Request for HQ Intercession to Facilitate Entry of Identity A

AR: See Paragraph below

1. Identity A, who is the mother of AMICE/31, a Station asset, has been twice denied permission to enter the United States as a refugee from Cuba. The local ODURGE office has stated that Identity A has been placed on a denied admissions list because of information supplied by ODACID.

2. According to AMICE/31, Identity A applied for admission to the United States with her daughters, Identities B and C. Identities B and C received the necessary authorization on 24 February 1966 from the Swiss Embassy and arrived in the United States by air on 28 February.

3. Identity A was the wife of Identity D, a member of the Cuban Communist Party for some twenty years, at the time of her first application to leave Cuba. Identity D died in October of 1965 and according to AMICE/31 lost his Communist Party membership card about a year prior to his death. According to AMICE/31, Identity A has never joined or been a member of the Communist Party although there is a possibility that her husband may have placed her name on the membership lists. AMICE/31 also stated that she has long been a practicing Catholic and that she is very anti-Communist. Sent as separate cover attachments are two statements from the Bishop of Glenfusco and the Assistant Bishop of Havana testifying to her good character and to her standing as a practicing Catholic.

4. It is requested that Headquarters contact the appropriate ODACID and GDURGE officials for the purpose of removing Identity A's name from the denied admissions list since her close connection with a member of the Cuban Communist Party, which presumably was the basis of the derogatory information, is no longer a fact.

Querido Amigo:

Paso a contestar tu atenta nota de fecha 2 del actual.- Rápidamente, trataré de darte un panorama de lo que ocurre aquí y de algunas ideas para la FLAT.- Para mejor información tuya, te acompaña además un informe sobre la situación interna de la CGT Argentina y algunos problemas que nos afectan muy agudamente a los trabajadores de esta parte de Latinoamerica.-

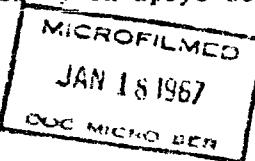

1.- La huelga general de los obreros del puerto lleva ya al día de la fecha - 53 días de duración.- A pesar de la solidaridad que han recibido de muchos gremios y de todas las fuerzas populares, la situación de estos compañeros es muy dura.- Los motivos de la huelga los encontrarás en el informe adjunto.-

La ITF ha "recomendado" el boycott internacional en apoyo de los portuarios argentinos.- La medida es justa, pero ha resultado bastante limitada ya que no todos los sindicatos adheridos a la ITF lo han puesto en práctica, además en algunos lugares se aplicó mal, pues se boycoteaba a los barcos argentinos, pero no a los de otros banderas que venían con mercaderías de Argentina; esto no es eficaz y se presta a maniobras turbias.- YO ESCRIBÍ A LA CLASC y a la CISC pidiendo un apoyo decidido a los portuarios argentinos, pero aun no hemos recibido aquí la documentación sobre las medidas que hayan adoptada nuestras centralas internacionales.-

2.- Otro conflicto sumamente grave, es el que enfrentamos en este momento los ferroviarios.- El gobierno ha sancionado por ley un nuevo reglamento de trabajo que nos retrotrae a 50 años atrás en muchos aspectos; además el plan oficial prevé la reducción de los 25 talleres con 51 líneas de producción que existen, a solamente 19 talleres con 31 líneas de producción. Esto significa DESOCUPACIÓN y además, perjudica al sistema ferroviario y al país.-

Es necesario presionar a la Federación Internacional de Sindicatos Cristianos del Transporte de la CISC, y a las organizaciones de base de la FLAT, para que se prenuncien también en este grave conflicto, crucial para el movimiento obrero argentino, YA QUE LA UNION FERROVIARIA ES EL SINDICATO MAS PODEROSO DE LA ARGENTINA.-

3.- La CCT Argentina se ha lanzado ya a un enfrentamiento abierto contra el gobierno militar de Onganía. El próximo miércoles 14 habrá un paro general de 24 horas, como protesta contra el escandaloso aumento del costo de vida, contra el "arbitraje obligatorio" y en apoyo de los gremios en conflicto.-

