Mr. Tweedy. This is mostly discussion of ⁰⁴ ~~sanitization~~

Mr. Baron. The man you referred to was at this time an agent that was in contact with the Chief of Station?

Mr. Tweedy. I remember him very well. I could not possibly remember his name. I remember him very well; I met him later.

Mr. Baron. He proved to be a highly effective agent for the Station?

Mr. Tweedy. He was a very good intelligence agent, an excellent intelligence agent, for the simple reason that he was able to make contact with groups and media in the Congo which was very difficult for non-Africans to reach. He was, for a year or two, a first-class intelligence source basically: not an action source, but an intelligence source.

Mr. Baron. When you read the sentence that is at the beginning of paragraph B on the first page where it says: "Concur this possibility worth watching, but if decided support for ⁰³ ~~TOPROP~~ objectives. Believe essential such be provided through third national channel with PBPRIE role completely concealed."

What are you referring to there?

Mr. Tweedy. I am not sure; I do not remember. I do not recall what the incoming cable said.

What I am obviously saying is ⁰⁴ ~~TOPROP~~ had, I guess, an

⁰⁵ ~~TOPROP~~ wife who was, at least had been, ⁰⁸ ~~TOPROP~~

⁰⁶ ~~TOPROP~~ I think what I was saying is, if we wanted to use

1 ⁰⁴ ~~Schotroff~~ directly in an assassination attempt, that I would
2 not dismiss it out of hand.

3 Mr. Baron. You would be concerned about its security?

4 Mr. Tweedy. Absolutely.

5 Mr. Baron. You then would say the phrase "YQPROP objec-
6 tives" would refer to an assassination attempt?

7 Mr. Tweedy. Yes.

8 Mr. Baron. That the assassination, discussion of an
9 assassination attempt, was being restricted to the YQPROP
10 channel?

11 Mr. Tweedy. Yes.

12 Mr. Baron. On the last page of this document --

13 Mr. Tweedy. The only thing that worries me about this
14 conclusion of mine is this, the more I read it, 2-B is another
15 paragraph, which may not have had anything to do with ⁰⁴ ~~Schotroff~~
16 at all and I do not feel, at least I cannot recollect, why
17 any leaks would almost certainly have included the ¹¹ ~~French~~
18 if ⁰⁴ ~~Schotroff~~ were involved in this. Thus, I am inclined to
19 feel I am talking about somebody else and not ⁰⁴ ~~Schotroff~~.

20 Mr. Baron. I will represent to you in other cable traffic,
21 I believe, which we will review as we proceed here, there was
22 discussion of the use of another...

23 Mr. Tweedy. This was probably the case. I do not think
24 this refers to ⁰⁴ ~~Schotroff~~. Here I do not think refers to

25 ⁰⁴ ~~Schotroff~~ I cannot recall --
