My office was moved into the JMWAVE Station at that time, but I remained under commercial cover and my duties continued to be the same.

Dear Gray,

We have received a call from Training about a tape recorder which they believe you still may have - a small cassette type which was issued to you while you were in language training.

If you still have the recorder, would you please ship it to Betty Weyland at the above address. If you turned it in, would you let me know when and where so I can pass on the information to Training?

Hope you are enjoying life and lots of sunshine.

1. Mr. Lynch called to advise that he was still in the local area and ask if he could pick up his annuity check and change his forwarding address and banking instructions, as he was no longer going to go to Tampa, Florida. He said he was buying part interest in a boat and had rented an apartment in Key West, Florida and would be living and working there. In this respect he wanted to know if he should not have a change in his cover status from "open" to "under cover" because of his "new" location.

Mr. Lynch telephoned today and advised that he did not want his termination bonus to be held for payment in Calendar Year 1972 as agreed upon, but would like to have it paid at the time of his retirement. I pointed out that this would result in a good tax bite, but Mr. Gray stated that he would need the money at the time of retirement and would just have to sustain the additional tax.

Mr. Lynch also asked if he could obtain an advance on his salary of about \$500 as his salary checks were mailed to a bank in Florida and he had exhausted his supply of ~~xxx~~ checks because he had thought he would have left the area by now. He was advised that this could be done but that it would take a memo from him to the Director of Finance. He stated that he would come to the office on 16 July to prepare the memo. He should be sent to G/SCD/DAF to initiate the memo and the action to obtain the advance on his salary.

MEMORANDUM FOR RUENGL

SUBJECT: Mr. Graydon L. Lynch

As of 29 May 1971 Mr Lynch was accredited with the following leave balances:

Annual Leave	- 376 hours
Sick Leave	- 340 hours

If Mr. Lynch's application for CIARDS and his application for Disability Retirement under CIARDS were all processed and awaiting approval, he could go on sick leave as of close of business 2 July to exhaust all sick leave and then all excess annual leave prior to retirement. He would retire under those circumstances, if approved as of GOB 6 October 1971. (This date was computed by payroll based on the following assumptions; 1). He would take no leave between now and 2 July, 2). He earned 26 days leave per year, 3). He had a leave ceiling of 360 hours.

Harold D. Aldridge

Mr. Lynch will not be permitted to process all the paperwork for his pending retirement and then depart the area. Retirement Operations Division/OP will not accept his application for CIARDS retirement until he has actually been accepted into CIARDS, nor will they initiate a request to the GCS for a medical survey until an application has been submitted for Disability retirement, nor will they submit a request for medical survey under Civil Service and then convert to CIARDS. Concurrently, GCS will not review their requirements on Mr. Lynch prior to receiving a request from ROD/OP. Since neither Retirement Ops Div/OP nor GCS will take action pending resolution of Mr. Lynch's participation in CIARDS I advised him we would be unable to hit the 2 July target date for him to commence his leave in preparation for retirement. He ~~was~~ stated that

this was all right with him. Therefore, I am scheduling the following procedure:

As of 25 June 1971, Mr. Lynch's latest application for participation in CHSIC, Form 3100 and Service Agreement accompanied by AG/SCD's recommendation was hand carried to CGIC for board action. AG/SCD also added a note on the routing sheet requesting that the report receive every consideration on an expedite basis.

When the above application is approved, Mr. Lynch should be scheduled for a retirement interview with Mr. Paul Seidel to make application for Disability Retirement and be scheduled for any physical examination or medical interview required.

Following the above, Mr. Lynch could commence his leave and proceed to Florida pending the outcome of his application for Disability Retirement. When approved he would continue to utilize his sick leave and excess annual leave until it was expired. The retirement would then become effective.

In an interview with Mr. Lynch on 15 June 1971, the AG/SCD/SC and the AG/SCD/Per discussed the possibility of obtaining a Termination Bonus in the amount of \$10,000 payable on retirement with Mr. Lynch. This was because of Mr. Lynch's unique situation regarding his service and career with the Agency. It was pointed out that this was definitely not the normal ~~proceduratur~~ procedure, but was based purely on Mr. Gray's status as a Career Agent and the unusual aspects of his termination. It was agreed that although Mr. Gray would become eligible for this bonus, if we were able to get it approved, as of the date of his retirement, we would not make payment until ~~about~~ Calendar Year 1972 in order to give Mr. Gray benefit of the tax break resulting from the delayed payment. Mr. Gray agreed to all of the above provisions without qualification.

Mr. Gray was instructed to maintain constant contact with Christine Branch —at least check with them twice a day to ascertain if there were messages or requirements for his presence or appointments scheduled for him. He agreed to this as he does not have a phone at home and there is no other positive means to contact him. SCB/Personnel is to leave any message necessary for him with the Secretary/Christine Branch for delivery. (If no other contact possible, try inferentially through Jerry Kohl.)

MEMORANDUM FOR THE RECORD

Subject: Mr. Grayston Lynch

It was determined that no action would be taken on this case until after the first of the year (1971) at which time Mr. Lynch will be advised by C/SOD/Personnel that he will be made available for a suitable operational assignment, most likely overseas, unless he opts to apply for disability retirement.

