U. S. SENATE SELECT COMMITTEE TO
 STUDY GOVERNMENTAL OPERATIONS WITH
 RESPECT TO INTELLIGENCE ACTIVITIES (SSC)

Reference is made to SSC requests contained in letter of Senator Frank Church dated November 7, 1975, for materials concerning Martin Luther King, Jr.

The purpose of this memorandum is to effect delivery to the SSC of information and materials in response to requests contained in the above SSC letter.

The attention of the SSC is invited to FBI memorandum dated November 11, 1975, which referred to a highly sensitive oral briefing furnished to Senator Church and selected members of the SSC Staff by FBI personnel on November 5, 1975. This briefing was intended, in part, to serve in lieu of any written information in response to SSC requests for communications documenting Stanley David Levison as a secret member of the Communist Party, USA (CPUSA).

Because of SSC insistence in requesting items to establish factual basis for Levison's secret CPUSA membership, as set forth in referenced SSC letter, our New York office was contacted for documents representing original recordings from Bureau informants concerning Levison. As a result our New York office provided the material which is now being delivered and which has served as a basis for statements in various FBI documents that Levison was a secret member of the CPUSA.

SENATE SELECT COMMITTEE ON INTELLIGENCE ACTIVITIES

It is noted that referenced SSC letter requested unexcised copies of the February 22, and June 12, 1962, communications from New York which appear to have been the "articulated predicates for the 'cominfil' case." The SSC letter did not identify captions of these communications; nor identify any specific "cominfil case." Therefore, we were unable to locate any pertinent documents bearing these dates in our Headquarters files. At a meeting on November 12, 1975, between SSC Staff Member Michael Epstein and representatives of the Intelligence Division of the FBI, it was agreed that the two documents apparently referred to above are New York airtel dated February 12, 1962, captioned "Dr. Martin Luther King, Jr.; SM-C" and New York letter dated August 21, 1962, captioned "Communist Infiltration of the Southern Christian Leadership Conference; IS-C."

New York airtel dated February 12, 1962, is being delivered with this memorandum among those documents received from our New York office. Excisions in this document are fewer than those made in a copy previously provided the SSC. A copy bearing no or fewer excisions cannot be provided the SSC for reasons made clear during the oral briefing of Senator Church and selected SSC Staff members on November 5, 1975.

It is noted that New York letter dated August 21, 1962, which is being delivered with this memorandum, is not believed to have been previously provided the SSC.

SENSITIVE SOURCE INTELLIGENCE OPERATION (SFIO)
 On 4/9/64, NY 694-S* made the following observations
 with regard to the CP status of STANLEY LEVISON:

LEVISON has been an important Party member for many years (and never at any time differed with the Party with respect to the Party line. His only difference with the Party has been with respect to the fact that in his opinion the Party was not sufficiently "militant" in defending Negro rights. In this respect, he has been to the "left" of the Party. LEVISON's differences with the Party are merely "tactical." He has never criticized the Party, except with respect to the Party's handling of the Negro question. The fact that he does not accept domination by the Party with regard to the MARTIN LUTHER KING movement should not be construed to mean that he has broken with the Party in all respects. The Party today is as anxious to reestablish friendly relations with LEVISON as it was in the past.)

(It should be noted that LEVISON never has been officially "drummed out" of the Party, nor has anyone ever criticized him for being opposed to the Party's general principles. It further should be noted that according to the CP Constitution, it would require formal expulsion of LEVISON to state that he is officially out of the Party.

LEVISON never has said anything reflecting that he does not continue to be a CP member. It should be noted that it would be in the interests of the MARTIN LUTHER KING movement, with which he is associated, if he would publicly repudiate the Party, which he has never done. It should be further noted that in an effort to renew friendly relations

(with LEVISON, the Party designated BEN DAVIS to contact LEVISON. LEVISON had always expressed the opinion that BEN DAVIS was the only CP functionary who had a sufficiently "militant attitude" as regards CP activities in behalf of the Negro movement. The fact that DAVIS and LEVISON as yet have not met should not be construed to mean that LEVISON has refused to confer with DAVIS. As NY 694-S* understands the situation, DAVIS has been awaiting contact by LEVISON, and LEVISON similarly has been awaiting contact by DAVIS. Each of these individuals is sufficiently egotistical to expect that the other would make the first move in an effort to establish contact. NY 694-S* believes that probably the reason why DAVIS and LEVISON have not met is that arrangements for their meeting were to be made by LEM HARRIS and that HARRIS has not made the proper efforts to effect a meeting between LEVISON and DAVIS.

