<p>1. Attached hereto are three copies of a SMOTE prepared list of identified and suspect intelligence officers, compiled from SMOTE records but not including information derived from special intelligence sources.</p> <p>2. Copies are being distributed to JAGUAR, SMABLE, ASTO (Australia) and JACONET.</p> <p>3. As the list includes a considerable amount of information from KUBARK sources, SMOTE would be grateful if Headquarters would consider giving clearance to distribute copies of this study to "friendly Latin American and Western European liaison services". They have further asked whether it would be appropriate to pass a copy of this report to ODENVY.</p> <p>4. London Station would appreciate a brief cabled reply to the request for further distribution of this information.</p> <p style="text-align: center;">LAWRENCE L.