4.- En el aspecto interno de la FLAT, te dire que como secretario general, me he visto totalmente frenado por la falta de recursos, ya que ni para imprimir papel membretado tengo dinero.-

A pesar de esta dificultad, he tratado de hacer algunas tareas mínimas: enviar información a la CLASC y a la CISC sobre los problemas del transporte que existen en Argentina, y mantener un mínimo de cohesión y de organización del grupo de sindicalistas cristianos del transporte que actúan en mi país.-

Lo que estoy necesitando, son las direcciones de las organizaciones afiliadas a la FLAT. En Panamá no las tomé, porque se nos había prometido una lista completa de nombres y direcciones de todos los participantes del Congreso de CLASC; pero esto nunca llegó.

5.- Estoy completamente de acuerdo contigo, en la necesidad de presionar al Buró y al Comité Ejecutivo de CLASC, para que pongan en marcha las FEDERACIONES PROFESIONALES.- También deberán solucionar tu situación (es necesario que vengas a Latinoamérica), proveer de algunos recursos mínimos a la FLAT, y CONCRETAR DEFINITIVAMENTE EL CURSO-CONGRESO DEL TRANSPORTE.-

Siempre a tus órdenes, te saluda fraternalmente,

Juan Carlos Loureiro

<p>No. 1. AMICE-31 had only the following to add concerning Raimundo ONGARO and his activities: After ONGARO had made his violent speech on television in Santo Domingo he was cornered by the Cuban (exile) delegation the members of which were incensed by his allegations concerning Cuban exiles and his misinformation about the Castro regime. According to AMICE-31 their arguments prevailed and ONGARO in the end was quite apologetic and admitted to them (AMICE-31 thought sincerely) that he had been in error. As proof of the sincerity of ONGARO's change of mind on the Cuban question AMICE-31 pointed to the fact that, on behalf of the Cuban delegation, ONGARO approached Juan Luis GALLO Estevez, the intransigent Uruguayan whose negative vote (the only one) doomed the Cuban-sponsored resolution on political prisoners to defeat, and tried to get him to go along with the majority.</p> <p>2. AMICE-31 called ONGARO basically "un buen muchacho" and non-Communist. He reported that ONGARO was a strong peronista and a "good, practicing Catholic". He added this latter description with some wonderment because he had always placed "good, practicing Catholics" automatically in the pro-U.S., anti-Castro camp.</p>

Proposed Travel of ANICE-31

ACTIVA SECAZIONE SUPERIORE

A.C. 74

REF: LEGA-25587 dated 25 July 1966

Headquarters has considered the invitations received by AMICE-31 and has reached the following conclusions on his proposed travel:

- A. There seems no useful purpose to be served by covering AMICE-31's personal expenses for the trip described in paragraphs 1 and 2 of the referenced dispatch as WOFACT has good coverage from other sources.
 - B. Headquarters has no interest in AMICE-31's attendance at the meeting described in paragraph 3 but also no objections to his accepting the invitation if Station JMWAVE deems it advisable or considers this will be of value in any of the Station's own operations.

1. Attached is AMICE-31's report on the meeting of the Eighth Continental Council of the Confederacion Latinoamericana de Sindicatos Cristianos (CLASC, Latin American Confederation of Christian Trade Unions), held in Medellin, Colombia, from 5 to 14 January 1966.

2. Since the Station has not received copies of any disseminations that may have been made from information cabled during the meeting at Medellin, no attempt has been made to prepare portions of AMICE-31's report for dissemination. If any of the report is disseminated at Headquarters, the Station would appreciate receiving copies, along with copies of any reports that may already have been disseminated on the meeting at Medellin, and any future disseminations on the CLASC.

