REF : Your memorandum dated 23 Nov 1959 - CD/CO Case 31785

1. As you were previously advised, Dun & Bradstreet had no available information on either of the subject concerned. However, a bank source of this office has provided the following preliminary information.

2. For background our source suggested that we refer to the New York Times, 31 August 1959 and the Daily American, Rome, 9-10 November 1958. One of the directors, also described as being in charge of administrative affairs, Enrico Randel Mantella, was recently in the US and expects to return to New York City about 17 Jan 1960.

3. The address of Perrinlex is Dufourstrasse 11, Basel (office transferred from Bern to Basel in 1956). They plan to open a New York City office in January 1960. Capital: One million French Francs. Officers: Dr. Ferenc Nagy, President; Fritz Schurch, Vice President; Dr. Ernst W. Infeld, Delegate; Dr. Ernst Felast; Dr. Ernst Hollender.

4. We will forward additional information as it becomes available. We are also trying to obtain information from the U.S. Chamber of Commerce and National Association of Manufacturers.

5. If you have any questions please contact Lillian I. Grant, extension 2268.

REF : Your memorandum dated 23 November 1959, CD/CO Case 31785

1. Attached for your retention is a brochure on subject organizations which was received by National Association of A-2443
Manufacturers about early November 1959.

2. NAW also suggested that additional information might be obtained from Lloyd McMahon, now Federal Judge of Southern District Court, New York City, who was formerly General Counsel for PERMEX, Ltd. If you wish our New York Office to pursue this lead, please let us know. S-67972

3. As we believe Mr. Crowley advised you, the Foreign Department of the U.S. Chamber of Commerce does not maintain records of individual foreign companies. C of C suggested that the World Trade Division, Dept. of Commerce might have some information which we presume you have already checked out.

4. Please advise William I. Grant, CD/CO, Support Branch, extension 2268, of further wishes concerning this subject.