SP10
NY 694-S* has never obtained any information reflecting that LEVISON has changed his thinking with regard to Marxism. Even though his present estrangement from the Party might be construed as reflecting he is no longer a CP member, there is no reason to come to the conclusion that LEVISON is no longer an ideological Communist.

JACK talked to LEM HARRIS yesterday who said he contacted STAN LEVENSON by phone and was given a cordial hello which was a change from the past when he was cool.

LEM said he had not seen LEVENSON, tried to call him and would like to see him immediately to which LEVENSON said, "I would like very much to see you but I don't have the time now. I'm leaving and packing for a trip. I will be glad to see you in six weeks."

LEVENSON implied that he was going to Ecuador but LEM doesn't know why. There was no anger shown, and LEVENSON will see LEM when he returns in six weeks.

(On 6/13/63, NY 694-S* furnished the following information to SA ALEXANDER C. BURLINSON:

On 6/12/63, LEMEN^E HARRIS, CPUSA Reserve Fund functionary, told NY 694-S* that in a recent meeting with STANLEY LEVISON, the latter furnished him the following information:

The LEVISONs, particularly STANLEY, are still MARTIN LUTHER KING's "brain trust"--now more than ever before. This is so despite the fact that at a meeting of STANLEY LEVISON, ROY LEVISON, HUNTER PITTS O'DELL, MARTIN LUTHER KING and "the Attorney General's chief assistant", the Attorney General's assistant, pointing to the LEVISONs and HUNTER PITTS O'DELL, stated to MARTIN LUTHER KING, "These men are Party members; watch out for them."

MARTIN LUTHER KING did not "bat an eyelash" upon hearing the Assistant Attorney General's remark, and after the latter left the meeting, those in the group smiled at each other. STANLEY LEVISON said to KING, at this time, "I congratulate you on the way you acted regarding his warning. You are a real Marxist-Leninist. This is how a true Marxist-Leninist acts."

Everything that KING does he first discusses with STANLEY LEVISON and he accepts LEVISON's advice wholeheartedly. KING also wholeheartedly accepts the advice of HUNTER PITTS O'DELL as regards matters within the latter's local jurisdiction.

MARTIN LUTHER KING was asked by a group of newspaper reporters whether he takes orders from "the Communists", and also, whether he took "orders from STANLEY LEVISON." KING's response was that he took orders only from God.

By reason of the fact that the LEVISONs feel that the Party has done little, if anything, to assist the fight)

(for civil rights for Negroes, and further, since they feel that the Party, as a result of this "do nothing" attitude, has lost prestige, they will no longer permit the Party to dominate or control their activities in the MARTIN LUTHER KING movement. They are severing themselves, financially and in a disciplinary way, from the Party.) The LEVISONs and O'DELL are still Party members, but do not desire to be openly "linked up" with the Party. Although they are "disenchanted" with the Party, they are not quitting the Party. With respect to the MARTIN LUTHER KING movement, they will act on their own initiative, and will not accept instructions from the Party.

(LEM HARRIS then advised that the Party, however, still would like to control the MARTIN LUTHER KING movement. BEN DAVIS has been assigned to be "liaison or intermediary" with the LEVISONs and HUNTER PITTS O'DELL. Whether or not the LEVISONs and O'DELL will maintain liaison regarding matters concerning the MARTIN LUTHER KING movement is a matter for them to decide. In view of LEVISON's statement with respect to advising MARTIN LUTHER KING independently of Party instructions, it would seem that DAVIS may not have any success in maintaining liaison with the LEVISONs and HUNTER PITTS O'DELL. The LEVISONs and O'DELL are aware of the fact that BEN DAVIS has been given this assignment by the Party.