PICO'S TRIP TO MEDELLIN

After reading Pico's report and talking to him twice I reached following conclusions :

I ACHIEVEMENTS of PICO

1. Achieved with the cooperation of Edgar Maduro to soften the anti-US line in the Declaration of Principles and elimination of US name which was replaced by "imperialisms".
2. Together with the Venezuelan delegates drafted the motion condemning the Tricontinental Conference, and participated actively in drumming up the support for this motion.
3. Pushed thru the motion condemning Castro's regime.
4. Exercised a strong anti-communist and anti-Castro influence among the delegates.

II PICO'S IMPRESSIONS OF THE MEDELLIN MEETING

1. Pico came back favorably impressed by strongly anti-communist stand of the delegates. He says that even if Maspere would try to cooperate with the commies the rank and file will not let him to do so.
2. Pico noted only three rabid anti-US delegates : Miguel Cardoso(Accion Sindical Uruguayo), Diogenes Gutierrez(Federacion Istmena de Trabajadores Cristianos -Panama) and Heliódoro Agudelo Rivera(Accion Sindical Antioqueña).
3. Pico informs that Henry Molina(Sec.Gen.of Confederacion Autonoma de Sindicatos Cristianos CASC-D.R.) even if highly critical of US intervention in D.R. is an outspoken communist and he recommends him as a material for recruitment.
4. Molina spoke very favorably of Conrado Rodriguez who during his stay in D.R. as FORDC delegate made an excellent impression and became good friend of CASC .
5. It is evident from the briefing instructions received from HQ and cables received from "our man in Medellin" that a strong opposition to CLASC HQ stand (or Maspere's) to the new funding proposal by CISIC and ISI was expected. Pico says that he could not discover such opposition and that three national unions which already applied for direct funding according to the instructions received from CISIC quickly withdrew their application. Pico also did not note any "betrayal" on the part of Federacion Campesina.

Thus I see two possibilities : a) the opposition to CLASC HQ stand that all funding should go thru HQ was exaggerated b) Pico is considered as close friend of Maspere and was not trusted by the opposition.

According to Pico the feeling was quite unanimous that the funding should go thru CLASC HQ and the CISIC attempt of direct funding was resented as an effort to undermine CLASC Executive Committee.

6. It looks that our friend who talked to Pico in Medellin and Bogota was disgusted because Pico was satisfied with the results of the meeting. Pico's satisfaction stemmed from the strong anti-Castro stand the Council adopted and it is obvious that the fuming problem so important to us could not upset him.
 7. Pico reports that there is a good chance that Dagoberto Gonzalez (Sec. Gen. of Trabajadores Copeyanos) will be elected as CLASC president at the next CLASC Congress. According to him Jose Goldsack will become Treasurer and present treasurer Alfredo di Pacce will head a new CLASC office dedicated to raise funds from the LA affiliates. Pico considers Gonzalez as a staunch anti-communist and better disposed toward him than Maspéro. He thinks that flanked by Gonzalez and Goldsack, Maspéro will not have so much to say and his power will be limited. Gonzalez is apparently a much more forceful personality than Goldsack, who doesn't have enough guts to oppose Maspéro.
 8. Pico believes that Maspéro is less aggressive and anti-US as he used to be. He thinks that the pressure from CISC and ISI plus a strong anti-communist posture pf the affiliates accounts for this.

In the cables received from our Colombia office there is a strong criticism of Pico as a sort of Maspéro's stooge. After discussing this topic several times with Pico I think that his opinion of Maspéro is :

Maspéro is a forceful, dynamic and well prepared leader. As an Argentine and ex-peronista he has more drive and is a better organizer than the others in CLASC. Besides he offers CLASC a premise of bringing CTG into an alliance with them, a feat which only he can accomplish. For Pico's taste Maspéro is too demagogic and he doesn't like his anti-US and soft of commies attitude, however, Pico claims that Maspéro lately is much more aware of commie danger. As Maspéro is without doubt the most powerful single individual in CLASC and as Pico positive is weak (his Federation is not created yet and he has to be confirmed as Secretar General) he sees no use of bucking Maspéro especially as no organized and strong opposition exists. Pico, however, would see with sympathy Maspéro power restricted or it will not bother him at all to see Maspéro removed completely. But as long as he exists Pico believes that for his personal good and in order to be able to push strong anti-Castro stand (in which he is mainly interested) he has to work and live with Maspéro.

