## Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, CI/OA

DATE: 3 JUL 1957

FROM : Deputy Director of Security (Investigations and Support)

SUBJECT: C-25507  
#112569*Crozier, Jose Luter*

1. Concurrent with this memorandum a covert security clearance is being issued to enable the Subject's conversion from contract agent to career agent for use as principal agent for Project AMPHOCARCH in Cuba under non-official cover.

2. This is to advise that information has been received from a confidential source of the Office of Security concerning Argentina CORDERO Calderon and her sister, Counsuelo, who are believed to be the Subject's wife and sister-in-law respectively. According to a December 1944 report, the above individuals were described as Costa Rican citizens then in Panama under suspicion and members of the Russian Ballet team of Pedro and Lidia CHUPRINE. Argentina is known to speak and understand German. She was formerly married to Pedro MARZAL, reportedly a German national and formerly on both British and U. S. Proclaimed List. She is reliably reported to have made pro-German remarks and is pro-German in her sympathies. It was further reported that both of the above individuals have at times attempted to secure information from members of the American Armed Forces.

3. In view of the above information, it is requested that **current overseas traces and investigation be conducted on the Subject as well as on his wife and sister-in-law, Counsuelo, and other members of his wife's immediate family and that the results thereof be furnished this office.**

4. The covert security clearance which is being issued in this case is made contingent upon the favorable results of the requested overseas traces and investigation.

1. From information made available to this office it appears that details concerning the exposure of the technical surveillance of Juan Bosch and subsequent arrests were not fully determined. It is believed probable that HUMANOID has been compromised with the Costa Rican authorities.

2. It is understood that, with the exception of the HUMANIST Project, HUMANOID is to continue inactive for an undetermined period. Any further contemplated use of HUMANOID should be coordinated with STC/SPB.

3. In view of his wife's and mother-in-law's Costa Rican background and apparent connections and associations with politically significant personalities, it is recommended HUMANOID discontinue using his home to reproduce material obtained in the HUMANIST Project.