SFID
MARTIN LUTHER KING, according to LEM HARRIS, is referred to by such top Party functionaries as GUS HALL, BEN DAVIS, JIM JACKSON and CLAUDE LIGHTFOOT as a "true, genuine, Marxist-Leninist from the top of his head to the tips of his toes." In the Party, the report is that MARTIN LUTHER KING is following a Marxist-Leninist line.

NY 694-S* advised that he asked LEM HARRIS whether or not, to the latter's knowledge, MARTIN LUTHER KING was a member of the CPUSA. LEM HARRIS replied that he did not know.

When Dr. MARTIN LUTHER KING was invited to address the AFL-CIO convention some time ago, KING, on LEVISON's advice, first obtained approval to do so from A. PHILLIP RANDOLPH, negro labor leader, who, if he had not been consulted in the matter, might have felt that KING's making a speech at the aforesaid convention was a blow to RANDOLPH's prestige.

KING delivered a remarkably effective speech at the AFL-CIO convention, and, as a result, received invitations from numerous labor leaders, including "MC DONALD of Steel," to address their respective unions. As the outstanding champion of negro rights in the country, KING is a powerful political influence, recognized as such by the higher echelons of the Democratic Party. He has access to Attorney General ROBERT KENNEDY and President KENNEDY, who, politically, need KING, particularly in the South, where in cities like Atlanta and New Orleans the negro vote now constitutes the balance of power, and where KING controls the negro vote.

JAMES HOFFA, Teamsters Union "boss" appreciates the political power of KING, particularly the fact that KING can influence the 90,000 negro members of the Teamsters Union. HOFFA invited KING to address the Teamsters Union, and KING accepted the invitation. Knowing that KING is being deferred to by Attorney General KENNEDY, and President KENNEDY, HOFFA requested KING to contact the Attorney General in an effort to influence the latter "to lay off" HOFFA. KING was inclined to do as HOFFA requested, but LEVISON convinced him that to do so would be politically unwise, inexpedient, and likely to be a "boomerang," since the Attorney General would never accede to such a request, particularly in the case of HOFFA.

LEVISON had to steer KING away from another politically hazardous situation. Some months ago OTTO PREMINGER, Hollywood movie director, entered into negotiations with a KING representative for KING to play a part in a picture which PREMINGER would direct. Although PREMINGER's offer was "tempting," since it meant "fast, easy money" for KING's organization, LEVISON realized that for KING to accept the offer would lower the latter's prestige. After convincing KING of this fact, LEVISON personally telephoned to PREMINGER, telling him that "the deal was off."

NY 100-136585

(What LEVISON particularly wanted GUS HALL to know
is that KING is a wholehearted Marxist, who has studied
it (Marxism), believes in it, and agrees with it, but because
of his being a minister of religion, does not dare to espouse
it publicly."

GUS HALL, according to HARRIS, was "elated" to
receive LEVISON's report on LUTHER KING.)

(informant BA 969-S) advised on 11/22/60, ((BA 134-13A-615))
that at a National Negro Commission meeting held on
11/19, 20/60, at CP Headquarters, 23 West 26th Street,
NYC, TED BASSETT, a representative of "The Worker",
stated that the CP is now in the process of placing
members of the Party in key positions in the SCLC.
BASSETT continued by saying that a Western Conference of the
Christian Leadership is now being formed and a CP member
is the leader in this conference.

(informant NY 694-S*) advised on 5/1/62, that on 4/30/62,
ISADORE WOFSY, CP, USA fund functionary, said that
according to LEM HARRIS, he was told by STANLEY LEVISON
that the CP, USA had sent "an experienced, professional,
secret organizer" to New Orleans, who would assist the
MARTIN LUTHER KING group there in its fight for political
equality of Negroes. LEVISON allegedly told HARRIS
that he personally, and not the Party, was financing
this organizer.

SFID

(informant NY 694-S*) advised on 5/2/62, that according to
LEM HARRIS, the secret CP organizer, whom the CP, USA had
sent to New Orleans, was JOSE HUDSON. HARRIS said that
HUDSON would be associated with SERGEANT CAULFIELD in
Baton Rouge.

(informant NO 1084-S) advised that SERGEANT
CAULFIELD returned to Baton Rouge, Louisiana, from Atlanta,
Georgia, on 5/31/62. Informant said that CAULFIELD stated
that he and JOSE HUDSON met HUNTER O'DELL in Atlanta,
O'DELL having flown there from NYC.

