d) **PULFILLER:**

Change - Due to his absence from Chile from 15 July to 15 October 1950, all payments during this period should be suspended. Payment should be made however for half of the month of July 1950, due to the overlap of 15 days in July in which he assisted PULFAR in taking over all the agents.

2. Future operational duty reports submitted on the first of each month will reflect the above changes.

SPECIFY AIR OR SEA POUCH

DISPATCH NO. 703-4-1235

CLASSIFICATION

TO Chief, Foreign Division T. — **DATE**, 17 November 1950
FROM Chief of Station, Santiago
SUBJECT: GENERAL Operational matters
SPECIFIC ACQUISITION SAFE-APARTMENT: FULMINATOR-1

1. Due to the exigency of providing safe quarters for the polygraphic examination of FULMINATOR-2, this Station acquired a safe-apartment for FULMINATOR-1 to bring FULMINATOR-2 to the polygraph team. The authority for this action was believed to have been construed in WASHP-19400. The following details pertain to this apartment:

Location: Calle Encalve 272, ninth floor, apartment 915.

Rentals: Monthly rent: \$/3,500. According to local custom it was necessary to pay an advance over and above the initial month's rent also paid in advance. Therefore, \$/3,500 was paid for one month, 12 November - 12 December 1950, and \$/2,500 was paid as the advance guarantee for twenty days.

Renter: Juan SIVORI, same as ENDLESS safe-apartment, arranged for by FULMINATOR.

Negotiator: FULMINATOR handled all the negotiations between SIVORI and the owner, whose name is not immediately available at this writing.

Description: The apartment is completely furnished according to Chilean customs and consists of one living/dining room combination, a bathroom and a small kitchen.

Control Status: This apartment is known as FULMINATOR-1's apartment and aside from ENDLESS, FULMINATOR, the polygraph team, FULMINATOR-2 and Luis JARDO, no one else directly or indirectly connected with this Station will have knowledge of or access to this apartment.

User Present: The apartment has been used by the polygraph team to conduct its examination of FULMINATOR-2 and Luis JARDO. The third member of the team, resided in the apartment during his stay in Santiago.

CLASSIFICATION

Lessons Learned

Pictures: It is desired to retain this department as long as required in order to provide a safe meeting place for P.E. members and their wives.

2. In order to clarify this Station's authority to retain the above information and to assume the expense of same, it is requested that Headquarters so authorize this Station accordingly "fairly as practicable."

Operational Matters

ACQUISITION SAFE-APARTMENT: PULMINATE-1

1. Due to the exigency of providing safe quarters for the polygraphic examination of PULMINATE-2, this Station acquired a safe-apartment for PULMINATE-1 to bring PULMINATE-2 to the polygraph team. The authority for this action was believed to have been construed in BushF-19400. The following details pertain to this apartment:

Locations: Calle MacIver 272, ninth floor, apartment 915.

Rentals: Monthly rent: P/3,800. According to local custom it was necessary to pay an advance over and above the initial month's rent also paid in advance. Therefore, P/3,800 was paid for one month, 12 November - 12 December 1950, and P/2,560 was paid as the advance guarantee for twenty days.

Renters: Juan SIVORI, known as PULNESS safe-apartment, arranged for by PULNESS.

Negotiators: PUNARIC handled all the negotiations between SIVORI and the owner, whose name is not immediately available at this writing.

Description: The apartment is completely furnished according to Chilean customs and consists of one living, dining room combination, a bathroom and a small kitchen.

Control Status: This apartment is known as PULMINATE-1's apartment and aside from PULMINATE, PUNARIC, the polygraph team, PULMINATE-2 and Maria JANDA, no one else directly or indirectly connected with this Station will have knowledge of or access to this apartment.

Use Present: The apartment has been used by the polygraph team to conduct its examination of PULMINATE-2 and Maria JANDA. The translator of the team, resided in the apartment during his stay in Santiago.

OPERATIONAL REVIEW

COUNTRY CHILE PERIOD COVERED JAN-MAR 1951 CRYPTOGRAPHIC PULMANER-1

OBJECTIVES AND TASKS: Cut-out between PULMANER and PULMANER-2. Responsible for the direct handling of the latter as required by this Station. In addition to this function, Subject has performed services for this Station in the fulfillment of **EMBASSY-LOCATING** directives.

SALARY: \$50 U.S. per month; terminated 28 February 1951. Paid \$100 U.S. for special services pertaining to **LOCATING** project.

EVALUATION OF SERVICES: A very serious, conscientious and loyal American, who has demonstrated his willingness to serve his country in the above capacity. It is believed that he will be of future value in matters pertaining to **EMBASSY-LOCATING** in Chile.

EVALUATION OF INFORMATION RECEIVED: Not applicable.

OTHER POINTS: Security of Subject with PULMANER project considered satisfactory. On the **EMBASSY-LOCATING** project Subject is handled by **PULMANER** under satisfactory security conditions.

COMMENTS: Subject provided a useful service to this Station under **deep cover** conditions in the handling of PULMANER-2. It is contemplated that latter Agent will be deported from Chile in the immediate future and that PULMANER-1 will then be available for other duties related to the **EMBASSY-LOCATING** objectives in Chile.

Payments to Agents

FEBRUARY 1955

1. Headquarters records reveal that dollar payments to allestors in the United States are being made for the following agents used by your stations:

FUJIWATER	\$125 per month
FUJIWATER	100 " "
FUJIWATER	0.50 " "
FUJIWATER-1	0.50 " "

2. This process has become so cumbersome in view of worldwide requirements, that it has become necessary to ask field stations to make all payments locally, either in dollars or local currency, whenever possible. Please advise by return pouch whether it will be possible to make the above-listed payments locally.

3. It is further requested that you clarify the status of FULTRUSTY, FUJIWATER-1, and FULTRUSTY-2. The most recent exchange of cables (5/03/60) and (5/04/60) left headquarters with the impression that the entire FULTRUSTY project was about to be discontinued, in which case, it is recommended, dollar payments for FUJIWATER and FULTRUSTY-1 should be discontinued. Please advise by pouch.

TCS /PRQ/ 5

Part II - OPERATIONAL INFORMATION

INSTRUCTIONS TO CASE OFFICER:

1. If feasible, subject should fill in Part I of PRQ in his own hand.
2. Part II of PRQ is classified, must be filled in by the case officer and is not to be shown to subject.
3. Headquarters will not be able to provide an operational clearance unless it receives answers to all questions on page 1 of Part I (Items 1 to 12), and to all questions of Part II (Items 38 to 58).
4. In emergency, these answers, typed to items 1 to 12 by number, and with summary of Part II, may be cabled to headquarters, followed promptly by pouch with complete data.
5. Fully completed PRQ must be sent to headquarters as soon as possible, two copies of Part I (including copy in subject's handwriting, if possible) and one copy of Part II.
6. Data acquired later must be sent to headquarters in PRQ format on a continuing basis.
7. All pages of both parts will bear the PRQ number, composed of (a) station symbol (b) PRQ (c) number assigned consecutively by the field station; e.g. PDA/PRQ/10.

36. Cryptonym PULMINATOR -1

37. How, when and where was subject first contacted or developed?
Not contacted to date but has been a social acquaintance of Agency personnel for several years.
38. Could subject be turned over quickly and in a secure manner to someone else for handling? Probably. To whom? Any staff officer or approved cut-out.

39. Best estimate of subject's motivation Desire to serve against the Communist menace and probably is in need of additional sources of income.
