TO : Chief, SR

DATE: 5 February 1954

FROM : Chief of Mission, Trieste

INFO: Senior Representative, Rome

SUBJECT: GENERAL— MSI/INTEL

SPECIFIC— MSI Activities and Plans for 20 March 1954

REF: TRID 2669; STTA-3697, dated 14 January 1954

1. The following information was obtained from 530/C/309(5), dated 22 January 1954, a report of the Trieste Security Office (British Field Security Service) made available by CIGR. Source is PIERRE (evaluation is F). Date of information is 19 January 1954.
2. Riccardo GUTIER-CHARRICH presided at an MSI meeting held on Via Rionardo. Approximately thirty persons were present. GUTIER-CHARRICH told the students of "Giovane Italia" that it was inadvisable to demonstrate against the sentences imposed on students who participated in the November riots. Instead, he invited them to concentrate their efforts and attention on preparations for 20 March, promising that he would authorize student demonstrations on that date.
3. It is rumored that a new clandestine organization, composed of approximately 260 youths who are members of the MSI and other parties, is being formed under Bruno MARSETTI (SSO Contacts: Bruno MARSETTI is possibly identical with Salvatore MARSETTI.) This organization consists of action squads of twenty to twenty-five men, each squad being under one leader. MARSETTI was expected to return from Rome during the weekend of 23-24 January with arms and funds for this organization. In the opinion of source, these arms and funds are supplied by prominent fascists in Rome and Milan. Source stated that the organization is being formed with the knowledge of GUTIER-CHARRICH, although the latter attempts to evade any responsibility therefor.
4. The action squad leaders meet daily in different locations to discuss progress. At the present time they have no headquarters. Their principal task appears to be the formation of plans for demonstrations on 20 March. They state that 20 March will be their day of revenge against police. The following persons are leaders of action squads:

Constantino DE MURCO  
 Aurelio D'ALESSIO  
 Pasquale BIGNAIUTO  
 Grazio BOCCOLO  
 ✓ SANNA (fnu), brother of Emilio SANNA

5. The following data is from TDO/O/309(4), dated 19 January 1954. Source is **ATLSEN**. Date of information is 18 January 1954. The following MSI members met in the Buffet Gallopin, in Piazza Colonna:

Constantino DE MARCO  
Aurelio D'ALESSIO  
Pasquale BIGNARDI  
Orazio BOSCOLO (armed with pistol)  
SANTA (fno) (armed with pistol)  
Natalie ERA

Subjects discussed MARSETTI's trip to Rome. MARSETTI had left for Rome on 16 January, arriving on 15 January, and has telephoned Trieste that he would "bring back the goods." The meeting also discussed plans for demonstrations on 20 March. It was decided to use acid in small bottles in limited quantities against the police.

6. (Dr. **TEDESCO** (fno), manager of the Ridotto in the Rossetti Theater, keeps MSI arms stored there.