(informant NO 1084-S) stated that CAULFIELD paid CP dues
to O'DELL for several CP members from Louisiana. O'DELL
had come to Atlanta regarding organization of the MARTIN
LUTHER KING movement. O'DELL thought that if an active

MARTIN LUTHER KING movement could be organized in Louisiana, the State Senatorial District where CAULFIELD resides permanently (Lettsworth, Louisiana), CAULFIELD might be furnished as much as \$1,000.00 per month to promote this movement. The funds are to come from the MARTIN LUTHER KING movement and the object is to get every eligible Negro to register to vote. CAULFIELD reportedly met MARTIN LUTHER KING, JR., while in Atlanta, and discussed with him the voter registration matter in Louisiana.

On 4/27/62, a pretext telephone call was made to UN 6-2000, which is the NYC listing for the Committee to Defend MARTIN LUTHER KING and also the listing for the SCLC at 312 West 125th Street, NYC. The pretext used was that of a person interested in contributing money to the KING committee. The person answering the phone during the conversation identified himself as JACK O'DELL, and furnished the following information:

His office is the Northern Branch of the SCLC. The Committee to Defend MARTIN LUTHER KING, at 312 West 125th Street, was organized as an "ad hoc" committee to assist in the KING defense, when he was the subject of court action. When the reason for this committee's being in existence was removed, it was formally dissolved. The same personalities then formed the Committee to Aid the Southern Freedom Struggle, which is now operated at 312 West 125th Street.

O'DELL stated that it would make no difference as to whether a person contributing money makes out checks payable to the Committee to Defend MARTIN LUTHER KING, the SCLC or the Committee to Aid the Southern Freedom Struggle, because they are all one and the same.

On 6/1/61, (NY 5824-S*) advised that HUNTER PITTS O'DELL, who was a ~~secret member~~ of the National Committee, CP, USA, has quit the CP and is officially considered by the CP as being out. However, there are no hard feelings existing between O'DELL and the Party and he is still on good terms with the CP and will work with them.

EXTREME CAUTION MUST BE EXERCISED WITH RESPECT TO DISSEMINATION OF THE INFORMATION HEREIN, SINCE BY ITS NATURE IT TENDS TO IDENTIFY (NY 694-S*) A VALUABLE INFORMANT, AS THE SOURCE THEREOF. UNLESS THIS INFORMATION IS OBTAINED FROM A SOURCE OTHER THAN (NY 694-S*), IT SHOULD NOT BE INCORPORATED, EVEN IN PARAPHRASED FORM, IN THE INVESTIGATIVE SECTION OF A REPORT.

On 7/23/62, (NY 694-S*) stated during a personal contact with GUS HALL, General Secretary of the CP, USA, on that date, HALL advised that HUNTER PITTS O'DELL is still representing the CP, USA and that he is still on the National Committee of the CP, USA. HALL further remarked that O'DELL is a "brain-trust" for LUTHER KING and is doing an excellent job.)

Current investigation in NYC reflects that O'DELL is spending most of his time in the Atlanta area working with the SCLC. He was last reported in the NY area in June, 1962.

On 2/11/62, (NY 1300-S*) made available photographs of material maintained in the office of STANLEY LEVISON, 6 East 39th Street, NYC. Included in these photographs were the following:

1. Two checks, both dated 12/19/61, bearing the printed name of the "Southern Christian Leadership Conference", 312 West 125th Street, NY, NY. These checks

NY 100-149194

are numbered 397 and 399, one in the amount of \$251.90 and one in the amount of \$150.00, are marked payable to J. O'DELL, and are signed by STANLEY D. LEVISON.

2. Copy "C" of a Withholding Tax form for 1961, in the name of JOHN HUNTER O'DELL, 312 West 125th Street, NY, NY, Social Security Number 386-14-3707, indicating that he was paid \$3,050.00 in 1961 by the SCLC, 312 West 125th Street, NYC.

