7. Personnel involved in the tapping of the lines are:

⁰⁶
(Rene) - who has access to the [centrals]. He contacts the following men:

Two brothers

⁰⁶
(Jose) - does exchange connections.

8. The take from each basehouse is collected early in the morning before office hours by RAFANELLI. He only enters one basehouse which is occupied by an elderly couple. All other contacts are in automobiles made at different spots each day of the week. RAFANELLI then takes the material to a meeting between him, WILSTED and SECHEN where RAFANELLI turns the material over to SECHEN and they all discuss the problems and plans for the day.

9. According to WILSTED there is no live monitoring done by any of the basehouse keepers.

10. There follows a list of the basehouses and the lines covered at each base:
