- him in detail on the difficulties that apparently have built on the difficulties that apparently have built to have RECKREY devote himself to this monest. WUBRINY/1 said of that if this is as serious as Mr. Frome appears to believe of the it may be necessary to isolate him elsewhere in the WHRINY of interests, such as the partnership, and tager him off for termination at the end of his six months. WUBRINY/1 suggested of that it might be useful to send him to Greece in conjunction with the Mowhank tire recap plant.
 - 4. Hartinique Punice: WURRINY/I said that all arrangements are now made and this is ready to go forward and that EUBARK should decide right every the contribution we wished to be made by RECKREY. I told WURRINY/I we would be back on this 02 early next week, but I felt sure it was as had been sarlier discussed, namely, that we will foot the bill for RECKREY's time and travel, etc., expenses. Hote: I trust Mr. Allen will give this priority attention when he returns.
- had encountered H. Charles at the Herichal Airport in Washington at 1920 hours just at the time he was reporting in to me at my home. Wighling! said that M. CHARLES was nattily dressed in a gray silk suit and said that he was on his way to Chicago but had not said why. M. CHARLES was accompanied by George demonstration. Wighlight asked M. CHARLES what in the world is going on now in Haiti and M. CHARLES shrugged and said that he felt that they would "bring down Papa Dod." No further details were given and this was apparently a personal opinion rather than something based on fact or knowledge.
