SUBJECT: Jeremy K. BENADUM, Retirement

DATE: 15 March 1971

1. Per our telecon this morning, I have sent over to you a copy of the cable from Mexico City (IN 286625) which stated BENADUM had elected not to make the payment as described in our outgoing cable which your office coordinated with on Friday.

2. It is understood that necessary papers will be forwarded from your office to Miss Harrison in the Office of Finance today. I have called Miss Harrison and she advised that upon receipt of the papers from you there would be no difficulty in insuring that BENADUM's actual annuity is computed including the retroactive portion for January and February and included in the check for March.

10 March 1971

1. Please advise Jeremy K. BENADUM that the appropriate military authority has verified the following dates of active duty:

1 July 1937 through 14 July 1937  
1 December 1939 through 30 June 1940

This service totals one and one-half months less than that claimed by BENADUM.

2. Records verifying BENADUM's civilian service show that during period 1 June 1942 through 28 February 1943 retirement deductions were not withheld from salary. The amount of \$307.00 will be required to purchase credit for this period. If not paid, Subject's annuity will be reduced by 10 per cent of the amount owed or \$31.00 per year. If Subject elects to make payment, his check should be made payable to the Treasurer of the United States and forwarded to Headquarters soonest.

3. Annuity estimates recomputed to reflect change in creditable military service and effect of payment or non-payment for uncovered period of civilian service. If paid; annuity will be \$1,196 per month. If not paid, annuity reduced to \$1,194.

4. Advise Headquarters BENADUM's election on payment vs non-payment option.

## MEMORANDUM FOR THE RECORD

SUBJECT: Jeremy K. BENADUM, Payment of Annuity

REF: DIRECTOR 104776

1. At the time of transmittal of Reference, I had been informed that the military service still had not been verified. In talking about this matter with Mr. Sidel, I asked if he would request MMPD, possibly through some ~~sxx~~ sergeant to sergeant or colonel to colonel whether the matter could be expedited. He assured me he would give this an all-out try and agreed to let me know during the forthcoming week.
2. In checking this morning I find that Mr. Sidel is out on leave and going into training for at least the next week. In asking how to get in touch with Mr. Sidel, eventually Mrs. ~~Sidell~~ came on the line. She advised that nothing new was in the record and there was no info on the verification of the military service and wished to assure me that just because someone went on leave or was out that a case was not dropped. I asked then if any effort has been made to contact MMPD. She said the file didn't reflect anything and agreed to check MMPD and let me know.

Retirement application and related information - Jeremy K. BENADUM

Reference: MMAS-1-10467

1. Since Jeremy K. BENADUM has expressed a desire to retire in December 1970, he should complete and return to Headquarters the attached application for Retirement term. He may have his annuity checks sent directly to his bank for deposit if he wishes. This should be arranged with whatever bank is designated under Item 4 on the application. His checking account number should be recorded following the name of the bank. Items B-1 through B-4 may be left blank to be filled in at Headquarters. Since Subject's annuity will begin on the first day of the month following retirement, it is considered advantageous to make his retirement effective as of the last day of the month. In this way his annuity would commence the day following his last day as an employee.

2. When BENADUM retires, his regular Federal Employees Group Life Insurance (without accidental death and dismemberment benefits) will be continued at the same amount without further cost. The cost of the optional FEGLI, which he is eligible to continue, will be deducted from his annuity until he reaches age 65. These insurances will retain face value until BENADUM reaches age 65 at which time they will reduce at the rate of 2 per cent per month until they reach 25 per cent of their face value. If he wishes, Subject may elect at the time of retirement to convert to an individual life insurance policy in order to retain lifetime coverage in an amount equal to his present insurance. He must pay the premium applicable to the type of policy selected. A medical examination will not be required under the conversion privilege.

3. Subject may also continue his enrollment under his health benefits plan. Premiums will continue at the same rate as that for employees and will be withheld from his monthly annuity payments.

4. Under the provisions of 1710 20-1 4c(2) Subject's prospective retirement precludes him from becoming eligible for home leave upon completion of his present tour.

5. BENADUM's request for retirement will be processed as expeditiously as possible following receipt of his completed application form. Upon approval of his retirement by Chief, JKLANC, Subject will be notified.

Action Required: Para 3  
Reference : MMET-10,467, Para 3

1. Reference indicated: Jeremy K. BENADUM advises his present plans call for him residing in the U.S. for a period of six months each year; he plans to return to the U.S. after 31 December 1970 and has asked the Station about reimbursement for the travel for himself and his family.

Ref asked whether return travel is authorized.

2. FR 22-2 provides: "Upon retirement while assigned abroad, ..., travel and transportation expenses from the last post of assignment to the place where the employee will reside in the U.S., ..." FR 22-21 specifies the time limit within which travel must be performed.

The above does permit BENADUM to be reimbursed for travel of self and authorized dependents after his retirement (31 Dec 70) to the place in the U.S. where he will reside.

3. STATION ACTION:

It is suggested BENADUM be asked to submit a written request for transmittal to Headquarters in which he cites the place in the U.S. where he will reside, the names of the dependents who will travel with him, mode of travel and, if known, the itinerary.

Upon receipt of the above, Headquarters will process a Request for Travel Orders and, upon approval, will advise the Station.