If Mr. Lynch opts to apply for disability retirement he will be continued in his present assignment pending approval of his retirement.

If Mr. Lynch chooses to be shopped for a field assignment, SOD will initiate action to locate such a position. When found, Mr. Lynch will be processed for the assignment. Should he fail to be medically approved, action will be taken to obtain his retirement for medical reasons. Should an assignment not be forthcoming by April 1971, a medical disposition for overseas planning purposes (General) will be requested.

The purpose of the above scheduled action is to either find a suitable assignment for Mr. Lynch or to effect his disability retirement on either a voluntary or involuntary basis.

MEMORANDUM FOR: C/WH/B&F

SUBJECT : Federal Income Taxes  
Irving G. DEVUONO (P), Contract Employee

1. During his recent visit to Headquarters, DEVUONO raised questions concerning his Federal income tax returns and interest allegedly due for income received during calendar year 1962. He stated he had filed **covert** returns for 1961 and 1963 and that he would file a **covert** return for 1964. He had previously been advised that he owed interest on his 1962 income in the amount of \$165.54. He stated that this was not correct as the verbal instructions given him by Mr. Robert Bladergroen of OGC were followed by him when he filed his 1962 **covert** return. According to DEVUONO, Bladergroen discussed tax matters with him during a visit to JMWAVE sometime in April 1963.

2. As I was not previously acquainted with the facts in DEVUONO's case, I did not attempt to judge it nor to promise him that it could be resolved to his satisfaction. I did, however, inform him we would investigate the matter and would officially advise the Station of the decision. Therefore, please initiate appropriate action with the **covert** tax people and the Office of General Counsel (Mr. Bladergroen) to set this matter at rest. Informally, Bladergroen informs me that he recalls his conversations with DEVUONO and that DEVUONO either did not understand his instructions or chose to disregard them. I believe Mrs. O'Leary and at least one other member of her staff with whom DEVUONO consulted during his visit can assist in resolving this matter. I do not find any correspondence in his Personnel Folder other than a copy of a cable, IN 57726, dated 12 June 1963, bearing on this Subject.

MEMORANDUM TO: Chief of Station, JMWAVE

FROM : Chief, Finance, JMWAVE  
SUBJECT : Tax Problem of Irving G. DEVUONO

While on TDY at Headquarters, the writer conferred with the Head of the Covert Tax Unit on the subject problem. The writer was informed that the Covert Tax Unit is not able to accept and forward a Covert return for the year 1962 for the subject individual since a Form 1099 had been issued. It was further stated that the Internal Revenue Service, while performing a service last year (tax year 1961) of this nature, would not under any circumstances permit a person and/or persons receiving a Form 1099 or K-2 to file a Covert Return for such reported income. Therefore, it appears all avenues of escape for Irving G. DEVUONO have been closed and he should file an amended return for Tax Year 1962 to include the KUBARK income reported on Form 1099.

SUBJECT : INCOME TAX

I was sent to this Station in Aug 61 and was given a **cover** briefing at Headquarters before I left in which I was told that since I was paying into a retirement fund of this organization that they would no longer withhold Social Security from my pay. In late 61 I was notified that they were refunding to me all money withheld for income tax up to that time and that I would have to file on the inside and to start withholding my own taxes. This was done and I was told by this station to file the **cover** return with them and to file an **overt** return on my Army retirement pay. This I did for the year 1961. I was also told by BUS the tax man to file this years return the same way. I made my own tax withholding during 1962 and have the money to cover the taxes, but now I am told that because someone made a mistake and mailed both me and the IRS a form 1099 on my 1962 pay that now I must file an **overt** return. This now will cause me to pay \$225.00 selfemployment tax ~~and~~ will make me liable to a 6% penalty for not filing an estimated return quarterly. Since I would not have had to pay these extra taxes if the mistake in mailing the form 1099 had not been made and since I did everything in this matter that the station wanted me to do I do not feel that this extra cost should be <sup>request</sup> ~~borne~~ by me. I feel this is penalizing me for someone elses mistake. I ask that this matter be reconsidered and that I be informed as to how I should file my 1962 tax return and that I also be told how this years withholding is to be done.

MEMORANDUM FOR THE RECORD

SUBJECT: Transfer of Irving C. DEVUONO to the AMLILAC Group

1. On 15 March 1963 a meeting was held at Ace Cartography in order to advise both Irving G. CADICK and Irving C. DEVUONO as to the latter's transfer from the ANTABBY group to the AMLILAC group. In attendance at this meeting were Stanley R. ZANKA, CADICK, DEVUONO and the writer.

2. ZANKA initiated the discussion by stating that the 15th would be DEVUONO's last day with CUSOG and that he should take care of any accounts outstanding and complete processing out of CUSOG. DEVUONO was advised he would be contacted by WALTUCK later in the day in reference to his next assignment.

3. CADICK was then advised he should plan a caching operation during the month of April. The exact location, weight and contents of the cache would be passed to him the afternoon of the 15th. CADICK requested that a boat, the Squall King, with which a great deal of training had been accomplished be permitted to go on this caching operation. ZANKA agreed that security wise the use of an organic ANTABBY boat might be worthwhile. CADICK will include the use of the Squall King in the operational plan which he will submit this coming week.

4. This meeting broke up at 1130 hours, 15 March 1963.
