APPROPRIATE PERSON OR PERSONS IN RIA TO DISCUSS A COVER CASE. [ROSE] HAS ADVISED
THAT BOTH LEO CHERNE AND CARL HOWARD HAVE BEEN GIVEN COVERT OPERATIONAL
CLEARANCES. FOLLOWING IS THE BACKGROUND OF THIS CASE. THERE IS A MAN IN THE
NAME OF WILLIAM J. ACON, PRESENTLY WORKING FOR ECA IN WASHINGTON WHO IS GOING
TO RESIGN FROM ECA AND COME WITH CIA, AND WILL GO OVERSEAS FOR OPC. HE IS
GOING TO LEAVE ECA SOMETIME AROUND THE END OF THIS MONTH, AND MUST HAVE SOME
EXPLANATION AS TO THE REASON FOR HIS RESIGNATION. THEREFORE, OPC WISHES
TO SEEK TO LOCATE SOME FIRM WHICH WILL BE WILLING TO BACKSTOP ~~EXC~~ [ACON'S]
RESIGNATION, IN THE FORM OF SUPPOSEDLY HIRING ACON. [ACON] HAS BEEN A RESEARCH
ANALYST ON ECONOMIC AND FINANCIAL PROBLEMS IN ITALY, AND IT IS FELT THAT,
PERHAPS, EMPLOYMENT WITH RIA WOULD BE A LOGICAL ~~EXC~~ REASON TO
GIVE FOR RESIGNING FROM ECA. THE RIA COVER WILL NOT BE UTILIZED FOR [ACON'S]

MEMORANDUM FOR: THE RECORD

SUBJECT: Backstopping of Cover by the Research Institute
of America

1. Pursuant to conversations between Mr. [Redacted] and Mr. Engels of CIA/OPC and Mr. Travis of OO/Contacts, an appointment was made for Mr. [Redacted] to see Mr. Leo Cherne, Executive Secretary of the Research Institute of America, 292 Madison Avenue, New York City, to explore the willingness of Mr. Cherne to backstop the cover story of a proposed **agent in training**. The appointment was made, and kept, for Wednesday morning, 23 January 1952 in New York City in the presence of Mr. Clark of the New York branch of the Contacts Division.

2. The proposed story of the **agent** in question, who had been employed on the economic research side of ECA specializing in **Italy**, was that he wished to resign from ECA and take up an offer to be extended to him in civilian employment. Since the Research Institute of America seemed to fit in naturally with his background and activities in ECA, Mr. Cherne was asked:

a. If he would backstop the **agent's** story that he was quitting ECA to take employment with the Research Institute of America during his three months period of **training with CIA**, and

b. Whether he would in fact **employ the agent** and send him as a representative of the Institute to **Italy** at the conclusion of his period of training.

Mr. Cherne replied that unfortunately the latter was impossible inasmuch as his company did not send personnel overseas in any capacity. As regards the immediate backstopping of the **agent's** story, however, Mr. Cherne said that he would be happy to oblige for a period of training only, to wit, three months, after which other cover would have to be sought. Mr. Cherne requested that he be furnished at an early date with more complete information as to what was to be expected of him in his role as a backstop and further stated that he would like to meet the **agent** personally as soon as could be arranged. This has been communicated to Mr. Engels, the case officer, who will oblige at the earliest opportunity.

Appointment with William A. BARRON, John E. TOULMIN
and Leo CHERNE

Reference: CS-1512 and CS-1337

1. This will confirm Mr. Rose's verbal request that the Contact Division/OO ask its Boston field office to arrange appointments for Mr. [Edward Rose] of Cover Division, PLANS/OSO, to see Mr. [William A. Barron], Chairman of the Board, **Gillette Safety Razor** Company, and Mr. [John E. Toulmin], Senior Vice President of the **First National Bank of Boston**, at their convenience on Wednesday May 21, 1952. The purpose of the visit is to explore the willingness of these gentlemen to act as ostensible donors of funds to support a current operation.

2. This will also confirm Mr. [Rose's] request that the New York City field office of the Contact Division/OO arrange an appointment for Mr. [Rose] to see Mr. Leo Cherne, President of the Research Institute of America at Mr. Cherne's convenience on Thursday May 22, 1952. Mr. Cherne, who has for some time been backstopping the activities of an **agent** in this country, has apparently expressed willingness to provide **cover** for this **agent** abroad. The purpose of the interview is to discuss more fully Mr. Cherne's proposal. Cover Division would be happy to have an OO field office representative present to insure continuity.