1. After careful review at the Station and discussions with Jeremy E. BENADUM, we have concluded that the most advisable and efficient separation date for BENADUM would be 31 December 1970. In our review of costs, we find the additional benefits to BENADUM result primarily from his additional two months of service increasing his retirement benefits.

2. Based on this decision we plan on having him begin leave on 14 August 1970 and are therefore submitting the following papers as requested in reference.

- a) Attached is the signed original copy of an amendment contract which provides for his participation in the Organization Retirement Program.
- b) A memo prepared by BENADUM requesting approval for him to retire 31 December 1970, and which is concurred in by the Chief of Station.
- c) A statement in lieu of a copy of his discharge papers. As outlined in this statement, BENADUM indicates he never received an official discharge.
- d) **A report of cover earnings for the period 1 May 1969 through 30 June 1970. BENADUM's statement indicates he has received no income, either in dividends or salary, from his cover company since 30 April 1969.**

3. BENADUM has indicated his present plans call for him residing in the U.S. for a period of six months each year. He plans to return to the States after 31 December 1970 and has queried the Station regarding reimbursement for return travel to the U.S. for himself and family. In future correspondence please indicate whether return travel is authorized.

REFERENCE : HR 20-30 c (4)

1. It is requested that approval be granted for Jeremy K. BENADUM, Career Agent, to use accumulated annual leave prior to his retirement on 31 December 1970.

2. BENADUM has been assigned PCS to Mexico City since his employment in October 1960 and will retire in place. He has a maximum leave carryover of 560 hours plus leave accrued during 1970. REVISION EVALUATION BY STATION AGENT:

On comparison to official Station cover, and for the type of work that Subject has been engaged in, the cover is good. His cover is that of a retired former FBI employee ("rentista" in Mexico). He is an investor in a Mexican business firm and has properties in the United States which he manages from Mexico. Subject is also independently wealthy. Subject is known to be a CIA asset in high Mexican Government circles.

EVALUATION OF PERFORMANCE:

The Station has consistently rated Subject's performance as "strong".

ADAPTABILITY (SUBJECT AND FAMILY) TOWARD DUAL LIFE:

Subject and his family have adapted completely to a dual life. Subject works full-time for CIA and there is no conflict of interest with regard to his work for us. (Subject has been employed in this same position for approximately ten years.) Subject's wife has a full schedule of activities surrounding her family and community. She is discreet and is not the type of woman who feels that she has to know and approve of her husband's every move.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: Cover Agent Jeremy K. BENADUM

During the past three months I have had the opportunity to work with and direct the activities of Jeremy K. BENADUM. Within a few months he will be retired from further service and it is appropriate now to review his past performance and present status in order that this remain a permanent part of his record.

BENADUM, during the past ten years, has performed as the outside case officer for the LITEMPO Project. He was pressed into service after resigning his position with LNERGO, for whom he worked for a period of twenty years.

His primary value to the Station, at that time, was his access to persons of all-levels within the Mexican Government and especially the Mexican Security Service. On further investigation it became clear it was his close personal and official relationship with LITEMPO-1 which offered him this access across the board. Gradually over the years he developed a similar relationship with LITEMPO-12, LITEMPO-4 and others.

His past evaluations are still valid, however, during the past three months he has gradually been phased out of liaison contacts and has been used principally to assist the Station in its orderly liaison transition. He is currently in touch with two liaison types officially but occasionally sees others on a purely social basis.

Although his retirement is not voluntary, he has good-naturedly assisted the Station in this very sensitive and delicate changeover. He will remain in Mexico after his retirement and has offered his assistance if needed. He presents no overriding handling problem, reports promptly and does a good job in submitting his monthly accountings.

**his employment in October 1960** and will retire in place. He has a maximum leave carryover of 560 hours plus leave accrued during 1970. BENADUM's request that he be permitted to use accrued annual leave in lieu of a lump-sum payment was endorsed by the Mexico City Station.

1. In accordance with the request made in Reference B, the following is an up-dated Agent Evaluation on Jeremy K. BENADUM, Career Agent and outside Case Officer for the LITENPO Project. This evaluation should be considered in conjunction with Reference A, which is still valid and more extensive.

2. BENADUM continues to perform as the Outside Case Officer for the LITENPO Project in a professional and efficient manner.

The relationships he has developed with persons of all-levels within the Mexican Government and especially the Mexican Security Service allow him to obtain information of great interest to WOFIRM which might otherwise be unavailable. For example, via LITENPO-12, Chief of a special investigative unit, the Station receives carbon copies of the reports prepared by the group. BENADUM also is able to ask this group to conduct investigations or provide file checks on persons of interest to the Station.

3. BENADUM can able to establish a system whereby persons of interest to USIAU could be informed of any obtainable entry visas without the long delay usually required.

4. BENADUM writes well and has improved considerably in providing information he obtains from his contacts in written form. Usually, the reports he submits need little editing in order to be processed for dissemination. 727

5. This Officer speaks fluent Spanish which enables him to communicate with the persons with whom he meets in a free and easy manner. **This ability certainly has assisted BENADUM in establishing the rapport and confidence so necessary in working with Latins, especially those working for the host government.**

6. BENADUM presents no overriding handling problems for the Station Case Officer. He is willing to work long hours, reports promptly and does a good job in submitting his monthly accountings. Based upon the Regular Fitness Report system, this Officer could be rated as STRONG in judging his performance.

