3/21/63 Notes re Hardway summary of M.C. tapes, transcripts, + cables. - transcription

SECRET

2. 1. transcriptions generally are summaries rather than verbatim.

0002451

2. "previously transcribed" materials are not in the materials that Hardway examined.

3. marginal notations are common

4. Spanish transcripts are of poor quality. - Why would there even be any Spanish transcripts.

5. transcripts for 9/15 + 9/16/63 are missing. Holmes' explanation is that [intercept] activity ~~was~~ may have been shut down on weekends.

translated from Spanish transcription

6. 9/27/63

1. M.O. seeking visa to Odessa

2. same person calls back at 10:37 a.m.

3. another call 1:25

LHO 4:05 pm 4. Duran to Soviet emb. - conversation in Spanish re LHO, who was then at Cuban emb. - apparent that LHO had been at emb. earlier

LHO 4:26 pm 5. Sov. emb → Duran re LHO; (LHO still at emb)

Win Scott says to id person LHO; much underlined in red; (1)

7. 9/28/63

LHO 6. Duran → Sov. emb; LHO talks to S.O. (LHO to go to Sov. emb)

8. 10/1/63

apparent that LHO had been at Sov. emb

?

1. 10:31 a.m. - possibly LHO calling for info re teleg. from Wash. ^{concern} _{mi' affairs}

LHO 2. 10:45 - LHO to guard in reference to teleg. - LHO identifies himself [previously transcribed]

9. 10/3/63

SECRET

0002452 - call to Sov emb re visa
[Previously transcribed]

10. 10/1/63 #6344 re Phillips
10/3/63 6344 - missing - Obtain
DIR 72527 - re Phillips

11. Correct dates of photo 10/1 + 10/4 or 10/2 + 10/4.

12. 10/8/63 cable 6453 MCS → HQ
repts LHO visit.

absence of routing slip on cable

Accused
Base
1/10/63

10/10/63 DIR 74830 → MCS re background on
LHO + interviewed MCS - re LHO + passing
info to 3d agencies locally.

10/10/63 DIR dissemination - cable contained
erroneous description.

13. What was [Scott's] suggestion or
comment?

14. Scott's suggestion of a P file on
LHO.

15. 10/10/63 - HQ dissemination ^{to other agencies} re LHO
#74673

16. 10/15/63 MCS 6534 requesting pouches
photo of LHO
- No response to this cable.
Obtain

17. 10/16/63 Scott memo to ^{Manu} East re
LHO; no mention of visa aspect.

18. ~~Obtain~~ P file - all data re LHO

[Lee Corbett]

Virginia Jones.

basis for opening

1. operational interest -

a. recruitment (access) (trace)

b. Tracking

c. CIS (threat)

generally - amassed material
 in indexes brought together
 into 201. - actual process
 of opening only takes an
 hour or so.

* When MC report came in in
 10/9 there was a response -
~~was~~ is there a document re
 this trace?

opened by:

A. case officer.

Mick scenario - judgement
 call by officer - there may
 not be a 201 opened even
 though a reliable source
 suggest counter - intelligence
 threat type problem.

most 201's are on people
 who are being considered
 for recruitment.

SECRET

COO2457

MH: ~ necessarily open 201
but would go into an index.
Info would be disseminated.

There are criteria for opening
high level commies. } Handbook
recruits. }
usually opened by operations
(desk) officer.

RESEARCH

↓ 2 days?

desk (decision)

There are ops run from HQ
in which case the CO is the
desk officer.

the 201 is indigenous to DDO.

PRQ part I - ^{Required for clearance.} automatic 201.
Part II - extended @ assessments,
detail. Background analysis,
operational projections.
OS has no need for Part II.
which is kept in 201.

Age essentially correct ^{RULE} an
bifurcated files. - central
card reference between them.
Index check should lead to
both.

201 - TRUE NAME - PRQ I +
REFERENCE to second.
separate file PRQ II

MAINLY
IN FIELD.

201 mainly bio - try hard
not to run operations out
of 201's.

reason for opening ~
necessarily in it.
would be a reference to a
cable or document.

201 assigned chronologically
as the name comes in.

would have his picture if
he one could be gotten - not
required. - would go right in.

there should be a table of
contents list on a 201 -
computerized.

green list - info on subject
compiled as a result of
signal/communications
intelligence.

State cover can go from
"fig leaf" to fully integrated.

project files - Policy Coordi-
nation Staff - coord. @
other agencies - may also be
a project file on desk if
serious agency involvement

graphics file. - do obtain a
great deal of photos of things
like ships. - DOI if positive

SECRET

0002459

intelligence value + may
be disseminated.
might be photos of individuals
of prominence.
graphics file not in DDO
biographies registry in DDI
OCR - Office of Central Reference

PxL - ^{part of} compartmentation system
referred to cable traffic
opened by one of top 3
officers in DDO.

crypt can't be assigned ~~as~~
a 201.

if got into a debriefing
of handling a defector to
us then that is automatic
criteria for opening.
A report of fact of defection
alone wouldn't be enough.