This position impresses me as a sensible one.

III MTSC. REMARKS

1. There is some inconsistency in the cables we received. In one of them Romano Tschumi, CLASC Executive Secretary for the Dutch Antilles and President of CEDEU is described as "widely considered insignificant and unipresive element". In another cable this same Tschumi is quoted as a source (direct source not via Pico as Pico said that he didn't know about campesinos sold out) and as a new CLASC Asst Secretary General (Pico also claims that he doesn't know about it even if he was criticized before getting his info from such a lousy source as Tschumi).
2. Pico reports that in Caracas he met Carl Norden from ISI Bonn office in CLASC office. Carlos Moris (vice-director of Instituto de Estudios Sociales d. Caribe), Mariano Benítez (Centro Documentación - Caracas) Santiago Tortosa (Sec Gen of CODESA), Ezequiel Borges (CIS) were also present. Norden reported that the

1400000
M US Embassy in Bonn informed them on Sunday Jan. 16th in the morning about all important topics discussed, resolutions etc adopted in Medellin. While impressed by the fast work and correct reporting of Norden expressed his curiosity as to how it was possible that the embassy in Bonn was so fast informed (NOTE : I am surprised even more that a blubber-mouth like Norden was informed about such report!). The general consensus of the present was that CIA must have few men infiltrated among the delegates.....

3. According to the new by-laws Pico's Transport Federation(in formation) will have 3 votes during the next Congress, equal to other L.A. Federations and national delegations. Therefore it is important for us that we continue to work with Pico.
4. Pico should also go to the CLASC meeting in Guatemala in March when the Central American Confederation will be created. CLASC also wants to create Central American Transport Federation and there where Pico's presence is requested.
5. I asked Pico if his CLASC friends don't resent the fact that he works for FORDC. He said that this problem was solved once for ever. CLASC executives know that only two principal currents exists among the Cuban exiled labor : the batistian and the revolutionaries. The Batistianos are the Mujalistas of CTC aided by ORIT and CLASC is against the Mujalistas. They are in favor of the revolutionaries as they are in FORDC, which is the only really active exile labor organizations. CLASC leaders know that FORDC is being supported by the US government , but they accept it as a necessity and understand that it is inevitable as neither the batistianos or the communists will support it and CLASC has no funds to do so.

SUMMING UP

By no means I consider that Pico is an ideal agent. He might be influenced or awed by Maspero. He also is sometimes impulsive and puts his foot in the mouth. On the other hand he is : young, agressive, better educated than average Cuban labor leader. He is accepted in CLASC, his organization ORT is a full member and he will be the head of the Latin American Transport Federation which will give him following advantages : a) voice and 3 votes at CLASC meetings b) can influence CLASC decisions c) will bring strong anti-Castro and anti-communist influence d) will soften up anti-US outbursts e) will report to us, even if he have to take his reliability with a grain of salt.

NOTE : I forgot to call your attention to the curious little item in Pico's report

He advises that the Copeyanos gained the control of the Sindicato Portuario in Puerto Cabello wresting it away from Correa after it was found that 200,000 bolivares were missing from the treasury. Pico also reports that there are widespread rumors that Correa is living it up at the expense of the boycott and that he is blackmailing Spanish, Japanese and British embassies getting hard cash for not boycotting the ships.....

By this means I am pleased to state that I know Mrs. María de la Paz Ramón personally, whose son Reinaldo Pico Ramón worked actively for Catholic Labor Youth in Havana, Cuba. I can assure you that Mrs. Ramón Rodríguez was never a Communist and that due to her opposition to the regime she wishes to leave Cuban territory. She has always had democratic ideals.

Hoping that this information may be of use to you, I remain,
Very truly yours,