(*ELSUR*) NY 3575-S*) advised on 6/20/62, that STANLEY LEVISON stated that in a recent conversation with MARTIN LUTHER KING, KING said he was thinking of getting another administrative assistant. LEVISON stated that in the past LEVISON had not considered it wise for O'DELL to take on such a position, but he is the only one who could do the job and should be considered for it. LEVISON stated as long as O'DELL did not have the title of Executive Director, there would not be "as much lightening flashing around him". O'DELL could be called a coordinator and still fulfill all the duties of Executive Director.

LEVISON stated, according to (*ELSUR*) NY 3575-S*) that KING liked LEVISON's suggestion with respect to O'DELL taking this position, because KING felt that O'DELL must face it sooner or later, stating "that no matter what a man was, if he could stand up now and say he is not connected, then as far as I am concerned, he is eligible to work for me".

(*INFORMANT*) NY 2783-S advised on 7/11/61, ((NY 134-4268A-378)), that HAZEL GRAY is working again at the SCLC, 312 West 125th Street, NYC.

On 7/8/61, *INFORMANT* NY 1212-S stated that it had come to his attention that CLAUDE LIGHTFOOT had mentioned that he wanted

to use HAZEL GRAY and her husband, JOHN GRAY, in the Kings County CP organization. The informant stated that LIGHTFOOT highly recommended the GRAYS.

On 3/10/61, MILTON BIRON, Senior Accountant, Comptroller's Office, New York City, Bureau of Excise Taxes, 120 West 32nd Street, made available an application for exemption from the New York City amusement tax, dated 1/23/61, and signed by STANLEY D. LEVISON. The exemption was requested for a "concert" to be given at Carnegie Hall on 1/27/61, for one evening performance.

The name of the applicant was given as the "Committee to Aid the Southern Freedom Struggle", 312 West 125th Street, an unincorporated association. It is stated that the applicant is a non-profit educational committee which has registered with the Charities Registration Bureau in Albany and the Department of Welfare in NYC. It says that it employs no professional fund raisers and that neither its officers nor executive directors are paid either salaries or expenses.

The, "Purposes for which applicant was organized", are listed as:

"To provide funds for the Southern Christian Leadership Conference to be used for establishment of constitutional rights in the South utilizing voting registration drives, educational meetings, church and synagogue conferences, sit-in techniques, legal actions etc."

The, "Activities of the Applicant", are listed as:

"Mail solicitations, benefits, meetings, educational conferences, church collections."

~~SECRET~~

NY 100-149194

The, "Source and Disposition of Income", is listed as:

"All income less expenses is transmitted to the Southern Christian Leadership Conference or directly paid out to sources indicated by the Southern Christian Leadership Conference. Dr. MARTIN LUTHER KING is President of the Southern Christian Leadership Conference."

A "note" attached to the application stated that the committee was created by resolution as an unincorporated association at an organizing meeting held at the home of HARRY BELAFONTE, 300 West End Avenue, in June, 1960.

The application for exemption from the New York City amusement tax was denied by letter 1/31/61, sent to the Committee to Aid the Southern Freedom Struggle, 312 West 125th Street, attention of STANLEY D. LEVISON.

NY has considered the above facts and is of the opinion that a Cominfil investigation of the NY Chapter of the SCLC is warranted, due to the dominant CP influence on the executives of the NY Chapter of the SCLC.

NY will conduct no further investigation without prior Bureau authority.

On September 13, 1975, Mr. David Aaron, an investigator for SSC was briefed at FBI Headquarters (FBIHQ) in preparation for his planned visit to Brasilia, Brazil, on September 22, 1975, and Buenos Aires, Argentina, on September 25, 1975, in connection with the Committee's inquiry into U. S. intelligence activities. Mr. Aaron was briefed on the overall role and mission of the FBI's Legal Attaches (Legats), and specifically on the activities and functions of the Legats at Brasilia and Buenos Aires. He was advised that Legat, Brasilia, utilized two confidential sources in order to facilitate the prompt coverage of leads in Brazil. He was also told that Legat, Mexico City, and Legat, Brasilia, were the only Legat offices that utilized paid confidential sources. (S)

Legat, Buenos Aires, informed FBIHQ that the U. S. Embassy at Buenos Aires received instructions, classified "Secret," from the U. S. Department of State with regard to the visit of David Aaron, a former U. S. Department of State Foreign Service Officer, and William Truehart, a former U. S. Ambassador, to the U. S. Embassies at Brasilia, Buenos Aires, and Montevideo and the U. S. Consul General in Rio de Janeiro. The

RE: VISITS OF SSC STAFF

Department of State advised that the primary objective of the visitors was to discuss with the Ambassador and members of his staff the relationships and exercise of authority by the Ambassador of the intelligence activities in the field. The Department of State further advised that operational details, sources and methods were not construed to be legitimate avenues of inquiry by the SSC Staff Members.

