6 November 1962

PENDING M/R: See TFW memorandum dated 5 November 1962 which was concurred in by Moorhouse of CCS with the understanding that I would advise Mr. Bannerman of the action taken and obtain his approval upon the latters return on or about 9 November 1962. An exception was made in this case to the general rule that CIA identification in alias will not be issued to State Department integrees. The exception was granted because of the Subject's position and long experience in matters of this nature and due to the fact that it will be strictly controlled and limited to assignment which will be directly by Mr. Harvey.
