the letter intended for **PERRY's** father, advised the FBI that he, **GOZZI**, had attended Boston University during the period **PERRY** was studying under **HALPERIN**. **GOZZI** was of the opinion that the **HALPERIN-PERRY** relationship was more than just the professor-student type because **PERRY** saw **HALPERIN** during the evenings, but never told **GOZZI** what he discussed with **HALPERIN**.

**GOZZI** also advised that about June 1953, just before **PERRY's** departure for Rio de Janeiro, **PERRY** called **HALPERIN** on the telephone and at that time **HALPERIN** was under investigation. **PERRY** told **GOZZI** that **HALPERIN** was in a predicament, and that he, **PERRY**, felt sorry for him. Earlier **PERRY** had told **GOZZI** that **HALPERIN** had a lot of influence in Washington, and was going to get a job for **PERRY**.

According to the FBI, the **HALPERIN** mentioned above, appears to be identical with Maurice Ryan **HALPERIN**, former employee of OSS, who was identified in November 1945 by Elizabeth **SENTLEY** as having furnished information for transmittal to the Soviets.

**PERRY** recently contacted this Agency requesting permission to state that he had worked for the Agency in his application for employment with USIA. WH Division, to whom this request was forwarded, was advised that **PERRY** was not to disclose his past employment with this Agency. WH Division, in turn, informed Security of their desires that USIA be informed of **PERRY's** past connections with this Agency.

Security, on the basis of the above request by WH Division, contacted the appropriate person in USIA and advised them on a controlled basis of **PERRY's** former affiliation with this Agency.
