NARRATIVE COMMENTS (Attach additional sheets, if necessary, for this section or for reviewing officer's comments.)		
<p>I first met Mr. Murphy following the assumption of my present duties at the end of March 1973. Therefore, I am in a position to comment on his performance only during the last seven months covered by this report. During that time, Mr. Murphy's performance has been thoroughly outstanding in every respect. During his years in France, he has developed a real expertise on this country, both in terms of how it functions and with regard to the manner in which France looks at the world.</p> <p>Mr. Murphy has effectively directed and coordinated a large staff, and I have been particularly gratified at the extent to which his staff coordinates its reporting with other interested elements <b>of the Mission</b>. I am told <b>by my DCM</b> that, based on his experience, the coordination between Mr. Murphy's office and the substantive sections <b>of the Embassy</b> is better <b>at this post</b> than at any <b>post</b> he had known or heard of. This is in large part a direct tribute to Mr. Murphy's leadership.</p> <p>I find I am calling increasingly on Mr. Murphy's advice in the preparation of <b>Embassy</b> assessments on a broad range of policy issues. His contributions have been perceptive and, by and large, accurate.</p> <p>I consider Mr. Murphy one of a handful of my closest advisers in <b>the Mission</b> and hold him in the highest regard.</p>

However, since that time I have served <b>as Charge</b> on a number of occasions and while, when the <b>Ambassador</b> was present, the <b>Ambassador</b> preferred to deal directly with Mr. Murphy and, as a result I had only collateral dealings with him, I feel I had more than ample opportunity to observe his performance and evaluate it. <p>Mr. Murphy is an outstanding officer in every sense. His advice and counsel have been of the utmost value to me and my executive staff throughout this rating period. He has excellent judgement, a quick mind and a thorough knowledge of France and French politics. And he has common sense, as well as a good sense of humor. His personal conduct is impeccable; his behavior, gentlemanly.</p>		
<p>Mr. Murphy is widely known and respected in the French official and diplomatic community. His contacts are numerous and useful. He and his wife make an excellent representational team. He speaks excellent French.</p>		
<p>Mr. Murphy's relations with other senior officers at the Embassy are cordial and harmonious. He is a good administrator and is well-liked by his subordinates, as well as his colleagues.</p>		
<p>In sum, I am delighted to have Mr. Murphy on my staff and consider him an officer of the highest calibre.</p>

involved even in routine liaison activity. Consequently, our relations during the past nine months with the French have improved considerably. This improvement can partially be attributed to a reawakening on the part of the French Government to the Communist and New Left threat (which was brought into focus by the May-June riots) but it was also in large measure due to Mr. Murphy's concerted efforts to cultivate selected officials, initiate substantive discussions and increase our own level of exchange with the Services.

5. Operations against the Communist Party have been re-activated with emphasis on the international aspects of the Party, particularly support of subversion abroad. Operations against the large Soviet and Chinese targets are beginning to move ahead. Production-wise, the take from both **unilateral sources and liaison** increased significantly during 1968. We expect further increase in 1969.

6. There are still many weak spots in the Paris Station and many refinements and adjustments to be made. But Mr. Murphy has made an exceptional beginning; the Station is moving in the right direction and during this coming fiscal year we should begin to see the worth of the programs which are being so energetically pursued by him. Without question, his performance has been Outstanding.

MEMORANDUM FOR: Director of Personnel

SUBJECT: Fitness Report - Mr. David E. Murphy

1. This memorandum is in lieu of the Fitness Report Form on Mr. Murphy and covers the period from 1 April 1962 through 31 March 1963, during which Mr. Murphy has served as Chief of the Eastern Europe Division.
2. After a long series of assignments dating from April 1948 and involving duty at Tokyo, Yokosuka, Karlsruhe and Berlin where he served as Chief of Base of that important installation, Mr. Murphy returned to Headquarters in August 1961 as Deputy Chief of the EE Division and became Chief of that Division in June 1962. I should like to quote from the fitness report on Mr. Murphy written at the time he was assuming his new responsibilities as Chief of EE Division: "There is every reason to believe that Mr. Murphy will manage the EE Division in the same outstanding manner with which he won the ungrudging respect of the Berlin community as the leader of American intelligence in that area." A previous fitness report covering his first year as Chief of Base, Berlin is equally laudatory.
3. In his responsibility for streamlining and improving the effectiveness of his Division in both its headquarters and overseas postures, Mr. Murphy has been energetic and imaginative. He is an authority on the situation in West Germany but particularly in Berlin and has played a highly useful role in government councils on these problems. He has excellent working knowledge of Russian, French and German, and his operational experience as a result

## Supplement to Staff Employee Personnel

Action for Integration of DAVID E. MURPHYEffective 20 March 1968

The purpose of this memorandum is to set forth existing policies of concern to you while integrated and to reiterate certain rights and obligations which derive from your true status as an appointed employee. It is hereby agreed and understood that:

1. As an employee of this organization, at the present grade and salary of \$518-\$27,055. per annum, you will accept cover employment with another instrumentality of the Government (hereinafter referred to as "your cover facility") effective as of 20 March 1968. You will, insofar as consistent with your basic responsibility to this organization, abide by all the rules, regulations, practices and policies of your cover facility. In order to appear as a conventional member of that establishment, Your appointment to your cover facility is being affected as a FBI-1 at a salary of \$24,944. per annum. You are prohibited, except as specifically authorized herein, from retaining emoluments paid by your cover facility.

