4 ril 18, June Cobb called the New York DODG office about what to do about her CLA salary on her incume tax return.

After discussions with SF/CAAS and George Powell of the Tax Committee, I phoned DODG to tell! Cobb the following:

Since she was supposedly a student in Mexico, miss and she had paid tax on her CLA calary, she was not to list her salary anywhere on her 1966 tax return. However, she should send us a copy of her overt 1966 tax return.

Discribution: 1-Unit A Chrono 2-Unit D Chrono 1-Aleccor/1 1-Aleccor/1

 A meeting with LICCONY/1 was held at 1100 hours, Priday, 5 April 1968. We breakfasted, and then held the meeting at the BARTHOLOMEW site. As is detailed below, we reached a mutual agreement that the relacionanip was not worth pursuing; this was thoroughly amicable, and recontact methods are available on both sides.

- 2. Substantive matters first. LICCOKY/1 said that John GERASSI nad been in com. o.. 23 Mirch for the day. He was invited to lunch at the CMUN that day, Sunday. Apparently, GERASSI, is back in the good graces of the Cuban regime. He told LICCOKY/1 that he would be spending this Summer in Arizona.
- LTCOOKY/I has been commissioned by K. S. ARNONI, editor of <u>The Minority of One</u>, to write a piece on the recent intellectual/ political developments in Czechoslovakia.
- LICOOXY/1 thought up, and is arranging, a Czech film fea...val to legin 15 April. It is to be sponsored by the St. Clemens Film Association, St. Clemens Church, 423 West 46th Street (this church houses the American Place Theatre -- Robert LOWELL's group). LICCONY/1 got this idea from the recent Czech travails -- which she hails as evidence of the power of Czech intellocracy -- and from the commission referred to in paragraph 3 above. Se contacted the Czech UN Mission which put her in touch with PAVLIC, the Czech Cultural Attache in une Washington Embassy. PAVLIC was all for the idea, and will be here for the opening of the festival. Milos FORGAN (director ... the film "Loves of a Blomde") is currently here at the Hotel Cas. (a "dump on 23rd on the West Side" -- LTCOOKY/L's characterization فرد... will participate in the festival. KADAR (director of the "درد...ه of lin Street") has been invited to participate. LICOOKY/1 ... giting to ask PAVLIC waether it would be OX for her to ask DRV. ... who titines film at Columbia and who is a Cuech in exite, to partitioner. 110 XXY/1 is very eachusiastic about this venture.
  - COMMENT: Allos FORMAN is mentioned in the article about schoolovakia in the 5 April 1968 issue of <u>Mina Magazina</u>.

As of 18 Key, according to the article, numerous signatures had been collected on a "progressive manifesto" protesting the Conference. The list includes many well known Mexican Communists and pro-Communists. Attached also (Attachment C) is a copy of the "progressive manifesto", which was published in El Brallo, 22 April 1966, and a copy of a menifesto (Attachment D) published in El Heralio, 22 April 1966, by the Mexican Committee for the Defense of the Jews in the USSA, in which a number of demands are made on the Soviet Government with respect to the Jews and their rights.

- 3. Le Voz de Mexico, 15 May 1966 (Attachment E) carried an article bitterly attacking the Conference, which it charges is being organized and held by groups and persons in the service of ODACID. It specifically manes LICOGNY-1, although the latter's name is incorrectly spelled, as one of those responsible for the Conference and says she is "well connected" with ODTONE police. Success, 21 May 1966, carried an article (Attachment F) attacking the Conference and its organizers and charging that there are analyses. Joseph 1966, the Conference and its organizers and charging that there are analyses. Joseph 1966.
- 4. Success, 4 June 1966, included an inserted sheet (not found in all copies of this edition) entitled "An Agent of the FBI and INTERPOL in the Association of Mexican Writers," which deals almost exclusively with LICCONY-1, her expulsion from Cuba, work in Mexico, and contacts and activities in Mexico. It charges that in Mexico she is working for Daniel James, who is responsible to KURARK (Attachment G).
- 5. LICOCKY-1's name appeared in a notice (Attachment H) appearing in El Excelsion, 28 May 1966 by Vicente Etheverría del Prado, treasurer of the Maxican Association of Writers (AEM Asociación de Escritores de Máxico, A.C.), which simply stated that LICOCKY-1 is not authorized to accept dues or handle other business of the AEM within the province of the treasurer's duties and obligations. However, in view of the adverse publicity previously, the announcement had the effect or implied that the AEMAC or members of that group believed the charges that LICOCKY-1 had a part in organizing the Conference and/or is an agent of KUBARK. The notice, as it appears, also implies that LICOCKY-1 was mishandling AEMAC funds. Echeverría offered to publish the clarification on the sizet on which the AEMAC announcement appears; however, LICOCKY-1 maked him not to do so and said she would take up the notice and any clarification with the AEMAC Justice and Honor Commission.
- 6. On 9 June 1966 while conversing with SEMO (Attachment I), Leonov said that LICOCKY-1 had called him to say that she had had nothing to do with the Conference, and does not want the Soviets to catalogue her as an enemy. Leonov commented that LICOCKY-1 had left him her phone number and had saked him to help her (presumably refute the charges that she was involved with the Conference). The LILIEK case officer who currently handles LICOCKY-1 said on the morning of the June 1966 that LICOCKY-1 told him she had called the Soviet Press Attaché to deny that she had anything to do with the Conference "because it is what she would normally do." She did not, however, mention beforehand that she intended to call the Soviet Embassy. (Tape of conversation is forwarded as Attachment J.)

Jack.

I briefed Gaines for 30 minutes on LICOOKY giving him the full background on her bio, education, CI (relationship---from recruitment through current use in Mexico. My suggestion was that she be told to go to NY and find a job which would give her a means of liselihood as well as cover for any future CIA income. After 6 months (or some other specific period of time) it would be arranged that either we contact her or she contact us to determine what her personal situation was and whether she would then be in a position to target against selected persons of interest to CIA in the NY area. for herCIA work. Mr. Gaines wanted to think about it but thought that this would be the best approach. He will talk to you before Friday.

His only question was whether we had any indication whether she was under development by the opposition --- Soviet, Cuban, etc. I told him that as far as I knew there was no such indication. If I am wrong (per your and Bill Johnson's recent activity) you better correct this.
