Attention: Mr. S. J. Papich**

**FROM : Deputy Director for Plans**

**SUBJECT : Alicia CHOU Bustillo**

It is requested that the files of the Federal Bureau of Investigation and the Department of State be searched for any information they may contain regarding Alicia CHOU Bustillo, and that information be forwarded to this Office. Available information indicates that Miss BUSTILLO, a Cuban ballet dancer, is about 20 years of age, and was one of the group of Cuban ballet dancers which recently made a tour of Europe. She reportedly has recently injured her foot and is not now dancing but is working as a secretary to Alicia ALONSO, the prima ballerina of Cuba.

# Memorandum

TO : Director, Domestic Contact Service  
Attn: Operational Support Staff

DATE: 28 December 1966

FROM : Chief, New Orleans Office

SUBJECT: Possible Opportunity to Recruit Agent In Place in Cuba

1. On Tuesday, 20 Dec 66, I received a call from Mr. Frank Bartes, former President of the Consolidated Railroads of Cuba. He is an alien but we have FBI approval to contact dated 14 Apr 61. Mr. Bartes is the source of five reports on Cuba and we, as well as the FBI, have been in frequent contact with him.

2. He called on me primarily to tell me that his mother had arrived from Cuba and would be willing to talk to me.

3. In the course of our conversation Mr. Bartes told me that he had a cousin still living in Cuba named Alicia Cruz Bustillo, who is a ballet dancer associated with Alicia Alonso, the prima ballerina of Cuba and also a well-known Communist. Bartes says that Alicia Bustillo is not a Communist and he and his family have been in contact with her.

4. Miss Bustillo, who is about 29 years of age, was one of the group of Cuban ballet dancers which recently made a tour of Europe. A group of these Cubans defected while the troupe was Paris, and this received wide publicity in our newspapers. Miss Bustillo, however, did not defect and continued on the tour and returned to Cuba with the group. According to Mr. Bartes, Alicia Bustillo has recently injured her foot and is not now dancing, but is working as secretary to Alicia Alonso.

5. Mr. Bartes told me that he had planned to meet Alicia Bustillo in Paris and that she had agreed to meet him in Paris, but Mr. Bartes did not have the money to make the trip nor did he think that he would be able to obtain the necessary visa for the trip to Paris because of his status as a Cuban refugee.

6. Mr. Bartes says that Miss Bustillo has traveled all over the world with the Cuban ballet group and has visited most of the Communist countries including China. He feels quite certain that the Cuban group will take another tour and that he will be advised in advance of the date and itinerary. He feels quite certain that he will be able to arrange a meeting with Miss Bustillo provided the group visits a non-Communist country. He claims that he has always been very close to Miss Bustillo since he and she almost are sisters. He feels quite certain that she would be willing to help the US if she were approached in the proper manner, and he feels that the approach should be made through him because of his relationship and former closeness to her.

7. He says that he believes Miss Bustillo does not attempt to

leave Cuba because of the fact that her family is there and that she would not leave unless she could also get her family out. He believes that, despite the risk involved, she would be willing to act as an agent in place.

8. My relations with Mr. Bartes have been very good, and I am inclined to believe what he says. However, this whole matter, of course, would have to be evaluated by the Clandestine Services.

9. There is one other matter I would like to mention in connection with Mr. Bartes and that is that he served for two and a half months with a group of Cuban exiles in the Congo, as he holds a pilot's license. He did not tell me and I did not ask who the sponsors of this group were or what their ~~distinctive ways~~. He did, however, mention a Colonel Weber and a Mr. Saunders. I strongly suspect, of course, that this was an agency operation and, if so, the Clandestine Services will already have a good deal of information about Mr. Bartes.

10. I pass this on for whatever it is worth and, if there is any further information which I can provide, I shall be glad to do so.

Lloyd A. Key

THIS IS UNEVALUATED INFORMATION

SOURCE: US citizen, a pathologist who has recently returned from Cuba where he spent five years in charge of rice production and associated research on a large rice plantation at Jibacoa near the Camaguey/Oriente border.

