aerospace data of priority national interest Mr. Broe provided for briefings by his specialists in the denied areas under consideration. His every approach was intended to intelligently present the information available concerning the difficulties to be encountered and rewards to be expected. He always left the United States Air Force personnel concerned secure in the knowledge that he fully supported any promising attempt to acquire data of national interest and that he did all in his power to expedite the acquisition of these data. This resulted in a most favorable operating milieu.

3. In all of our dealings with Mr. Broe, we found him to be friendly, highly objective, unswerving in his demands for professionalism, and a person of honor and integrity. We liked, trusted and respected him. Mr. Broe's demonstrated professionalism and ability to advise, stimulate and coordinate the efforts of the many diverse elements engaged in collection of information reflected favorably upon him and the Intelligence Community of the United States.

Supplement to Staff Employee Personnel

Action for Integration of William V. Broe

Effective 27 April 1961

The purpose of this memorandum is to call your attention to existing policies which are particularly material to you while you are integrated and to set forth certain rights and obligations which are incident to your status as an appointed employee. It is hereby agreed and understood that:

1. As an employee of this organization, at the present grade and salary of GS-16 $15,515 per annum, you will accept cover employment with another instrumentality of the Government (hereinafter referred to as "your cover facility") effective as of 27 April 1961. You will, insofar as consistent with your basic responsibility to this organization, abide by all the rules, regulations, practices and policies of your cover facility, in order to appear as a conventional member of that establishment. Your appointment to your cover facility is being effected at FSR-2 and salary of $15,255 per annum. You are prohibited, except as specifically authorized herein, from retaining emoluments paid by your cover facility.

2. It is understood and agreed that the minimum period of your overseas tour of duty is governed by and coincident with the prescribed tour of duty of your cover organization. Currently, your prescribed tour consists of a period of twenty four months from the date of your arrival at your overseas post of duty. Your assignment may be terminated earlier for the convenience of this organization and the length of your tour of duty, as currently specified, may be unilaterally changed by this organization in order to conform with subsequent changes in the prescribed tour of your cover facility. If you request termination of your overseas assignment solely for your own convenience, unless it is for circumstances that are considered by this organization to be beyond your control or if you are terminated for cause under the regulations of this organization before you have completed the minimum period of service prescribed above from the date of arrival at your overseas post of duty, you will not be entitled to return travel or transportation for yourself or your dependents to the United States at Government expense. If you request termination of your overseas assignment solely for your own convenience, unless it is for circumstances that are considered by this organization to be beyond your control or if you are terminated for cause under the regulations of this organization before you have completed one (1) year of service from the date of your arrival at your overseas post of duty, you will be required to reimburse the Government for all of its expenses for your travel and transportation, and that of your dependents, from the continental United States to such overseas post of duty.

3. Travel to your post of duty overseas and your return travel to the United States, as well as travel performed overseas which is consistent with your cover designation, will normally be at the direction of your cover facility. Such travel will be accomplished in conformance with applicable regulations of your cover facility except when you are directed for operational reasons to perform travel in accordance with the regulations of this organization.

4. Salary and (except as provided in paragraph three (3) above) allowances paid by your cover facility shall be retained by you to the extent that they are less than or equal to the salary and allowance payments due on the basis of your grade level with this organization. If such cover payments are less than the amount due, the difference will be credited to your payroll account with this organization. If such cover payments exceed the amount due, the overage will be remitted to this organization at designated intervals, presently_____. Computations hereunder will be made on the basis of the aggregate gross due and received provided, however, that in computing remittances for overage Federal and, if applicable, District of Columbia income taxes withheld by your cover facility against the overage may be deducted. To assure timely accuracy in your payroll account with this organization you are expected to immediately report cover facility payroll changes.