2. It is understood and agreed that the minimum period of your overseas tour of duty is governed by and coincident with the prescribed tour of duty of your cover organization. Currently, your prescribed tour consists of a period of 2 years from the date of your arrival at your overseas post of duty. Your assignment may be terminated earlier for the convenience of this organization and the length of your tour of duty, as currently specified, may be unilaterally changed by this organization in order to conform with subsequent changes in the prescribed tour of your cover facility. If you request termination of your overseas assignment solely for your own convenience, unless it is for circumstances that are considered by this organization to be beyond your control or if you are terminated for cause under the regulations of this organization before you have completed the minimum period of service prescribed above from the date of arrival at your overseas post of duty, you will not be entitled to return travel or transportation for yourself or your dependents to the United States at Government expense. If you request termination of your overseas assignment solely for your own convenience, unless it is for circumstances that are considered by this organization to be beyond your control or if you are terminated for cause under the regulations of this organization before you have completed one (1) year of service from the date of your arrival at your overseas post of duty you will be required to reimburse the Government for all of its expenses for your travel and transportation, and that of your dependents, from the continental United States to such overseas post of duty.

3. Travel to your post of duty overseas and your return travel to the United States, as well as travel performed overseas which is consistent with your cover designation, will normally be at the direction of your cover facility. Such travel will be accomplished in conformance with applicable

Form 1535 (Rev. 1-64)

SECRET

SECRET

regulations [of your cover facility] except when you are directed for operational reasons to perform travel in accordance with the regulations of this organization.

4. Salary and allowances paid by your cover facility shall be retained by you to the extent that [they do not exceed] the salary and allowance payment due you on the basis of your grade level with this organization. If such cover payments are less than the amount due you, the difference will be paid to you by this organization. If such cover payments exceed the amount due you, the excess amounts will be remitted to this organization at intervals to be designated by the Office of Finance. Computations hereunder will be based on the aggregate gross amounts due and received. That portion of retirement contributions withheld by your cover facility which exceeds the retirement contributions applicable to your organization salary will be deducted from the gross amount of the overpayment. Upon integration, the payroll office of this organization will establish the date on which you would normally receive a regular step increase from your cover facility. Failure to report a grade promotion received from a cover facility does cause errors in processing regular step increases. Regular step increases, incorrectly processed in such manner, should be reported immediately to this organization. To eliminate this problem, any grade promotion received from a cover facility will be reported immediately by you to this organization's payroll office through channels showing both the old and the new rate and the effective date. All salary difference payments and adjustments will be reflected on earnings statements.

5. Your status as an employee of this organization will continue in full force and effect during your period of duty [with your cover facility] and you will continue to be entitled to all rights, benefits and emoluments of such status. Certain variations in procedure will be required, however, to preserve the security of your [cover] position.

6. Upon integrating into your cover facility you will continue to be covered by the particular retirement system in which you are a participant as an employee of this organization. Salary received from [your cover facility and any salary differences payable by] this organization will be subject to appropriate retirement contributions.

b. Appropriate Federal income tax withholdings shall be made from taxable income received from both [your cover facility and] this organization. Additionally, while serving in the United States, withholdings shall also be made for District of Columbia or State income tax, where applicable. You may claim reimbursement for excess income taxes paid on [over] tax returns by reason of taxable income [from your cover facility exceeding the taxable income due you as an employee of this organization.]

SECRET

SECRET

c. All annual and sick leave which is accrued to your credit at the time of integration will be transferred to your cover facility. While integrated you will be permitted annual leave, sick leave, home leave, and leave without pay in accordance with the regulations of your cover facility in lieu of the leave benefits of this organization. Upon termination of your integration, your unused annual leave, sick leave, and home leave will be transferred to your credit with this organization and your leave record will be reconstructed as of the beginning of the leave year in which you return to this organization, as explained in the Handbook on Leave for Special Situations. Serving in an integrated capacity does not permit the carryover from one leave year to another of an annual leave balance which exceeds the ceilings authorized by regulations of this organization and the Federal leave law. If security conditions require that your cover facility make a lump-sum payment for accrued annual leave, upon your "resignation" you will be required to pay the gross amount thereof to this organization, including any income taxes withheld by your cover facility in order to receive credit for such annual leave.

6. You will be required to keep forever secret this agreement and all information which you may obtain by reason hereof, unless you are released in writing by this organization from this obligation. Violation of such secrecy may subject you to criminal prosecution under the espionage laws, as amended, and other applicable laws and regulations. The termination of your employment with this organization will not release you from the obligations of any security oath you may be required to take.