7. BENADUM is the only other Station Officer besides the CGS who has good and ready access to various personages within the Mexican Government. With the departure of Willard C. CURTIS, the value of BENADUM to the Station should not be underestimated.

8. BENADUM was shown this evaluation in draft form.

SUBJECT: Assessment of Career Agent, Jeremy K. BENADUM

1. Pseudonym and salary: Jeremy K. BENADUM, GS-15, \$14,055.

2. Division or Staff and city: WH Division, Mexico City.

3. Operational duties: Subject maintains unofficial liaison between the Station and a Mexican Ministry. He also develops independent agents.

4. Cover: Subject has Immigrante-Rentista status which allows him to remain in Mexico indefinitely and the only restriction on his activity is that he cannot be gainfully employed. In view of the fact he is a wealthy man in his own right and will soon be of age to collect retirement from his long service with the FBI, this cover presents no problems. After five years in this status he will obtain Inmigrado status which will give him complete freedom of operation, with all the rights as a Mexican citizen, except that of voting. The cover is excellent because it is secure, allows him complete mobility, and require no administrative support. There are no existing or anticipated problems related thereto.

5. Division's assessment: Subject is an experienced, well-trained, serious intelligence officer, capable of spotting, assessing, recruiting and handling agents. Most of his experience and capability is in the field of collection of PI intelligence and operational support, the latter being his most outstanding area of contribution to Station objectives. He would also be capable of running CI operations. His knowledge of CA type work, however, cannot be assessed at Headquarters.

Subject's cover is a natural one and poses no difficulties. Since Subject has been in the intelligence field for over 20 years, he is psychologically prepared for his dual role in intelligence operations and is well qualified to operate without strong Station support.

Headquarters is not in a position to comment on the timeliness or quality of his operational reporting, but no defects in this regard have been noted nor have any been brought to the attention of Headquarters by the Station.

Subject needs no training.

1. Reference indicated Jeremy K. BENADUM had proposed an extension of his retirement from 31 October to an appropriate date in December 1970 in order for him to use his annual leave in lieu of lump sum payment.

2. Shortly before the COS left Headquarters for Mexico, a meeting was held during which the Branch Chief discussed contract personnel of the Station.

Ref was discussed and it was the COS's desire for there to be an amicable separation at the time of BENADUM's retirement. If, therefore, the extra two months would accomplish this, then the added costs would be worthwhile.

3. The following annuity figures have been provided by the Retirement Office and are predicated on a retirement date of 31 December 1970. Please keep in mind, the figures must be considered as estimates and subject to verification of service and final computations. Retirement would be under the Organization Program.

The original and copy are to be signed by BENADUM. The copy is for Station retention.

Chief of Station, Mexico City

Chief, WH Division  
ADMIN/CONTRACTS  
Jeremy K. BENADUM, Career Agent Allowance

Reference: HMMT-10052

1. Reference asked Headquarters guidance in determining possible adjustment in the Quarters Allowance for Jeremy K. BENADUM, Career Agent. Reference stated:

--BENADUM purchased his local residence 1 December 1964 for \$50,200 and cost of utilities average \$98 monthly.

--Although the current maximum Quarters Allowance for BENADUM is \$4,700 per annum, the Station has been paying at the rate of \$4,128.00 per annum.

--Reference forwarded a list of BENADUM's estimates of utilities costs and a LNPURE memo on personally owned quarters.

2. The formula described in Para 3 of the LNPURE memo has been used in prior cases and is that which is also used by the Allowance Committee. Based on this formula, 10% of \$50,200 (original purchase price) plus \$1,176 (yearly utilities), total \$6,196. The amount granted BENADUM would presumably be the maximum unless the Station had determined a lesser rate was applicable due to cover or operational reasons.

3. Using the effective date (5 October 1969) of the current Quarters Allowance rate \$4,700 (\$4,100 plus \$600 for dependents) minus the rate being paid, \$4,128.00 represents an increase of \$571.04 per year or \$47.58 per month.

For the period 1 December 1964 - 31 March 1965, BENADUM was paid quarters at the rate of \$4,024.92 although the maximum allowance was \$3,760 per annum. For the four months, BENADUM was overpaid \$106.26 (\$27.07 x 4).

Presuming the project has sufficient funds and the COS decides the maximum rate is applicable, the overpayment is to be offset against the increase.

MEMORANDUM FOR : **Jeremy K. BENADUM**

THROUGH : Head of Career Service  
SUBJECT : Retirement Planning

1. In order to assist employees in planning for their eventual retirement, it is the practice of the Agency to notify each employee at a point in service five years prior to the date of scheduled retirement. I am, therefore, taking this opportunity to advise you that you are scheduled to retire in August 1975.