5. Your status as an employee of this organization will continue in full force and effect during your period of duty with your cover facility and you will continue to be entitled to all rights, benefits and emoluments of such status. Certain variations in procedure will be required, however, to preserve the security of your cover position.

a. Upon integration into your cover facility, you will continue to be covered by the provisions of the Civil Service Retirement Act, as amended, and at your personal expense you will be subject to payroll deductions for retirement purposes (now six and one-half per cent) on the basis of your cover salary or your salary from this organization, whichever is the greater.

b. If you receive taxable income from both your cover facility and this organization, necessary adjustments for Federal, and if applicable, District of Columbia income tax purposes will be made in conformance with instructions received from this organization.

c. Consistent with your cover activity, you will continue to be responsible for compliance with the rules and regulations of this organization.

d. You are not assured upon the completion of your period of duty with your cover facility of any status with your cover based on your services performed with that organization at the request of this organization.

e. A portion of your annual leave and all the sick leave which has accrued to your credit at the time of your integration shall be transferred to your cover facility. The remainder of your leave will be held by this organization in escrow pending the completion of your integration. If the sum of your accumulated annual leave with your cover facility and this organization exceeds the maximum accumulation entitlement afforded you under the regulations of this organization, the excess will be forfeited. If possible, such forfeiture will be accomplished by reducing the leave credit in your escrow account with this organization. While integrated, you will be permitted annual leave, sick leave, home leave, and leave without pay in accordance with the regulations of your cover facility in lieu of the leave benefits of this organization. Upon completion of your integration, your accrued annual and sick leave will be transferred to your credit with this organization. If security conditions require that your cover facility make a lumpsum payment for accrued annual leave, you will be required to pay the gross amount thereof to this organization including income taxes withheld by your cover facility.

6. You will be required to keep forever secret this agreement and all other information which you may obtain by reason hereof, unless you are released in writing by this organization from this obligation. Violation of such secrecy may subject you to criminal prosecution under the Espionage Laws, dated 25 June 1948, as amended, and other applicable laws and regulations. The termination of your employment with this organization will not release you from the obligation of any security oath you may be required to take.

AGREEMENT

AGREEMENT made this 20th day of February, 1951, effective the 21st day of February, 1951, by and between the United States of America (hereinafter referred to as the Government), as represented by the Central Intelligence Agency, and William Vincent Broe (hereinafter referred to as the Employee).

RECITALS

A. The Government desires the services of the Employee for CIA under circumstances requiring the Employee to receive a Foreign Service Staff Corps designation from the Department of State and proposes to send the Employee overseas to Manila, Republic of the Philippines for operations in the general area of _____.

B. The Employee desires as an employee of the Government to serve CIA abroad under the supervision and control of the Assistant Director for Special Operations, CIA, (ADSO) and is willing to accept a designation in the Foreign Service Staff Corps with the obligations thereof.

In consideration of the premises, the mutual covenants and promises herein contained, and for other good and valuable considerations, the parties hereto agree as follows:

ARTICLE I. Relationship of Employee to the Department of State. The Employee, in so far as possible, shall abide by all the rules, regulations, and customs of the Foreign Service of the United States which affect personnel of the Foreign Service Staff Corps in order to appear as a normal member of the Foreign Service establishment.

1. The Employee shall rigidly comply with the provisions of Title X, Part A of the Foreign Service Act of 1946, prohibiting officers and employees of the Foreign Service from:

(a) Wearing uniforms;
(b) Accepting presents from foreign governments;
(c) Engaging in business abroad;
(d) Correspondence on affairs of foreign governments;
(e) Political, racial, religious, or color discrimination.

2. The Chief of the Foreign Service establishment and certain other key members of his staff will know about the Employee's status and relationship under the terms of the TOP SECRET agreement between the Department of State and CIA. Other personnel may discover that there are certain irregularities in travel orders, position numbers, pay accounts, and other internal administrative procedures of the Foreign Service. Nevertheless, the Employee shall not divulge his relationship to CIA except with the expressed approval of the ADSO. While serving abroad, he shall for normal administration be under the control of the Chief of the Foreign Service establishment to which he is attached, but for operations, including travel as specified below, he shall be under the control of CIA.

SECRET

3. The travel of the Employee shall be governed as follows:

(a) For temporary duty outside the continental limits of the United States within or beyond the Employee's stipulated area, he shall perform CIA operational travel as directed by the ADSO or his designee with the consent of the Chiefs of the Foreign Service establishment involved. TD travel customary and necessary in the performance of routine Foreign Service Staff functions may be performed without clearance from the ADSO.

(b) For any travel to the United States, either temporary duty or permanent change of station, the Employee shall travel only at the direction of the ADSO after clearance has been arranged through the State Department in Washington.