3. As a result of the above requests, Mr. [Barron] found to his regret that he was unable to cooperate with the Agency at the present time. Mr. [Toulmin], on the other hand, was most cooperative. Mr. Cherne, unfortunately, was out of town. The New York field office has been asked to try to arrange a meeting with Mr. Cherne, as outlined above, for Wednesday afternoon, June 4, 1952.

2. Mr. Cherne, who is currently [Redacted] within the United States, had expressed the wish to be provided with some form of letter indicating that the Agency was requesting his cooperation, and the purpose of the interview was to inform Mr. Cherne that this was against Agency policy.

3. This information was accordingly conveyed by Mr. Clark and Mr. [Redacted] to Mr. Cherne who accepted it with good grace. In reply to a question by Mr. [Redacted] he indicated that this refusal would in no way mitigate his desire to be of service to the Agency.

MEMORANDUM TO FILE

INDIVIDUAL	DATE	ACTION
Fred Engel	26 Dec.	563 Engel came up at Rose's suggestions to discuss a need for cover. Engel has a man now working for ECA who is coming with OPC at the end of January. Engel desires an interim back-stop which the [redacted] man can give to ECA as a reason for his leaving ECA. Engel desires some organization which will be used as the new employer of the [redacted] man, and which will be willing to acknowledge, if necessary, that they have hired the man. OPC is working on a permanent cover to send the man to [redacted] Stally on a research program, but must await clearance on the outfit. Stally is believed to be the Historical Planning Association. Engel is submitting biographic data [redacted] on the ECA man so that the organization who will backstop the man will have full knowledge of the man [redacted] has assigned case # C101 to this case.
Rose	10 Jan	Rose brought biographic on Engel's man. Rose indicated he may want to go to NY to contact a firm re the cover. Tracy raised the question as to whether or not the NY field office could make preliminary inquiries. Rose will advise. He wants to see Research Sect. D advised.
	11 Feb	Close case
Holley	17 Mar	Holley requests that we make an appointment for Gers with Cheyne for 18 or 19 March. Gers [redacted] will appear alone without C/H representation.
Clarke (NY)	17 Mar	Clarke advises that [redacted] should call direct to Cheyne as the latter is expecting the call to come through that way. [redacted] can use Clark's name if necessary. Holley inquired but she doesn't like it. She will call but Clark will tell them and NY may expect all Clark advises them with his own name.

Office Memorandum • UNIT

TO : Chief, Contact Division, OO
FROM : Chief, Cover Division, PLANS/OSO
SUBJECT: Appointment with William A. BARRON,
and Leo CHERNE
Reference: CS-1512 and CS-1337

Case 4195 03
1. This will confirm Mr. [Redacted] verbal request that Contact Division/OO ask its Boston field office to arrange appointments for Mr. [Redacted] of Cover Division, PLANS/OSO to see Mr. William A. Barron, Chairman of the Board, [Redacted] Safety Razor Company, and Mr. John A. Toulmin, Senior Vice President of the First National Bank of Boston, at their convenience on Wednesday May 21, 1952. The purpose of the visit is to explore the willingness of these gentlemen to act as extensible donors of funds to support a current operation.

Call 1143 03
2. This will also confirm Mr. [Redacted] request that the New York City field office of the Contact Division/OO arrange an appointment for Mr. [Redacted] to see Mr. Leo Cherne, President of the Research Institute of America at Mr. Cherne's convenience on Thursday May 22, 1952. Mr. Cherne, who has for some time been backstopping the activities of [Redacted] in this country, has apparently expressed willingness to [Redacted] cover for this [Redacted] agent abroad. The purpose of the interview is to discuss more fully Mr. Cherne's proposal. Cover Division would be happy to have an OO field office representative present to insure continuity.

3. As a result of the above requests, Mr. [Redacted] found to his regret that he was unable to cooperate with the Agency at the present time. Mr. [Redacted] on the other hand, was most cooperative. Mr. Cherne, unfortunately, was out of town. The New York field office has been asked to try to arrange a meeting with Mr. Cherne, as outlined above, for Wednesday afternoon, June 4, 1952.