Legat, Brasilia, was interviewed on September 22, 1975, by Messrs. Aaron and Truehart, with Aaron being dominant in the interviewing process. The interview was directed mainly toward attempts to elicit examples whereby Central Intelligence Agency (CIA) had withheld dissemination of information of interest to other agencies. Inquiries were made concerning CIA activities inside and outside the Embassy. Specific questions were placed with Legat to ascertain if the FBI was involved in Soviet Embassy "walk-ins" as well as recruitment of double agents and CIA-oriented operations. Discussion concerning Legat's role and functions in Brasilia appeared to be routine, with few, if any, pointed questions directed at FBI operations overseas. The subject of two paid confidential sources in Brasilia was briefly discussed and both SSC investigators appeared understanding and in agreement with the necessity of each confidential source to serve FBI's and U. S. Government's best interests in Brazil. The question seemingly bearing the most weight during the interview concerned possible unauthorized activities of CIA and its lack of cooperation and coordination with FBI and the Defense Attache's Office. The duration of the interview was approximately forty-five minutes. (S)

Legat, Buenos Aires, was interviewed by the two SSC Staff Members on September 26, 1975. Again Aaron played the dominant role during interview. He commenced

the interview by stating that the operations of Legats, Brasilia, and Buenos Aires, were not the type of Legat operations he desired to review, indicating that Mexico City Legat's operations were more of the type of interest to them. Aaron asked pointed questions concerning the mechanics of Legat reporting on intelligence information developed locally to FBIHQ and the local coordination of this information with the Embassy components. Aaron requested the Legat provide him with the general nature of intelligence developed and reported by the Legat to the Embassy and FBIHQ. He was told that generally international and local terrorism were the prime topics of Legat reporting. Inquiry was also made into the reason for FBI expansion of foreign liaison activities in 1970. He was told that the Legat was not personally aware of any special reason other than that the FBI liaison operations required additional personnel and Aaron was referred to FBIHQ for any additional information in this regard. [Legat was asked whether the CIA Station had ever requested Legat to secure data from FBI computer banks on Argentine residents of CIA interest who had previously resided in the U. S. Legat's reply was in the negative. Other questions mainly dealt with cooperation and coordination activities between the FBI and the CIA at the Embassy.] Inquiry was also made ~~(S)~~ into the relationship of the Drug Enforcement Agency and FBI overseas. The interview lasted approximately thirty-five minutes.

Upon arrival in Buenos Aires, Mr. Aaron was suffering from an intestinal problem and remained in his Buenos Aires hotel on September 25, 1975. The Charge D' Affaires hosted a small luncheon for former Ambassador Truchart on that date which Legat, Buenos Aires, attended. Truchart was very open regarding the operations of the SSC

and stated that he felt the Committee had lost its perspective and that he believed that various Senators were engaging in a game of "one-upmanship" in revealing so-called sensational disclosures of CIA activities. Truchart stated he personally felt that the original purpose of the Committee to afford an objective review of U. S. intelligence operations had been lost.

NOTE:

Classified "Secret" in conformance with the classification applied to information furnished to the U. S. Embassies at Brasilia, Buenos Aires, Montevideo and the U. S. Consul General in Rio de Janeiro, by the U. S. Department of State. The information was transmitted by the U. S. Department of State via its Secret Roger Channel. (S)

The details of the interviews are located in Legat, Brasilia, teletype to the Bureau 9/23/75 and Legat, Buenos Aires, teletype to the Bureau 9/26/75, both classified "Secret" and both captioned "Senstudy-75."

Mr. Aaron was briefed at FBIHQ by Section Chief Vadja V. Kolombatovic, Harvey C. Flemister and Robert A. Birmingham of the Liaison Section, Intelligence Division.
