SOURCE: Cuban national presently residing in the United States.

1. A Cuban exile, Julio V. Leal, residing at 4823 East 8th Court, Hialeah, Florida, claims to be the US Delegate of the "Cuban Government in Arms". He also claims that he received a copy of a proclamation prepared by members of the FIUR, in Cuba, and was authorized to release it to publicity sources. He provided me with a copy of the FIUR declaration. [See On File Material.]
2. On 25 Apr 63 Leal furnished me with a copy of a document, in Spanish, which showed the appointments to executive and cabinet posts of the Provisional Government of the Republic of Cuba in Arms. The names are:

3. I doubt that Leal has been designated as the US representative for FIUR, and do not believe that the documents he gave me originated in Cuba. I suspect that another group of exiled Cuban politicians wrote the document in the US, and are trying to get national publicity in order to get support. I have recently heard that Eloy Gutierrez Menoyo has been added to the list of Cabinet appointments. I doubt very much that Gutierrez and Ray would be fully accepted by the majority of Cubans in exile.