1. Just prior to my departure from Cuba on 26 May 60 I talked with a Vice President of one of Cuba's larger railroads. He occasionally goes on inspection tours of the railroad's facilities, and had just returned from an inspection of the company's spur lines in the Sierra Maestra region of Oriente province. He was accompanied at all times by a Cuban Army officer.
2. One of the spur lines in the Sierra Maestra ran into a restricted area. In this area my friend observed under construction numerous large concrete silos, immediately adjacent to which were very tall towers of metal framework and wire construction. He says that these were not TV or radio antenna-type towers. From his very limited knowledge of the subject, i.e., the few pictures he has seen in magazines and newspapers of rocket launching sites, he said that these towers appeared similar to steel structures he has seen in pictures of rocket launching bases. He asked his Cuban Army escort what purpose the construction was to serve, and was told "It is not a good idea to ask too many questions where lightning might strike".
3. The concrete construction work was being handled by Mexican technicians.
4. Castro's construction of large storage tanks "for pure water" on Cayo Largo is widely known in Cuba, but few accept the fact that the storage tanks are for water. It is the consensus that these tanks are for fuel storage and will serve as a refueling base for submarines. I have seen over Cayo Largo and around these tanks from the air. They do not look like water storage tanks to me.
5. I have heard that the tenth floor of the Havana Hilton is reserved for the Soviets. While staying there just prior to my departure from Cuba I noticed the elevators never stopped on the tenth floor. I inquired of elevator boys, the desk clerks, and even the senior-most manager, why the tenth floor wasn't open to guests. I was told that there were no guests on the tenth floor, that it was not completed, and accommodated no guests. The next day my laundry was returned to me with several pairs of shorts which did not belong to me. The laundry is washed by room number at the Havana Hilton and the number stamped in these shorts was a tenth floor guest number.

# Memorandum

TO : Director, Domestic Contact Service  
Attn: Operations Support Staff

DATE: 28 December 1966

FROM : Chief, New Orleans Office

SUBJECT: Possible Opportunity to Recruit Agent in Place in Cuba

1. On Tuesday, 20 Dec 66, I received a call from Mr. Frank Barres, former President of the Consolidated Railroads of Cuba. He is an alien but we have FBI approval to contact dated 14 Apr 61. Mr. Barres is the source of five reports on Cuba and we, as well as the FBI, have been in frequent contact with him.

2. He called on me primarily to tell me that his mother had arrived from Cuba and would be willing to talk to me.

3. In the course of our conversation Mr. Barres told me that he had a cousin still living in Cuba named Alicia Cruz Bustillo, who is a ballet dancer associated with Alicia Alonso, the prime ballerina of Cuba and also a well-known Communist. Barres says that Alicia Bustillo is not a Communist and he and his family have been in contact with her.

4. Miss Bustillo, who is about 29 years of age, was one of the group of Cuban ballet dancers which recently made a tour of Europe. A group of these Cubans defected while the troupe was Paris, and this received wide publicity in our newspapers. Miss Bustillo, however, did not defect and continued on the tour and returned to Cuba with the group. According to Mr. Barres, Alicia Bustillo has recently injured her foot and is not now dancing, but is working as secretary to Alicia Alonso.

5. Mr. Barres told me that he had planned to meet Alicia Bustillo in Paris and that she had agreed to meet him in Paris, but Mr. Barres did not have the money to make the trip nor did he think that he would be able to obtain the necessary visa for the trip to Paris because of his status as a Cuban refugee.

6. Mr. Barres says that Miss Bustillo has traveled all over the world with the Cuban ballet group and has visited most of the Communist countries including China. He feels quite certain that the Cuban group will make another tour and that he will be advised in advance of the date and itinerary. He feels quite certain that he will be able to arrange a meeting with Miss Bustillo provided the group visits a non-Communist country. He claims that he has always been very close to Miss Bustillo whom he considers almost as a sister. He feels quite certain that she would be willing to help the US if she were approached in the proper manner, and he feels that the approach should be made through him because of his relationship and former closeness to her.

7. He says that he believes Miss Bustillo does not attempt to

leave Cuba because of the fact that her family is there and that she would not leave unless she could also get her family out. He believes that, despite the risk involved, she would be willing to act as an agent in place.

8. My relations with Mr. Bartes have been very good, and I am inclined to believe what he says. However, this whole matter, of course, would have to be evaluated by the Clandestine Services.

9. There is one other matter I would like to mention in connection with Mr. Bartes and that is that he served for two and a half months with a group of Cuban fighters in the Congo. As he holds a pilot's license, he did not tell me and I did not ask who the sponsors of this group were or what their duties were. He did, however, mention a Colonel Weber and a Mr. Saunders. I strongly suspect, of course, that this was an agency operation and, if so, the Clandestine Services will already have a good deal of information about Mr. Bartes.

10. I pass this on for whatever it is worth and, if there is any further information which I can provide, I shall be glad to do so.

