MEMORANDUM FOR THE RECORD

SUBJECT: Possible resettlement of SR/DOB Pedsox Agent.
REFERENCE: SR/DOB/60-2011, 25 July 1960

1. As a result of referenced memorandum and in line with conversations held between the undersigned and various members of SR/DOB, the undersigned met with Mr. Gross, president of the Gillette Razor Blade Company in the Company's offices in Boston on 15 September 1960. It was explained to Mr. Gross that the Agency had a resettlement problem and that they wished to invite the cooperation of the Company in the resettlement in Mexico City of an asset for whom we wished to find employment.
2. Mr. Gross, after posing several questions, agreed in principle that the company would be willing to supply such agent with employment in their Mexico City factory. However, he wished to discuss it with the General Counsel and also to look into the laws of Mexico dealing with the period of employment and what provisions there were for disassociating themselves with such man should he prove completely unsatisfactory. It was then explained to Mr. Gross that the Agency would like to be able to supply the agent with a reasonable facsimile of a Gillette Letterhead together with a message which would offer him employment upon his arrival in Mexico City. Again Mr. Gross approved of it in principle, but requested that a copy of the letter be shown him prior to its dispatch.
3. Upon return to headquarters, the undersigned talked with Mr. Fred Kirkpatrick of SR/DOB and explained to him what was needed to satisfy the requests of Mr. Gross. Mr. Kirkpatrick explained that within the last 48 hours a different division had evidenced interest in the agent and were picking him up for their use so that there would be no further need of the offer of employment from Gillette.
4. The undersigned will see Mr. Gross on 21 September 1960 to explain the situation and thank him for his offer of cooperation.