2. The prospect of retirement from the Agency deserves serious thought and careful planning so that you may make the transition to the next phase of life with purpose and confidence. To assist you in this regard, the Agency will make available to you various resources which are attuned to the needs of prospective retirees. In October 1970, the Agency will conduct a Retirement Information Seminar to which you will be invited. Your spouse, if you are married, may accompany you to this seminar. Following the seminar, you will be invited by the Retirement Counselor for your Directorate to an individual pre-retirement counseling session (or more than one, if you wish); this phase of retirement planning will be tailored solely to your own particular situation and circumstances and will be within the context of the retirement system under which you will retire. The individual counseling sessions are intended to give you a wide range of information on such matters as estimates of your annuity, survivor benefits, life and health insurance, Social Security, taxes, relocation and movement of household effects and assistance in obtaining other employment, if appropriate. In addition to the sessions with your Retirement Counselor, you will be invited to avail yourself of selected literature on all aspects of retirement.

3. Some persons who wish to retire voluntarily prior to the scheduled date, or who wish to commence their planning as early as possible, prefer to work with their Retirement Counselor well before the time he would normally contact them. If you believe you would benefit from such an earlier start on your personal planning, you are invited to contact the Retirement Counselor responsible for your Directorate. He is assigned from your Directorate to the Retirement Affairs Division, 212 Magazine Building in Rosslyn, on telephone extension 3328.

4. Experience has amply demonstrated that careful planning facilitates the transition to retirement. I recommend, strongly, that you avail yourself of the services the Agency offers you in planning your own retirement.

Subj.: PLR EXPENSES FOR PERIOD 1 April, 1968 - 31 Oct., 1969.

Since December, 1968, when writer moved into his own home, he was not aware that receipts for utilities etc. would be necessary. As a consequence, the attached are not complete, but they are all that writer has been able to find.

1. Electricity: Receipts are complete.
2. Gas: Receipts are complete from Jan., 1969 to date. The 1968 receipts were destroyed, but the average consumption was the same.
3. Water: In writer's "colonia" there are no water meters. The cost of water, garbage collection, street lighting and cleaning etc. is included in a monthly quota which is paid to the Association of Colonias. The quota was raised in September, 1969, from 75.00 to 200.00 pesos per month.
4. Fuel Oil: Writer found only one receipt during the period in question. Two more are attached to indicate the monthly expense.
5. Firewood: Writer has contracted with an Indian with two borros to deliver wood twice each month. Each delivery is 56.00. The Indian is illiterate and receipts are not feasible.

Under the flat rate system, the cost of quarters is determined by the number of days the quarters are used, plus a flat rate per day. This is the same as the flat rate system used by the military.

Under the flat rate system, personally owned quarters are charged at \$12.00 per day. In Section 21 (6) the initial purchase price is not included in the quarterly rates. The quarterly rates are determined by Section 113 of the Standardized Regulations. These are the only types of quarters allowed.

Under the flat rate system, the cost of quarters is determined by the number of days the quarters are used, plus a flat rate per day. This is the same as the flat rate system used by the military. The quarterly rates are determined by Section 113 of the Standardized Regulations. The quarterly rates are determined by the number of days the quarters are used, plus a flat rate per day. Only the cost of quarters is determined by the number of days the quarters are used, plus a flat rate per day.

Under the flat rate system, it is expected that the flat rate will be paid to the authorized officer or employee to determine the amount of payment under Section 113 of the Standardized Regulations. The quarterly rates for owned quarters would be treated the same as any other (except that no cash advance payment of quarters is allowed under Section 113 of the Standardized Regulations). This avoids unnecessary a special rate for personally owned quarters. The requirement to report the purchase price on SF-1170 is to provide the authorized officer additional information to be considered, together with any other pertinent local circumstances, in deciding whether reduction of the allowances is necessary now, if so, how much. Only the variation costs are to be considered in addition to the purchase price except in those rare instances where this may be involved. Because of varying conditions between posts and individuals, it was not considered advisable to use any certain percentage of the purchase price that might be reasonable.

In addition to the information on the SF-1170, the authorized officer should consider local conditions, when trying to determine the amount of reduction which can be made. The amount of reduction can be determined by dividing the total amount of quarters by the total number of days the quarters are used.

J/KL

PERSONALLY-OWNED QUARTERS

Because of the number of inquiries received regarding personally-owned quarters, the following memorandum which has been sent to a number of posts may be useful as a guide to our policy on the subject:

When an employee occupies personally owned quarters his SF-1190 should show in Section 21 (5) the initial purchase price as shown by the deed. Section 21 (6), (7) and (8) should show annual rates for utilities as authorized by Section 132.5 of the Standardized Regulations (Government Civilians, Foreign Areas). These are the only items of cost to be considered.

When the quarters allowance system provided for reimbursement for quarters costs within a predetermined maximum, the regulations provided that the allowance for personally owned quarters should not exceed 10 percent of the purchase price, converted to dollars at the exchange rate available at the time of purchase, plus allowable utilities. The 10 percent of purchase price was ample to take care of taxes, depreciation, repairs, interest on investment, and amortization of the costs within a reasonable period of time by U. S. standards. Only light, fuel, and water could be added in arriving at the allowance.

Under the current quarters allowance system, it is expected that the flat rate will be paid unless the authorizing officer believes it necessary to reduce the payment under Section 134.2 of the Standardized Regulations. The employee in personally owned quarters would be treated the same as any other (except that he cannot receive advance payment of quarters allowances under Section 113 of the Standardized Regulations). This makes unnecessary a special rate for personally owned quarters. The requirement to report the purchase price on SF-1190 is to provide the authorizing officer additional information to be considered, together with any other pertinent local circumstances, in deciding whether reduction of the allowance is necessary and, if so, how much. Only the utilities costs are to be considered in addition to the purchase price except in those rare instances where land rent is involved. Because of varying conditions between posts and individuals, it was not considered advisable to specify any certain percentage of the purchase price that should be considered.

