104-10172-10279 2029 RELEASE UNDER THE PRESIDENT JOHN F. KENNEDY ASSASSINATION RECORDS ACT OF 1992 diff-jfk: record 104-10172-10279 - Page 1 - (diff between 2025 and 2022) Highlighted changes between 2025/104-10172-10279.pdf and 2022/104-10172-10279.pdf POSSES 1 52 غيما فينا والعان Cristian Chi vin dairi. KIND REQUIRED RESIDENCE haft: [078.4]4656, 18 June 1965 Appearing as part of Section 12 of the SPR on Mithail Visityevich Monachov (201-2051) forwarded with reference, are the following chtrical intaling station would like to clarify sere of the information providually remorted by the fittion which undoubtedly has les Headquarters to the conclusion contained in the accord paragraph immediately below. when tele that Subject (withail Varilyevich MURACHOV 201-205159) has been posted to Finland, Source (a Foviet defector) contented that Subject (MRASHOV) whele probably be responsible for penetrating the police. (This apopulation by Source is probably not correct since this responsibility belongs to fotor militavia, firmary, who arrived in melsinki about the same tire trat Subject did, to replace Ivan Yefimovich SERRLYMY.) 2. Petr Mikitovich CAMENER (201-140400), Counceller of Embacsy and head of the Press Section. SAMALTRY filled the Counseller slot vacated by Vasiliy Savish Soldano (201-142336) who dealt with trade. Is do not recall the Chief of the Frees Section prior to SAVELYEV's arrival. However, SAVELYEV was NOT the replacement for Ivan ACCOUNTY (201-253447) as stated in OFMA-15447, 13 February 1962. We doubt very ruch that SAVALYEV was involved in police

penetration. His contacts in Finland (also in Hereny) were for the most part with the press (Finland (also in Hereny) were for the most part with the press (Finland (also in Hereny) were for the circulated freely in that media. SavALYHV did not speak Finnish, despite the fact the VALINIA informed us he speak fairly good Finnish (CVHA 5447) which was probably an initial assessment on their name. on their part. 7

4. Although a GNU suspect during his tour in Mornay, his

nativities in Holsinki at first appeared to be those of a NGB co-optee, and lader more obviously those of a HGB officer in the CA field. Halter R. CLASIONIUSIN's contacts with DAVALVEY took place either in press cipales or in the presence of Aleksey SHUARROY (201-203095) whom we suspect of being the deputy resident in helsinki. Thus the pilicu in which SAVALYEV operated, we tend to place him in the NGB category rather than CAU.

- 5. SAVALYEV, who left for home leave on 10 July 196 1 never returned, was replaced by KGB officer Albert AKULOV (201-232590), first accretary and press attache.
- 6. Concerning Ivan Yefinevich SERGYEV (201-259447), SERGEYEV replaced RGB officer Grineria Ye. GOLUB (201-150156), Chief of the Consular Section. After the defection of AELADLE/1, this Section was in confusion and the exact slot-for-slot replacements are not known. In our best judgment, SURGUYEV was replaced by Anatolia PAVLOV (201-331811) who departed 2 Earch 1963 because of ill health. PAVLOV was temporarily replaced by RGB officer Boris Vasilyevich PERELETOV estensibly assigned to the Cultural Section (OFMA-6433, 6 March 1964) who departed 31 March 1964 also because of ill health. PERELETOV was replaced for consular responsibilities by KGB officer Foliks Dmitryevich RARASEV (201-736991).