(c) All travel will be directed and performed in accordance with Foreign Service rules and regulations.

4. Although the Employee's Foreign Service Staff Corps title, location, appointment, Foreign Service class, and other pertinent information may be published in the Foreign Service list and other publications of the Department of State, such listings shall not affect his employment and the obligations and duties stipulated in this contract.

5. All payments to be made under this contract, including reimbursement for travel expenses, shall be made to the Employee by the Department of State except payments referred to in ARTICLE II, Section 4.

ARTICLE II. Relationship of Employee to CIA. Although for all intents and purposes it will appear as though the Employee is employed by the Department of State as indicated in ARTICLE I above, he shall in fact be employed by and under the operational control of CIA. In so far as possible, he will be expected to abide by the rules, regulations, customary practices, and courtesies of the Foreign Service, but his ultimate responsibility will be to CIA. In the event of any conflict of authority in the field between the Department of State and CIA, the matter shall be referred to the ADSO for resolution.

1. The line of authority for the Employee shall be as follows:

(a) Senior Representative of OSO at Foreign Service establishment.
(b) OSO Foreign Branch Chief in Washington.
(c) Chief of Operations, OSO.
(d) ADSO
(e) Director of CIA.

2. All travel shall be directed by the ADSO in accordance with ARTICLE I, Section 3. The Employee shall request appropriate Foreign Service clearance for travel through the Senior OSO Representative at the Foreign Service establishment, who shall be responsible for arranging such clearance.

3. It is understood and agreed that the Employee's overseas assignment is to be for a minimum period of two years from the date of his arrival at his overseas post of duty, unless terminated by the Government for its convenience. If the assignment is terminated in less than twenty-four months at the Employee's request, the following shall prevail:

(a) If the Employee returns in less than twelve months from the date of his arrival at his overseas post of duty, he shall reimburse CIA for all travel expenses incurred in the transportation of himself, his immediate family, household goods, and personal effects to the foreign station, and pay all such expenses for return to the United States. Such expenses for return to the United States and amounts expended by the Government on account of such travel and transportation shall be considered a debt due by the Employee to the United States.

(b) If the Employee desires to terminate between the twelfth and twenty-fourth month from the date of his arrival at his overseas post of duty, he shall pay all expenses for the travel and transportation of himself, his immediate family, household goods, and personal effects to the United States.

4. If deemed necessary by CIA, the Employee may be reimbursed or advanced funds for operational expenses. Such accounts must be advanced or reimbursement made in accordance with CIA regulations, which require a full accounting of the amounts expended by the Employee. Therefore, the Employee will be required to account fully for any such funds advanced or reimbursed in accordance with CIA regulations.

ARTICLE III. Overseas Allowances and Transportation Expenses. When specifically authorized by the ADSO, the expenses of travel and transportation of the Employee, his immediate family, household goods and effects, including personally owned automobile and other allowances, will be paid the Employee in accordance with the Foreign Service Act of 1946 and regulations issued thereunder by the Department of State. When authorized by the ADSO, the Employee shall be paid a quarters allowance, cost of living allowance, or special foreign living allowance in accordance with the Foreign Service Act of 1946 and regulations issued thereunder. The amount of quarters and cost of living allowances and the special foreign living allowance is set forth in Bureau of the Budget Circular A-8, which is amended periodically to reflect adjustments in [illegible]

ARTICLE IV. Annual and Sick Leave. The employee shall be granted annual leave, sick leave, and leave of absence in accordance with Title IV, Part B of the Foreign Service Act of 1946. Under such Act, the Employee may be granted not to exceed thirty calendar days annual leave of absence with pay in each year. Annual leave which the Employee may receive and which is not used in any one year shall be accumulated for succeeding years until it totals 180 days. Sick leave with pay may be granted to the Employee at the rate of fifteen calendar days each calendar year and may be accumulated for succeeding years until it totals 90 days.

2. If the employee is transferred from another Government agency to this position, any annual or sick leave standing to his credit in such agency, may be transferred, if so requested, in accordance with E. O. [illegible], 22 March 1947 issued pursuant to Section [illegible] of the Foreign Service Act of 1946.