In addition to the information on the SF-1190, the authorizing officer should consider local circumstances, which vary greatly from post to post, in deciding whether the occupant of personally owned quarters should be treated any differently than the employee in rented quarters and receiving the flat rate allowance.

1. In accordance with the request made in Reference B, the following is an up-dated Agent Evaluation on Jeremy K. BENADUM, Career Agent and outside Case Officer for the LITEMPO Project. This evaluation should be considered in conjunction with Reference A, which is still valid and more extensive.

2. BENADUM continues to perform as the Outside Case Officer for the LITEMPO Project in a professional and efficient manner.

The relationships he has developed with persons of all-levels within the Mexican Government and especially the Mexican Security Service allow him to obtain information of great interest to WOFIRM which might otherwise be unavailable. For example, via LITEMPO-12, Chief of a special investigative unit, the Station receives carbon copies of the reports prepared by the group. BENADUM also is able to ask this group to conduct investigations or provide file checks on persons of interest to the Station.

3. BENADUM was able to establish a system whereby persons of interest to FOIRM residing in PUUWEN may obtain Mexican entry visas without the long delay usually required.

4. BENADUM writes well and has improved considerably in providing information he obtains from his contacts in written form. Usually, the reports he submits need little editing in order to be processed for dissemination.

5. This Officer speaks fluent Spanish which enables him to communicate with the persons with whom he meets in a free and easy manner. This ability certainly has assisted BENADUM in establishing the rapport and confidence so necessary in working with Latins, especially those working for the host government.

6. BENADUM presents no overriding handling problems for his Station Case Officer. He is willing to work long hours, reports promptly and does a good job in submitting his monthly accountings. Based upon the Regular Fitness Report system, this Officer could be rated as STRONG in judging his performance.

7. BENADUM is the only other Station Officer besides the COB who has good and ready access to various personages within the Mexican Government. With the departure of Willard C. CURTIS, the value of BENADUM to the Station should not be underestimated.

8. BENADUM was shown this evaluation in draft form.

MEMORANDUM

SUBJECT : Jeremy K. BENADUM - Request for Retirement

1. I herewith request that the effective date of my retirement be set as of 31 October 1970 instead of 30 June 1969.
2. This request is based primarily upon my desire to complete ten years of service in the Agency as is required by law in order to be eligible for Agency Retirement instead of being retired under Civil Services Statutes.
3. Secondly, however, I believe that by remaining in my present position until 31 October 1970 I can assure a better turn-over of contacts I have with a great deal less loss to the Agency.
4. I should appreciate a reply as soon as possible, since if my proposal is not accepted, I shall plan to accept other employment on 1 July 1969.

H/W ATTACHMENT #1 TO: HARRIS-5742, 7 April 1969

7 April 1969

SUBJECT: Retirement

1. Reference is made to our conversations concerning the possibility of your retirement from our service.
2. I discussed this matter, along with all other personnel matters, while in Washington in March 1969; and the authorities indicated that they would like your retirement to become effective on 30 June 1969.
3. For your information, a drive is on to have officers over fifty years of age take advantage of the early retirement program, in order to:
  - a. Allow younger officers to move into active operational assignments;
  - b. Reduce expenses, by getting rid of the higher ranking (older) officers; and,
  - c. Put the early retirement program into effective use and make it customary for fifty year old officers to retire.
4. In order to carry out your retirement, I would appreciate it if you would submit your letter confirming that you are in accord with this plan to place you on retired status.
5. You should plan to dispose of the Government owned vehicle on or near your retirement date. As you know, this is accomplished by obtaining at least three bids, which you should report in writing, and then by selling to the highest bidder. Also, any contract on rental of the office-apartment you use which involves this office should be ended.
6. I regret that you will be unable to take home leave at Government expense; but regulations prohibit the payment of home leave expenses for persons within two years of effective retirement date.

7. The amount of your annual annuity, the pay allowable for your accumulated annual leave and other data relative to your retirement will be discussed in memoranda to follow.
8. I am in the same "boat" with you on several of the above items, if that is of any comfort.
9. Please sign this memorandum and return it to me.

*Continued  
memorandum will be  
forwarded*

HQS FEELS THAT THESE RELATIONSHIPS WITH WOFIRM HAVE SOLIDIFIED TO THE EXTENT THAT THE PLANS OUTLINED IN REF B ARE AN EXCELLENT MEANS OF HANDLING THESE CONTACTS.

3. HQS ALSO FEELS THAT THE DECISION REGARDING BENADUM SHOULD BE MADE PRIOR TO THE ARRIVAL OF PROBERT AND ALL NECESSARY STEPS BE TAKEN TO EXPEDITE THIS. ACCORDINGLY, CURTIS' COMMENTS AND RECOMMENDATIONS WILL BE MOST APPRECIATED.

24 April, 1969

SUBJECT: Involuntary Retirement

1. A desk officer from Headquarters visited the México City Station during mid-November, 1968. While here, the visiting officer talked with the writer for approximately one hour regarding the operation of the Litempo project and writer's plans for the future. The following points were discussed:

(a) The fact that the project was considered to be an important and successful one.