Lloyd A. Ney

<b>SECTION II</b>	<b>MOTIVATION AND CONTROL</b>
<p>1. ESTIMATE SUBJECT'S MOTIVATION. (Be detailed. If possible cite evidence. Do not use stock comment such as "anti-communist.")</p> <p>Estimate Subject's primary motivation is financial. He has large family (wife and seven children) and has, in the past, been accustomed to high standard of living. Possibly his present occupation in real estate is not meeting his requirements for income and status. Also, he probably has continuing ideological interest in deposing Castro.</p>	
<p>2. INDICATE WHAT CONTROL, IF ANY, EXISTS OVER THE SUBJECT. (If no control, or if there is a lack of real control explain.)</p> <p>No real control exists over Subject other than financial. He needs guaranteed employment to provide for his family. However, manipulation of his resident alien status, aviation occupation property, and U.S. Licenses could offer control elements.</p>	
<b>SECTION III</b> <b>COVER</b>	
<p>1. COVER USED BY SUBJECT AND CASE OFFICER IN THEIR MEETINGS.</p> <p>The principal agent represents himself as an employee of the WAVE case officer, who in turn is documented as an agent of the Government of the Republic of the Congo. However, although no U.S. Government interest is overtly manifested, it is realistic to assume that Subject suspects</p>

INDICATE THE EXTENT SUCH CONNECTION IS KNOWN OVERTLY.</p> <p>Subject was a leader in one of the anti-Castro resistance cells in Cuba prior to 1960. He was also a leader of an anti-Castro resistance group in New Orleans after migration. His file indicates liaison with the FBI concerning this group's willingness to cooperate with the U.S. Government in operations against Cuba. In connection with the CIA he was extremely cognizant of all aspects of counterintelligence and was estimated to be responsible for many break-ins, wire tapping, and other types of espionage.</p>	
<p>2. LIST OTHER INDIVIDUALS (agents, relatives, friends) WHO KNOW OF SUBJECT'S PREVIOUS INTELLIGENCE ACTIVITIES.</p> <p>None</p>	
<p>3. INDICATE WHETHER OR EVIDENCE OF CONNECTION, HIS RECORD INDICATES NO CONNECTION WITH ANY OTHER NATIONAL INTELLIGENCE SERVICE.</p> <p>None</p>	
<p>4. PROBABLY WIFE AND BROTHER, MARIO, AND POSSIBLY SOME COUSINS RESIDE IN THE KUBARK AREA. HOWEVER, SUBJECT'S FILE INDICATES ATTENTION TO PERSONAL SECURITY IN CONTROL OF INFORMATION CONCERNING POLITICAL AFFILIATIONS AND OBJECTIVES.</p>	
<p>5. EXPLAIN ANY TRAINING SUBJECT HAS HAD IN CLANDESTINE OPERATIONS.</p> <p>Subject has no KUBARK training in clandestine operations. However while residing in Cuba he participated in resistance operations against Castro. His planning in intelligence sphere though, relating to, and direction,</p>	
<b>SECTION V</b> <b>COLLABORATION POTENTIAL</b>	
<p>1. INDICATE OTHER FOREIGN POWER SUBJECT WOULD BE MOST LIKELY TO COLLABORATE WITH BECAUSE OF HIS IDEOLOGY OR POLITICAL ASSOCIATIONS. **SECTION XVI****MISCELLANEOUS OPERATIONAL DATA AND REMARKS**

From 1947-1960 Subject acted as vice president and later president of family railroad and agriculture enterprise. He made a commercial success of these operations which were later confiscated by the Castro Regime. He lost a large personal fortune as did other close members of his family. He was an ardent anti-Castro, anti-communist leader of resistance groups both in Cuba and in New Orleans.

Subject previously used his own private aircraft in managing his commercial interests. It is hard to judge from the Subject file precisely why he has applied for a flying position in the Congo for reasons other than obvious financial aspects. Further, his 19 May 1968 application to Robert Medoff indicates a very degree of stability and security in his present position as an estate manager. Even though his family funds are not available to him.

TO WHOM IT MAY CONCERN:

This is to certify that I have known Mr. Francisco A. Bartos since June, 1962. He contacted our company to obtain a license permitting him to continue flying in the United States after his departure from Cuba.

Mr. Bartos held a Cuban pilot license issued by the Civil Aeronautics Commission of Cuba, November 22, 1956, No. 1017, Multi-engine Aircraft VFR.

The total aircraft flying time has been estimated due to the fact all personal effects including his log books were left in Cuba. A certification from Sunny South Aircraft, Ft. Lauderdale, Florida, substantiates his estimated time due to single and multi-engine aircraft he purchased from them:

Cessna 172	130:00
Cessna 182	250:00
Cessna 310	750:00

Mr. Fausto A. Valdez, a Cuban citizen now residing at 10 SW 32nd Ave., Miami, Florida, holding an ATR certificate, 1515842, issued 11/28/61, has also certified via affidavit, Mr. Bartos, has close to 1,000:00 hours of multi-engine time.

Mr. Bartos has completed the Private Pilot course with us and has the necessary papers pertinent to an FAA license. He is presently continuing his studies for a Commercial Pilot rating - single and multi-engine.
