ISBA 8833 dated 30 December 1959

- The information provided in reference was most timely in its errival. Shortly after we had received it, Oldawi informed us that the Frank couple was traveling abroad, and that in view of Susan Frank's interest in Far Restern affairs and Chinese history it was not unlikely she and her bushend would attempt to travel to China before returning to the U.S. OURSYl saked for any information we might receive which would indicate Subjects had traveled to China. We have passed the gist of the information in reference to OLEMYI. We shall appreciate receiving eny additional information on the activities of Subjects which you may be able to uncover utilizing liaison as you see fit. FII: Susan Frank has indicated she does not expect to return to the states until August or September, and most likely the latter month.
- 2. The material in Eschquarters! file on the Franks, all of which was supplied by ODESYT, indicates they are active members of the Communist Party in the U.S. Upon receipt of ODERVY's approval to our request to pass a summary of this material to our official source of reference we shall forward the susmary to you for passess to the IMPRIVIOUS. Exemphile, the following, most of which was supplied by informents rated as having provided reliable information in the past, is formeded for your information:
 - a. Susan Frank, nee Heiligmann, born 8 November 1913 of Russian parentago, resides with her second husband, Richard Cyril Frank, at 110 Christopher Street, Ess York City. There are reports as early as 1942 providing information on Sucen Frank's activities in behalf of Communica, all of which refer to her as Susan or Sus Marron, the alice she has company used in her Communist activities and in erticles she as written. One example of her activities in 1942 refers to an application for a pormit to operate a public address system at street meetings in New York City. The application bore the signature of See Werren, and listed her as Chairman of the Communist Party at 132 East 25th Street, Eow York City. Since 1942 there have been memorous informent reports of Sue Verren's active participation in Communist affairs in the U.S., the most recent describing her as a minior of the Greenwich Village Section, MY County CF as of October 1959. Frank has given her present occuration as writer and lecturer, and has taught at the Faculty of Social Sciences and Jefferson School of Social Sciences, conducting courses entitled, "The New Chine", "The Chinese Communes", "Horld of Eccialism", "On the Correct Empling of Contradictions (Eho)", etc. The Faculty of Social Sciences was apparently established by Ear Weiss, who was referred to in the April 1976 edition of the "Daily Worker" as "Entional Minestional Director, Communist Party". The Jefferson School of Boolel Sciences has been designated by the Atterney General.

On 22 July 1959 Summ Frank appeared before the House Countities on UN-American Activities, and refused under provisions of the Fifth Amendment to answer questions as to whether she had ever lectured on Chinese culture and Chinese civilization, had been an instructor at the Jefferson School of Social Sciences, was the author of an article in the 15 November 1949 issue of "The Worker" entitled, "Ho Peace for the Chinese People", and was "at this time" a member of the CP.

- b. Richard Cyril Frank was born 22 August 1922 in Rochester, Eaw York. He has given his profession as film technicism and has worked in various directing and production jobs in television. Indications of Richard Frank's CP membership and activities in behalf of the CP are:
 - 1. In June 1956 Bue Warren (Frank) stated at a Greenwich Village CP meeting that she could not contribute the \$75.00 she had previously pledged because her husband (Richard Frank) had given \$100.00 in "his club", and they had planned to contribute together only \$150.00.
 - 2. Frank was reported to have been seen on 1 February 1954 at a meeting of the New York Council of Arts, Sciences and Professions, which has been cited as a Communist front organisation.
 - 3. Frank has written letters in behalf of persons on trial for their Communist activities, has provided storage in the bessenant of his residence for cartons containing volumes of Communist literature, has received through the mail CP literature from Cacchoslovakia, and has been a recipient through the small of the "Daily Worker".