(b) Writer was specifically asked if he had any plans for an early retirement. Writer replied in the negative. The visiting officer indicated complete satisfaction with writer's desire to continue in the service, and noted that it would be particularly important in view of the upcoming change of Mexican administrations in December, 1970, and the necessity of keeping the project functioning at its current level of effectiveness.

(c) When the visiting officer asked whether the writer had ever visited Headquarters during his career with the service, and found that he had not done so, the officer asked whether writer could arrange to visit Headquarters for a week or ten days during his next home leave, which would take place in August, 1969. Writer indicated that he would be most pleased to do so.

2. Based on the foregoing, writer made plans to proceed to the United States on home leave in early August, 1969, to return in mid-September, 1969. Since such matters cannot be handled on short notice, writer has already rented a house in San Francisco, California for the period in question.

3. This is where matters stood, when, on 7 April, last, writer was advised that he would be retired, effective 30 June, 1969, in accordance with various changes of policy. He was also asked to confirm in writing that he is in accord with the plan to place him on retired status as of 30 June, next.

4. While the reasoning behind what appears to be a complete reversal of policy, vis-a-vis the writer, may be crystal clear to the responsible officials at Headquarters, writer is at a complete loss to understand.

- 2 -

For the writer to indicate his agreement with a plan which appears to him to be arbitrary, short-sighted and irrational, would be completely out of character for a person who has spent almost thirty years in the intelligence field, and has a justifiable pride in his status as a professional intelligence officer. As a professional, writer also realizes when the handwriting, however illegible it might be, is on the wall, and, that if the decision has already been made to retire him involuntarily, then retired he will be --- involuntarily. Little as it may matter, writer desires to emphasize that nothing in this memorandum should be construed to indicate writer's personal accord or approval.

5. According to writer's records, as of 30 June, next, he will have completed the following government service:

	<u>Yrs.</u>	<u>Mos.</u>	<u>Days</u>
(a) Military: 2nd. Lt., 30th U.S. Infantry; Presidio, San Francisco, 26 Oct., 1939 to 31 July, 1940.....	9	6	
(b) Special Agent, 12 Aug., 1940 to 31 October, 1960.....	20	2	18
(c) Career Agent, 1 Nov., 1960 to 30 June, 1969.....	8	8	
(d) Accumulated A/L as of 30 June, 1969, - 656 hrs. ....	<u>3</u>	<u>22</u>	
Total Service .....	29	11	16

Writer desires to complete thirty years' service, and requests that the effective date for his involuntary retirement be set accordingly.

6. Home Leave: While writer readily understands the rationale of a ruling preventing the taking of home leave at government expense within two years of voluntary retirement, he does not see that the interests of fairness, justice or decency are being served in attempting to apply the same ruling to writer's involuntary retirement. As a matter of possible historical interest, writer desires to point out that, when he joined the service in 1930, he voluntarily gave up the home leave which he had earned with the (3) years). Writer has

taken home leave in 1962, 1964, and 1966, in accordance with regulations. In line with what appeared to be Agency policy as of November, 1968, writer has made plans for home leave from 5 August to 15 September, 1969. Writer feels most strongly that he and his family should be allowed to take this leave at government expense.

7. Future of Project: Writer would be less than candid if he did not point out that the present success of the project is owing in large measure to contacts which writer has developed over an eighteen year period. The precipitous forced retirement of writer will preclude an orderly and intelligent period of transition, with a concomitant loss of effectiveness. Even though he is being retired, writer is still interested in preserving the results of his work in Mexico, which writer regards as being of continuing importance to our country.

8. In conclusion, writer wishes to state that he has thoroughly enjoyed his association with the Agency during the past nine years, and is proud of his part in the accomplishments of the Mexico City Station. Owing to the nature of writer's position, his personal contacts have been largely limited to the personnel of the Station here. The writer has the highest professional and personal regard for the Chief of Station, with whom he has been privileged to serve, as well as the highly competent case officers who have worked with writer on the project.

It is a source of great satisfaction and pride to the writer to have known and worked with a truly great American, Mr. Allen W. Dulles, whom the "San Francisco Chronicle" (generally a hostile critic of the Agency) described posthumously as "...The most creative, powerful and eminent U.S. intelligence officer of modern times". And, as one's career comes to a close, the words of President Nixon, in describing Mr. Dulles' great contribution to his country, have a very particular significance: "...In the nature of his task, his achievements were known to only a few. But, because of him, the world is a safer place today".

MEMORANDUM FOR: Chief, WH Division

THROUGH : Deputy Director for Plans

SUBJECT : Clarification of **Cover Income Status**  
of Career Agent Jeremy K. BENADUM

1. During the recent audit of WH Division, we noted that, since October 1961, Career Agent Jeremy K. BENADUM has not submitted cover income reports. These reports are required every six months by BENADUM's contract. Office of Finance personnel informed us that, since his payroll file does not indicate that he is under a cover activity, they do not expect these reports to be submitted and therefore have not requested them. However, operational files in WH Division Mexico Branch indicate that BENADUM owns his own business in Mexico City, is a member of the Board of Directors of another business, and spends a portion of his duty hours on these businesses. Therefore, it appears that BENADUM may be receiving cover income which should be refunded in accordance with his contract. In addition, the question arises as to whether BENADUM's contract should contain the provision (similar to Douglas J. RHAPARE's contract) that he can retain only the first \$2,000 a year company profits as provided in PH 2u-32.

