SOTO (VAZQUEZ), Antonio  
#42 369

15 June 1965

On 14 June 1965, files of Headquarters, Office of Special Investigations, United States Air Force, were reviewed in the name of Antonio SOTO (VAZQUEZ), born 20 August 1934 at Marianas, Habana, Cuba, and reflected that OSI conducted a lie detector examination (File #72-90) on SUBJECT on 21 May 1963.

During the course of this examination, the **SUBJECT reacted to basic questions concerning homosexuality**, and as a result of this reaction, a re-examination was conducted during the morning of 12 June 1963 at Maxwell Air Force Base, Alabama. The initial examination was predicated in that SUBJECT was a former member of 2500th Cuban Brigade and was being processed for consideration for appointment as a Second Lieutenant in the United States Air Force.

Prior to re-examination, SUBJECT made an initial statement, the substance of which is as follows:

SUBJECT indicated he resided at 899 Second Avenue, 474, Santa Fe Beach, Santa, Cuba, from 1948 to 1959. He entered the Cuban Air Force as an Aviation Cadet in March 1953 and in August 1953, he began aviation training, which continued until August 1954. In August 1954, he was sent to the United States where he attended pilot training school until August 1955, at which time he graduated and was given a commission as a Second Lieutenant in the Cuban Air Force. During these periods of time, at various unrecalled intervals, SUBJECT stated he would return to his home at Santa Fe Beach. **His homosexual acts at Santa Fe Beach occurred during 1949.** This homosexual activity consisted of not more than five acts of **anal sodomy**. SUBJECT stated that he was the active **or male partner** in these acts. The **passive partner** was another Cuban boy who lived nearby. SUBJECT could not recall the name of the **passive** participant. During 1960, while at Managua, Nicaragua, as a Counter-Revolutionist preparing for invasion of Cuba, he became acquainted with a Cuban Catholic priest who was also a revolutionist. SUBJECT further stated that while attending a theatre, this priest **made homosexual advances toward SUBJECT**, which culminated in the SUBJECT being **castrated by the priest**. Approximately one week later, after his

#242 369

group arrived in Costa Rica, the SUBJECT performed an act of anal sodomy upon the person of the priest. The SUBJECT declined to disclose the identity of the priest; however, he stated that if it was determined that the disclosure of the name was essential for a prerequisite to his acceptance into the United States Air Force, he would make such a disclosure.

A lie detector examination, consisting of three parts, was given SUBJECT by a representative of the Office of Special Investigations on 12 June 1963. The second test was in the nature of a control test to determine whether or not the examinee was physically and mentally capable of giving a specific reaction. The results indicated that the examinee was capable of giving a valid reaction. Test number one and test number three consisted of relevant, irrelevant and guilt complex type questions, co-mingled in such a manner as to give the SUBJECT relief between relevant questions. The following are the relevant questions asked during the examination, and the answers as given by the SUBJECT:

## TEST #1

Question A:

Prior to 1961, did you engage in homosexual acts?

Answer:

Yes.

Question B:

Since your homosexual acts during 1960 in Costa Rica, have you engaged in any other homosexual acts?

Answer:

No.

Question C:

Since you have been at Maxwell Air Force Base, have you engaged in homosexual acts?

Answer:

No.

Question D:

Have you ever engaged in oral copulation, either as active or passive partner?

Answer:

No.

7242 369

TEST #3

Question A:	Prior to 1961, did you engage in homosexual acts?
Answer:	Yes.
Question B:	Since your homosexual acts during 1960 in Costa Rica, have you engaged in any other homosexual acts?
Answer:	No.
Question C:	Since you have been at Maxwell Air Force Base, have you engaged in homosexual acts?
Answer:	No.
Question D:	Since you have been at Maxwell Air Force Base, have there been any incidents involving homosexuality which you did not tell us about?
Answer:	No.
Question E:	At any time in the U.S., including the time you were going to flying training school, and later here at Maxwell Air Force Base, have you engaged in any homosexual activity?
Answer:	No.

After a careful analysis of the charts pertaining to this examination, the examiner gave the opinion that the SUBJECT was untruthful in his answers Questions B and C, Test #1, and Questions B, C, D and E, Test #2, and that SUBJECT was truthful in answers to Questions A and B, Test #1, and to Question A, Test #2.

Subsequent to the examination, the SUBJECT was re-interrogated concerning his reactions during the above tests. The SUBJECT maintained that he was truthful in his answers. The SUBJECT executed a sworn,

422 20

signed statement setting forth the information disclosed during the pre-test interrogation, and this information is given in substance above.

OEI Headquarter's files contain a letter dated 14 June 1963, which is a report of the Record of Action of the Military Personnel Security Committee in the case of SUBJECT. The body of this letter is given in the following two paragraphs:

- "1. Pursuant to paragraph 9, Air Force Regulation 35-62, the Military Personnel Security Committee reviewed all available records relating to the above member of the 2506th Cuban Brigade. Due to the following factors, it is concluded that appointment of the individual is not clearly consistent with the interests of national security:  
  
SUBJECT admitted homosexual activity to age twenty-six, and additional acts thereafter indicated by result of polygraph examination.
- "2. Accordingly, it is recommended that the individual be rejected for military service with the United States Air Force because of questionable moral character."

OEI Headquarter's Investigative Files contain no further pertinent information relating to SUBJECT.
