Chief, Task Force 1

Chief of Police, JMWAVE

Operation 17. YKOF/AINUSK

ST. PAUL, MINN., FEB. 10, 1900.

ACTION RECOMMENDED: None; FYI

1. Subject was removed from CAC on 3 September 1950 and taken to a safe site where he was detained for four years. The purpose of the detaining was to ascertain the subject's relation with Cuba and determining if he had any relationship with the CIA or any other security organization.

2. During the course of the debriefing the subject appeared to be willing to cooperate and there were no indications of an attempt at deception. However, it is felt that the subject is a sharp operator, an opportunist and an individual motivated by his wife. He is very verbose, loud and attempts to hold the floor at all times.

2. CRELLANA claims that he had no relationship with the Cuban G-2, that he knew Fausto VALDERRAMA, Chief of the G-2, Manuel PINCIPO, Deputy Chief of the G-2, but that he never conducted any business with them. He stated that he knew several agents by sight but never knew their names. He is of the opinion that all members of the G-2 are Communists and individuals of very low caliber.

4. Subject was granted asylum in the Ukrainian P.R. on 06.06.1992.