2. It is requested that a review be made to determine whether BENADUM should be refunding cover income and whether his contract should be amended as indicated. Please notify this office of the results of this review.

1. During the recent audit of MI Division, we noted that, since October 1961, Career Agent Jeremy K. BEHAGUE has not submitted cover income reports. MEMORANDUM FOR: Jeremy K. BENADUS (p)

SUBJECT: Federal Tax Obligation - Letter of Instruction

1. Based on the tax briefing held on 16 February 1966 by a representative of the Organization's Tax Committee, the Committee approved a flat rate assessment of your covert Federal tax obligation. This assessment has been developed in two stages: The first stage applies to tax year 1965 and is based on your taxable compensation of \$18,303.20. The second stage relates to your future year tax position and is based on an average of your annual Organizational income of \$19,305.60 developed from a two-year projection of your earnings, beginning with tax year 1966. Under this procedure you will not be required to file a covert tax return, beginning with tax year 1965.
2. Effective 30 December 1965, the beginning of tax year 1965, the Organization has applied a tax percentage of thirty (30.0) per cent to the gross taxable compensation paid by the Organization in 1965. Effective 19 December 1965, the beginning of tax year 1966, this percentage will be decreased to twenty-three and four-tenths (23.4) per cent.
3. The application of the percentage assessment to tax year 1965 results in a tax liability of \$5,490.96 (30% of \$18,303.20). After applying the tax withheld of \$2,962.49, an additional payment of \$2,928.47 is required. However, future changes in your income or tax status may justify a future revision of the assessment rate. In this event, this agreement would be amended accordingly.
4. The Tax Committee has granted you a basic \$250.00 tax credit in computing the percentage rate. This credit is granted to give reasonable assurance that you will not pay higher tax than you would under ordinary reporting procedures. The computations of these percentage rates are attached.
5. The retroactive satisfaction of this assessment from 19 December 1965 will be made by attaching the Federal tax withholdings available in your pay account. You will be advised as to the effect of this payroll account adjustment. You must file a tax return directly with Internal Revenue, consistent with your overt tax status and provide the Tax Committee with a certified true copy. It is extremely important for you to exercise care and accuracy in preparing this return. Provided below are specific criteria to assist you:

You will continue to file a tax return directly with Internal Revenue, reporting other income (interest, dividends, rental, etc.) and computing tax thereon. Any earnings received from a commercial

source are reported on the Form 2555 (Statement to Support Exclusion of Income Earned Abroad) and excluded under the bona fide residence exclusion.

Any tax liability resulting from overt filing will be met by you separately from the covert tax assessment funds collected by the Organization.

6. You have recourse to the Organization for reimbursement of bona fide foreign income or related taxes paid on income received from or guaranteed by the Organization, in accordance with FMB 30-1, paragraph 45, (a) and (b).

7. Please acknowledge the original of this letter and return to Headquarters, attention: Covert Tax Committee.

8. The Tax Committee appreciates your cooperation in establishing this systemized method of satisfying your Federal tax liability on organizational income.

1. Reference is made to paragraph 3 of HMW 12349, 28 February 1964, which suggested that KUARK training for BENADUM might be beneficial, and to page 8 paragraph j of HMMA 24477, the LITEMPO Project Renewal Request, which also indicated that a two-week intensive field training course would be valuable for BENADUM.

2. Headquarters has discussed this possibility with KUARK, and they are prepared to send a trainer to Mexico City for two weeks beginning 18 January 1965. Headquarters has suggested that the trainer be prepared to cover positive intelligence and operational reporting, requirements, and elicitation from his contacts and agents.

3. Please cable whether the dates 18 - 29 January are convenient and whether the subjects to be covered are those envisioned by the Station.

4. Headquarters added to the Project Renewal request \$748.95 to cover the per diem and travel of the TDY trainer.

SUBJECT: Career Agents - Legislative Pay Adjustments

**ACTION REQUIRED:** Information

- During Robert L. EASBY's recent TDY at Headquarters, he informed Howard D. NYWARD that the last Legislative Pay Adjustment had not been granted to the following named Career Agents at the Station. He was advised that follow-up action would be taken and information forwarded to the Station.

✓ Jeremy K. BENADUM  
 Douglas J. FREAPANE  
 Victor W. OBOLO  
 Wallace C. RIXON  
 Donald Z. VELAZQUEZ  
 David M. WILSTED

- The contract for each of the above named individuals except VELAZQUEZ contains the provision he shall receive any Legislative Pay Adjustment adopted by HUBARK. As this provision is a contractual item, the individual will automatically receive the increase without any requirement for a specific request or justification. Although not on the above list, the same information also pertains to Leo C. EDOLICH. VELAZQUEZ, a Contract Employee, was authorized the increase (Phase II) by an amendment effective 14 October 1962 as his contract does not provide for automatic entitlement.

- The Payroll Branch advised that except for BENADUM, the increase was reflected in the pay period ending 18 January 1963 as indicated in the earnings statement provided each individual. HQSIS-3534, 28 May, was sent to the Station by Payroll to increase BENADUM's field allotment in accordance with the pay adjustment.

