(U) The above Code name has been assigned to  
(U) a Cuban alien whose activities are being directed  
against a Cuban intelligence service. He was request-  
ed by his Cuban principal to obtain information relat-  
ing to anti-Castro activities in the United States.

Through his contacts with anti-Castro  
individuals in Miami, the following information was  
obtained:

A meeting of anti-Castro leaders was held  
recently at the home of Palayo Garcia. Manuel  
Fernandez, former Secretary of Labor in Cuba,  
acted as chairman, and the meeting was attended  
by former Castro officials, such as Manuel Urrutia,  
Manuel Ray, Felipe Negro, Raul Chibas, Raul Lopez  
Fresquet, Danilo Mesa, Elena Monteros, and Efraim  
Gonzalez.

At the meeting, Fernandez suggested that  
a committee be formed and efforts made to have  
the committee travel to Cuba for a conference  
with Cuban officials, in order to discuss the  
release of political prisoners. It was believed  
that the discussion concerning political prisoners  
could be expanded to include a discussion of  
differences between Cuba and the United States.  
Those in attendance agreed that such a discussion  
would be timely, inasmuch as it appears that Fidel  
Castro is not completely satisfied with Cuba's  
relations with the Soviet Union. If the discus-  
sion of the relations between Cuba and the United  
States should prove productive, such information