1. The Station was surprised to receive the reference, which stated that BENADIM's life insurance application had not been received in Finance Division as of 15 June 1962. Recently we received HFM-S-2450, dated 14 June 1962, which requested that the Station collect from BENADIM the premiums for his life insurance, and no mention was made of payroll deductions we had requested in HFM-T-2800. Therefore, the Station collected the sum of \$72.00 from BENADIM in payment of 6 months premiums. This payment was forwarded to Headquarters under HFM-T-2892.

2. No action will be taken by the Station to change BENADUM's field allotment until notification is received from Headquarters. It would appear that the easiest means of now adjusting his pay account would be to refund the pre-paid premiums and begin payroll deductions for the life insurance.

GS-15, £13,730. The Station has two choices. It can collect all monies paid to BENADUM under his oral agreement, whereupon Headquarters can effect payment of salary and allowances effective 30 October 1960. Or an alternative method would be for the Station to notify Headquarters of a breakdown of what has been paid BENADUM, on the basis of which Headquarters would start payrolling BENADUM, deducting any overpayment of salary from net salaries due. Please advise Headquarters which method the Station and BENADUM prefer.

g. In order to establish BENADUM's leave record with KUBAKI, BENADUM should furnish any final pay slip he might have received, which would reflect the amount of annual and sick leave he had as of his date of resignation and also, his salary rate at the time of resignation. If BENADUM has no such slip, a certified statement of the above is required. Since BENADUM's contract is effective 30 October 1960, the day after the end of his annual leave for 1960, BENADUM must return to KUBAKI the gross amount he received from CDENY for his "accrued carry-over" of 633 hours.

h. BENADUM should be told that he must advise KUBAKI, should he still be in our employ, before he applies for CIVIL retirement for which he will be eligible when he becomes 50 years of age because of his CDENY service.

j. The Station should return to Headquarters the original signed copy of the attached contract. The copy may be retained by the Station.

C. SHOULD ODENVY CHIEF MEXI BECOME AWARE BENADUM FULL TIME EMPLOYEE OF KUBARK HE CAN BE EXPECTED TAKE ACTION TO HINDER OR IMPEDE HIS EFFECTIVENESS AS DEEP COVER AGENT FOR KUBARK. BENADUM NOT CONCERNED MEXI ODENVY CHIEF'S ABILITY TO SABOTAGE HIS WORK BUT

FEELS THAT THIS IS SITUATION THAT BEST BE AVOIDED.

D. AGREE BENADUM HAS RIGHT TO RESIGN AND KUBARK HAS RIGHT TO HIRE BUT STATION ALSO OF OPINION THAT IN SITUATION SUCH AS PRESENT CASE KUBARK HAS RIGHT TO HIRE AND PROTECT THE IDENTITY OF ANY DEEP COVER AGENT. FROM LEGAL POINT OF VIEW BENADUM RELATIONSHIP WITH ODENVY HAS TERMINATED AND HE NOT DIFFERENT NOW FROM ANY OTHER PBPRIMER THAT KUBARK WOULD HIKE ABROAD TO DO DEEP COVER WORK. You will report every six (6) months during the term of this agreement all benefits received from or through your cover activities and, if such benefits exceed those due you under this contract, the report will be accompanied by said excess amount, which you hereby agree is the sole property of the Government. Failure to submit timely reports and, as appropriate, excess payments, may result in suspension of any payments due you hereunder. As an alternative to the above, the Government may at any time exercise its basic right to require payment over to it of the emoluments received by you from or through your cover activities which would otherwise be offset as described above. In such cases the Government will pay directly to you the emoluments called for by this contract.

10. Execution of Documents. If, in the performance of services under this contract, you assume the custody of Government funds or take title of record to property of any nature whatsoever and wherever situated, which property has in fact been purchased with monies of the U. S. Government, you hereby recognize and acknowledge the existence of a trust relationship, either express or constructive, and you agree to execute whatever documents may be required by the Government to evidence this relationship.

11. Secrecy. You will be required to keep forever secret this contract and all information which you may obtain by reason hereof (unless released in writing by the Government from such obligation), with full knowledge that violation of such secrecy may subject you to criminal prosecution under the Espionage Laws, dated 25 June 1940, as amended, and other applicable laws and regulations.

12. Instructions. Instructions received by you from the Government in briefing, training or otherwise are a part of this contract and are incorporated herein, provided that such instructions are not inconsistent with the terms hereof.

**13. Unauthorized Commitments.** No promises or commitments pertaining to rights, privileges or benefits other than those expressly stipulated in writing in this agreement or any amendment thereto shall be binding on the Government.

14. Term. This contract is effective as of 30 October 1960, and shall continue thereafter for an indefinite period unless sooner terminated either:

- (a) Upon thirty (30) days' actual notice by either party hereto, or
  - (b) Upon actual notice to you in the event the results of an initially required medical examination are determined by this organization to be unsatisfactory, or
  - (c) Without prior notice by the Government, in the event of a breach of this contract by your violation of the security provisions hereof or by your otherwise rendering yourself unavailable for acceptable service.

Termination of this agreement will not release you from the obligations of any security oath you may be required to take.
